Governor Hassan's Statement on Confirmation of Jeffrey Meyers as Commissioner of Department of Health and Human Services

CONCORD - Following today's bipartisan vote by the Executive Council to confirm Jeffrey Meyers of Concord as Commissioner of the Department of Health and Human Services, Governor Maggie Hassan issued the following statement:

"Jeffrey Meyers is vastly experienced in working with all relevant stakeholders to develop and implement complex health care initiatives, and I applaud the Executive Council for their bipartisan confirmation vote. As Commissioner of the Department of Health and Human Services, Jeff's leadership will be critical to reauthorizing and continuing the success of our bipartisan health care expansion plan and strengthening our efforts to combat substance abuse. I thank Jeff for his willingness to accept the important responsibility of leading our state's largest department, and I look forward to continuing to work with him, members from both parties and people throughout the medical community on the priorities that are critical to the health and well-being of our people and families."
