### Governor Hassan's Statement on the Passing of AmeriCorps Student Conservation Association Member

CONCORD - Governor Maggie Hassan issued the following statement on the passing of Reed McWilliams, an AmeriCorps member from Bethel, Alaska, serving in New Hampshire with the Student Conservation Association:

"Tom and I were deeply saddened to learn of the tragic death of Reed McWilliams, who came to New Hampshire from Alaska to serve with AmeriCorps and the Student Conservation Association. This young man had dedicated himself to giving to others, setting a strong example of the spirit of civic engagement that helps define and strengthen our great nation. The people of New Hampshire are mourning Reed's loss, which came far too soon, and our hearts are with his family, loved ones, fellow AmeriCorps members and community back in Alaska."
