Governor Hassan's Statement on Confirmation of Donald Kreis as Consumer Advocate

CONCORD – Governor Maggie Hassan issued the following statement after the Executive Council confirmed Donald Kreis as Consumer Advocate in a unanimous vote:

“The consumer advocate’s office is critical to ensuring that the Public Utilities Commission fulfills its charge of balancing the interests of ratepayers and utilities, doing important work to protect consumers and ensuring that our families and businesses receive safe, affordable and reliable utility services,” Governor Hassan said. “With a wide range of experience and legal expertise on issues concerning energy and utilities, Donald Kreis will be an effective Consumer Advocate who helps ensure that the interests of New Hampshire’s utility ratepayers are well represented, and I applaud the Executive Council for their unanimous confirmation of Donald to take on this important responsibility.”
