### Governor Hassan's Statement on Attacks in New York City and Minnesota

CONCORD – Governor Maggie Hassan issued the following statement on attacks in New York City and Minnesota this weekend:

"My heart goes out to the people of Minnesota, New York and New Jersey following this weekend's attacks. While there is no known or immediate threat to New Hampshire, the Department of Safety and New Hampshire Homeland Security and Emergency Management will continue to work with federal and local public safety officials to monitor the situation closely and keep Granite Staters safe. We must all continue working together to remain vigilant and to redouble our efforts to wipe out terrorism wherever it is."
