Covid-19 Updates

All projects must be able to be completed while following the New Hampshire health and safety guidelines related to the COVID-19 pandemic.

Making the Project Accessible to All

Recipients of public funding are required to make reasonable efforts for projects to be accessible to the public. Applicants should consider physical and programmatic accessibility as an integral part of the planning and budgeting process. Accessibility involves both the location (the facility) and the content (the activity or product). Thinking about accessibility issues in the early design and planning stages of a project (e.g., accessible websites, sign language interpreters, recordings of printed materials, audio-description describers, or large-print labeling) is key to ensuring that persons with disabilities will be able to participate. For information and resources, see Making Your Programs and Services Accessible on the NHSCA website.

HOW TO APPLY

Applicants are strongly encouraged to attend a grant information session, view the instructional videos and discuss proposals with the grant coordinator before writing and submitting applications. Applicants should also review the legal and reporting requirements for NHSCA grant funding.

Drafts of narrative questions and budgets may be reviewed if submitted by email at least two weeks in advance of the application deadline. First time applicants are especially encouraged to submit drafts.

Submitting the Application

NHSCA uses an online application system, Submittable. Please visit the grant page for instructions. The online system cannot be used to submit drafts. Error and omissions may affect a panel’s evaluation of the application, so please follow instructions and prepare the application carefully. We recommend you keep a copy for your files.

**Artist Entrepreneurial Grants**

Opportunities occurring between July 1, 2023 – June 30, 2024

**Deadlines:** May 5, August 4 and November 3, 2023, and February 2, 2024

Applications must be submitted by 11:59 PM ET

---

**Deadlines**

Applications must be completed by 11:59 PM Eastern Time on the deadline date. Late applications will not be accepted. The Council cannot accept applications transmitted by email and is not responsible for uncompleted online applications.

---

**REVIEW PROCESS**

Awards are based on a competitive internal review process. Each application will be reviewed on its own merits and against others in the application pool, and equitable geographic distribution of awards will be considered. Limited funds are available. Funding recommendations are forwarded to the State Arts Councilors, a volunteer 15-member advisory council appointed by the governor, for review and approval. If the individual’s cumulative total of grants received from the State Arts Council for that fiscal year (July 1 - June 30) is $5,000 or more, the grant recommendation must also be submitted to the Governor and Executive Council for approval. All awards are subject to the availability of state and federal funds. Please plan cash flow accordingly.

---

**RECEIVING AN AWARD**

**Notification of Award**

No formal announcement regarding a funding decision and/or grant amount will be sent to any applicant until after the Council meeting (meeting dates are listed on the NHSCA website) after the grant panel review. At that time applicants will receive official notification of the Council’s action and panelist comments. Whether or not a grant is awarded, these comments should help in the development of future applications. This notification may take up to 10 weeks after the application deadline.

Please note if you are awarded and accept this grant, the applicant and grant details will be listed in the relevant Fiscal Year Grant Report in order for us to be transparent about how public grant funds were expensed. If you have any questions, please reach out to the grants coordinator.

---

**Payment**

NHSCA disburses funds appropriated from public sources, both federal and state. Checks are issued by Administrative Services of the State of NH, not the Department of Natural and Cultural Resources or NHSCA. Upon receipt of properly executed grant forms, the State of New Hampshire generally pays grants under $10,000 to grantees within four to six weeks. If an individual is awarded $5,000 or more or has received other NHSCA funds which bring the cumulative total received for that fiscal year (July 1 - June 30) to $5,000 or above, grants must be approved by Governor and Executive Council; consequently, payment can take up to 10 weeks. All awards are subject to availability of state and federal funds. Please plan cash flow accordingly.

**Important:** All grant agreements must be returned within 60 days of award date. Failure to return the grant agreement by that date could result in cancellation of the grant and reallocation of funds. Payment of a grant will be withheld if final reports for previous grants are not in compliance with policy below.

the original application.

Changes must be approved prior to implementation. Amendments or change requests are considered on a case-by-case basis, and approval is not guaranteed. Until you receive written approval from the grants coordinator, you may only incur costs consistent with the terms and conditions of the awards in effect at the time of your request. The Arts Council has the right to request additional information, such as an update on specific activities including a revised budget or itemized list of actual expenditures, as needed. All financial records, supporting documents, statistical records and all other non-federal entity records pertinent to your grant award must be retained for a period of four years.

GRANT PERIOD AND REPORTING

A final report is due 30 days after the completion of your project, but no later than July 31, 2022. An extension of up to three months may be requested. The request for extension must be made in writing to the grant coordinator before the deadline for filing has passed and should briefly note why the extension is necessary and the date the report will be submitted. Failure to submit the final report by the required date will result in the individual becoming ineligible to apply for NHSCA funding for two years. Additionally, failure to submit the final report may result in a withholding of funds from any currently awarded NHSCA grant.

NARRATIVE QUESTIONS
The total narrative portion of the application should not exceed two typed pages. Margins (not less than 1 inch), fonts (not smaller than 12 point), and spacing should provide easy reading for the reviewers. Please respond to the following questions in the order in which they appear.

1. What percentage of your income for the previous calendar year came directly from your creative practice?

   b. Why did you choose this particular professional?
   c. If contracting for marketing materials, website, ecommerce or social media, what is the plan for the maintenance and updating?
   d. What is the plan for making the materials accessible according to standard practices that adhere to ADA?

Budget Tips
- Please use the budget form provided for this program and watch the video tutorial before you begin.
- **No cash match is required for FY24** but your budget should reflect the total cost of your opportunity. Depending on the cost of your opportunity, your budget may be larger than the amount you are requesting. In such a case you are responsible for the difference. Example: you have been invited to take a master class in your artistic field. The total cost of the opportunity is $2,800. Because the maximum amount you can ask for is $1,000, you are responsible for the remaining $1,800.
- If your opportunity includes travel, please use [this tool](#) to calculate travel per diems for the state/city you will be traveling to.
