Re: David Allan York MD # 9293

I spoke with Dori Tothill this am about my having been charged with a crime of possessing sexually explicit material involving children under twelve years of age.

I thus am acting on my intention to submit my license to the Board in temporary surrender of license pending resolution of this matter, to be effective 3-26-2010, & I would like to state that this offense involved internet activity only, I would like to assure the Board that I have never acted or behaved in an inappropriate fashion with any patient, or other person of any age in my practice or in my private life.

I regret the embarrassment and inconvenience I've caused the Board and the Medical Profession.

Sincerely,

DAVID A YORK MD
