REQUESTED ACTION

Authorize the New Hampshire Liquor Commission to enter into a contract agreement with Exel, Westerville, Ohio, for transportation services for the period from November 1, 2013 through January 31, 2019, with the option to renew for two additional five-year periods upon consent of both parties and subject to Governor and Council approval. Funding is 100% Liquor Funds.

EXPLANATION

On March 8, 2013 the Liquor Commission issued a request for proposal, (RFP) for transportation services for spirit and wine and related product from our contracted warehouse in Bow, New Hampshire to our network of 77 liquor and wine outlets as well as our state-owned warehouse in Concord. Our goal was to identify transportation vendors who would be properly licensed, registered and insured to provide timely and efficient transportation of product to the Commission's retail outlets.

The contract agreement with Exel for transportation services for the period from November 1, 2013 through January 31, 2019, has an aggregate estimated cost of \$10,608,703.00 for transportation service charges. This is based on current and estimated volumes anticipated over the next five years.

The RFP was publicly advertised on March 8, 2013 in the New Hampshire Union Leader newspaper for three days, and also advertised on the Liquor Commission and Department of Administrative Services Vendor Resource Center web site. Additionally, the Commission sent letters and emails to approximately 50 potential transportation vendors.

Proposals were received from the following four vendors in accordance with the requirements for submission, including the stipulated deadline of April 30, 2013:

- Laconia Best Warehousing & Distribution (Laconia, NH)
- LB&B (Columbia, MD)
- Law Motor Freight (Nashua, NH)
- Exel (Westerville, OH)

Her Excellency, Governor Margaret Wood Hassan
And the Honorable Council

Proposals from each vendor were reviewed and rated by a Selection Committee, comprised of three representatives from the Liquor Commission and one representative from the Department of Information Technology (see attached list of members). The Selection Committee members all brought different strengths and knowledge to the table which allowed for independent evaluation during the scoring process through discussion and weighing of the components of each vendor's proposal.

The proposals were rated by the panel according to the criteria set out in the RFP, including vendor experience and qualifications, vendor financial stability and capacity, vendor technical, service and project management competence, vendor overall solution, and vendor pricing.

On June 28, 2013, all four firms were chosen to come in to the Liquor Commission headquarters to make a presentation of their respective proposals to the evaluation committee. This was followed by a question and answer period. All four firms were then invited back on July 22-23, 2013 to meet with the commissioners and to make a brief presentation followed by a question and answer period. Site visits were also conducted where necessary.

As a result of the scores, Exel was the qualified bidder on transportation service charges that include delivery charges as outlined in Exhibit F, Transportation Service Charges, and the Pricing Detail on the RFP Scoring Sheet. The panel unanimously recommended Exel to the Commission, subject to Governor and Council approval, to provide our transportation services over the next five years. Exel's proposal was very competitive and responsive to the RFP, and it offers significant savings to the NHSLC over the next five years. A rating summary of the four firms is attached.

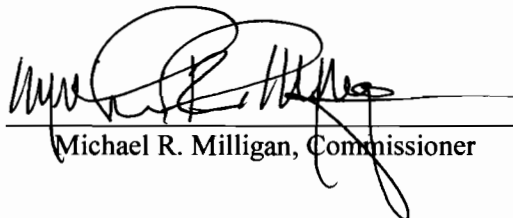

The contract has been approved by the Attorney General's Office as to form and execution.

Your favorable action on this request would be greatly appreciated.

Respectfully Submitted,
New Hampshire State Liquor Commission

c. Each week, or as otherwise agreed by the parties, the Contactor will prepare a written status report and meet with NHSLC staff to review performance and resolve issues, if any.

d. For the KPI described in the KPI Schedule, if the average of the Contractor's daily performance over a thirty (30) day rolling consecutive period fails to meet the Target Level as described in the KPI Schedule, the NHSLC may require the Contractor to pay the NHSLC liquidated damages in the amount of 0.25% (0.0025) of the Contractor's daily revenue in November 2013, 0.5% (0.005) in December 2013, 0.75% (0.0075) from January 2014 through the initial term of the Agreement, 1% (0.01) of the Contractor's daily revenue for each day that the Contractor fails to meet the Target Level.

e. Notwithstanding any other provision of this agreement or the RFP to the contrary, the liquidated damages described in paragraph (d) above are the NHSLC's sole and exclusive remedy if the Contractor is not performing the Services adequately. For the sake of clarity, NHSLC retains the right to pursue direct damages arising from a breach of this Agreement outside the scope of this paragraph. Furthermore, in the event of a failure to cure a material breach, the NHSLC may terminate the Agreement and/or pursue its remedies at law and in equity pursuant to the provisions of new paragraph 8 set forth in Exhibit C.

11. KPI Schedule

a. The KPI detailed in the chart below shall apply as of November 1, 2013.

b. This Schedule describes the service levels and performance standards that the Contractor shall provide to the NHSLC with respect to the Transportation Services. The KPI shall be measured according to the Contractor's standard operating procedures as approved by the NHSLC. The Parties shall in good faith mutually agree to these standard operating procedures prior to November 1, 2013. The method agreed to measure the standard may result in an adjustment to the Target Level.

c. At any time during the term of this Agreement, the NHSLC and the Contractor may upon agreement in writing revise the KPI, or add a new KPI.

d. The Contractor shall keep and maintain complete and accurate daily reports regarding the KPI and provide them to the NHSLC during the term of this Agreement.

e. Regular management review meetings between the NHSLC and the Contractor shall be scheduled to review the actual performance against projected performance.

The All Risk insurance shall cover 100 % of NHSLC’s Replacement Cost (defined as the NHSLC’s purchase price for such goods plus related storage and transportation costs, if any). In the event of a claim payment; insurer or Contractor agrees to make payment directly to NHSLC. A certificate of insurance demonstrating compliance with the requirements of this Paragraph 14 shall be provided to NHSLC upon request. 25. Contract Protest Process

The Parties shall use the Contract Protest Process to resolve any dispute with respect to the Agreement

The Issuing Officer, or his or her successor, shall be the NHSLC’s representative.

Prior to the filing of any formal proceedings with respect to a dispute (other than an action seeking injunctive relief with respect to intellectual property rights), the party believing itself aggrieved (the “Invoking Party”) shall call for dispute negotiation by written notice to the other party. Such notice shall be without prejudice to the Invoking Party’s right to any other remedy permitted by this Agreement.

The parties shall use all reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, between negotiators for the parties.

In the event that the Parties are unable to reach agreement after good faith negotiations, the parties may agree to utilize a Mediator with experience in the issue in dispute. The selection of the Mediator shall be by mutual agreement of the Parties. The decision by such Mediator shall be non-binding and not evidence in any further proceeding. Following the decision of the Mediator, if any, the matter shall be submitted to the NHSLC for a determination following a hearing. The resulting Order may be appealed pursuant to RSA 541.

26. Contract Transition Period

If this contract expires or is terminated before a vendor is selected and prepared to provide Transportation Services to the NHSLC, Contractor agrees to use best efforts to continue the Transportation Services described under the current contract for up to 6 months at the prices to be negotiated by the parties (“Transition”).

Contractor also agrees, at the discretion of the NHSLC, to assist the NHSLC in all transition services.

For the purposes of this paragraph, the Contractor shall be known as the old (“old”) and the new contractor shall be known as new (“new”). The NHSLC, in conjunction with both “old” and “new” contractors, shall establish a deadline for the Transition. The NHSLC will, if possible, select a period during a time of slow sales (such as January-March) and schedule as short a period as is practical for the Transition from the “old” to the “new” contractors. Notification of the deadline will be given within a reasonable period, to be arranged with the old and new contractors at award.

27. News Releases

After award and final approval, the Contractor may make public the existence of the contract and the business relationship with the NHSLC. All other information must be approved by the NHSLC before it is made public, such approval not to be unreasonably withheld.

28. Confidentiality/Sensitive Information

Contractor may have access to confidential/sensitive information in the course of performing its obligations under the contract, and may be required to sign a mutually agreed upon confidentiality agreement.

29. Extension of Contract

This contract may be extendable by the NHSLC for no more than two (2), five (5) year periods, unless a shorter period is negotiated between the parties. The NHSLC shall give the Contractor one (1) year’s notice of its decision to offer an extension. Following said notice, the Contractor and the NHSLC shall have four (4) weeks to negotiate new rates for the extension period. If the Parties do not reach agreement on Rates for the extension period within the four (4) week period, the NHSLC will notify the Contractor of its intention not to renew or in its discretion extend the time to negotiate.
