Arts for Community Engagement (ACE) project grants support community enrichment and public benefit by providing access to high quality arts events and activities presented by community-based organizations, Main Street programs, and municipalities. The ACE grant supports a wide range of activities across a range of disciplines and includes performances, concerts, exhibits, workshops, community arts programming, and collaborative public art projects. The goals of this funding category are to engage and benefit New Hampshire residents and communities through the arts, especially people who are underserved or under-represented; encourage collaborative and cross-sector community partnerships; stimulate local economies through cultural tourism and the arts; and enhance the vibrancy of New Hampshire communities and quality of life for New Hampshire citizens.

**GRANT REQUIREMENTS**

*Projects funded in this category are required to:*

- Clearly articulate a plan that centers community engagement and public benefit.
- Demonstrate artistic quality across all components of the project.

- Foster deep connections and involvement from the community/ies, organizations, and artists in project conception, development, and execution.
- Incorporate the direct participation of an artist as a core element of the project.
- Compensate artists at a professional level.

*Projects funded in this category are strongly encouraged to:*

**Making the Project Accessible to All**

Recipients of public funding are **required** to make reasonable efforts for projects to be accessible to the public. Applicants should consider physical and programmatic accessibility as an integral part of the planning and budgeting process. Accessibility involves both the location (the facility) and the content (the activity or product). Thinking about accessibility issues in the early design and planning stages of a project (e.g., accessible websites, sign language interpreters, recordings of printed materials, audio-description, or large-print labeling) is key to ensuring that persons with disabilities will be able to participate. For information and resources, see [Making Your Programs and Services Accessible](https://www.nhscarts.org/making-your-programs-and-services-accessible) on the NHSCA website.

**HOW TO APPLY**

Applicants are strongly encouraged to participate in one of the State Arts Council’s [grant information sessions](https://www.nhscarts.org/grant-information-sessions) and discuss their proposals with the appropriate grant coordinator before writing and submitting applications. Applicants should also review the [legal and reporting requirements](https://www.nhscarts.org/legal-and-reporting-requirements) relevant to State Arts Council grants. The grant program coordinator will review and provide feedback on drafts of narrative questions and budgets if submitted **by email at least two weeks prior to the application deadline**. First time applicants are especially encouraged to submit drafts.

If the organization’s cumulative total of grants received from the State Arts Council for that fiscal year (July 1 - June 30) is $10,000 or more, the grant recommendation must also be submitted to the Governor and Executive Council for approval. Errors and omissions may affect a panel's evaluation of your application, so please follow instructions and prepare your application carefully.
