

Fox Research & Demonstration Forest Timber Sale Walk- Tuesday June 9th, 5-7 pm

Are you interested in learning more about an upcoming Fox Forest timber sale? Come meet with the NH Division of Forests and Lands, Fox Program Forester Inge Seaboyer and Regional Forester Scott Rolfe. The upcoming sale will include pre-salvage of red pine near Fox Forest HQ, so the walk will start at 5 pm with a parking lot discussion of Red Pine Scale, an invasive pest first found in New Hampshire in 2012. Then, after a short introduction to the timber sale, we will be heading out into the woods and see what is planned for the project area. The walk will occur rain, or shine, so please dress accordingly and wear the appropriate footwear for being out in the woods!

Due to Covid 19 protocols and procedures, you must pre-register to attend this timber sale walk. There will be a limit of 8 attendees. Register by Monday June 8th by contacting Robin Trombley at (603) 271-2214 or email Robin.Trombley@dncr.nh.gov.

If pre-registration is at capacity, a second timber sale walk will be scheduled.

For more information, contact Inge Seaboyer @ 603-464-3453 or foxforest@dncr.nh.gov
