Governor Hassan's Statement on the Passing of Former State Representative Angeline Kopka

CONCORD – Governor Maggie Hassan issued the following statement on the passing of former state Representative Angeline Kopka:

"Having served in the New Hampshire House of Representatives for five terms, Angie Kopka embodied the spirit of civic engagement that we are known for in the Granite State, exemplifying strength and perseverance throughout her entire time in the State House. Through her work with various community organizations, including the Nashua Center, she helped build on our state's long history of inclusiveness, further representing her legacy of service to others that will endure and serve as an example for generations to come. Tom and I join Angie's family, loved ones, the greater Nashua community and people across the state in mourning her loss."
