

Education & Training

By Charlie DeTar

Education & Training:

The Division of Enforcement & Licensing is committed to providing superior educational programs for licensees and employees that focus on proper sales/service of alcohol or tobacco and for parents, students, local communities and enforcement personnel that encourages responsible alcohol consumption. We pledge to serve the citizens of New Hampshire through our educational training efforts and move closer to achieving the Division's goals; reducing the number of alcohol related incidents.

To learn more about these programs or to schedule one for your organization please contact the Special Services Unit at cou@liquor.state.nh.us or call 603-271-8531.
