### Governor Hassan's Statement on Shooting of Two Manchester Police Officers

CONCORD - Governor Maggie Hassan issued the following statement today after two Manchester Police officers were shot early Friday morning in Manchester:

"I am thankful for the bravery and service of these two Manchester police officers who courageously put their lives on the line early this morning, as all of our public safety officers do every day, to protect their fellows citizens and to keep our communities and our state safe. I have spoken with them both and am grateful that they are expected to recover. My thoughts are with them and their families, and I join all Granite Staters in wishing them a speedy and full recovery."
