Board of Medicine  
Concord, New Hampshire**

In the Matter of:  
Kenneth Leong, M.D.  
License No.: 13774  
(Adjudicatory/Disciplinary Proceeding)

Docket No. 12-16

**ORDER**

Pending before the New Hampshire Board of Medicine ("the Board") is the adjudicatory/disciplinary proceeding in the Matter of Kenneth Leong, M.D. ("Dr. Leong") based on Dr. Leong's failure to cooperate with a Board investigation. At the Board's regularly scheduled February 2013 meeting, the Board reviewed three documents: (1) a letter from Dr. Leong to his legal counsel, Attorney Murdough, dated January 22, 2013; (2) a letter from Attorney Murdough to Hearing Counsel, Attorney Mavrogeorge, dated January 25, 2013; (3) a memorandum from Attorney Mavrogeorge to the Board, dated January 28, 2013. The letter from Attorney Murdough requests:

"that the Board dismiss the pending Notice of Hearing regarding an alleged failure to cooperate and allow Dr. Leong to respond to the claim and the Board to continue its investigation of that claim in the routine course provided by RSA 329:18."

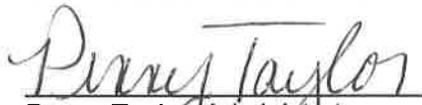

At the February 2013 meeting, the Board voted to suspend the hearing regarding Dr. Leong until the investigation of the underlying medical case is complete. The Board voted that, at that time, the Board will evaluate the need to reschedule a hearing in this matter, and if so, the hearing will be rescheduled at that time. Since that time, the underlying medical case has been completed.

The Board, at its July 3, 2013 meeting, voted to dismiss the adjudicatory/disciplinary proceeding in Docket No. 12-16.

To be clear, the Board does not condone Dr. Leong's failure to cooperate with a Board investigation. Nevertheless, in accordance with the Medical Practice Act, RSA chapter 329, the primary purpose of the Board is to protect the public. Further public exposure would not be in the best interest of the parties involved in these proceedings.

**THEREFORE IT IS ORDERED** that the adjudicatory/disciplinary proceeding in Docket No. 12-16 is DISMISSED.

BY ORDER OF THE BOARD/\*

Authorized Representative of the  
N.H. Board of Medicine

Dated: July 9, 2013
