CONCORD – Governor Maggie Hassan issued the following statement on the House Finance Committee's bipartisan vote to reauthorize the New Hampshire Health Protection Program:

"It is clear that our bipartisan New Hampshire Health Protection Program is getting results for our people and businesses and boosting our economy, while also strengthening our efforts to combat the heroin and opioid crisis and help save lives. The House Finance Committee's vote is another step forward, and I will continue to work with members of both parties to reauthorize this critical program."
