

Traditional Arts and Folklife Listing

Deadline: Applications are accepted year-round on a rolling basis

The [Traditional Arts & Folklife Listing](#) is a directory of traditional artists, community scholars, and folklorists who are available for performances, demonstrations, workshops, and other community-based presentations in New Hampshire. The Traditional Arts and Folklife Listing is a resource for arts organizations, museums, community groups, schools, and other groups that want to include traditional arts and artists in their programs and for artists who wish to present their traditions in community settings. The Listing provides information about the artist, their traditional art form, and types of presentations offered.

What are Traditional Arts?

Traditional arts are artistic activities such as music, dance, and crafts that are passed down from one generation to the next within communities and are regarded by the community as part of their heritage. Communities can be defined in many ways, such as groups that share the same ethnic heritage, language, geographic area, religion, occupation, or way of life. The State Council on the Arts Heritage and Traditional Arts Program seeks to be responsive to how communities define themselves and their traditions. We place emphasis on supporting tradition bearers that have a direct connection to the community or group from which a tradition emerged.

Who May Apply

- **Traditional artists** active in any craft, music, or dance form representing any cultural or ethnic tradition in New Hampshire may apply to be on the Listing. Traditional artists residing in neighboring states of Vermont, Maine and Massachusetts may apply and be accepted if they represent a tradition not currently included in the Listing.
- **Cultural specialists and folklorists** who want to work with community-based organizations in the development and implementation of programs focused on folklife and traditional arts.
- **Master traditional artists** who receive a [Traditional Arts Apprenticeship grant](#) are automatically invited to join the Listing.
