from concerns. Violation of this law is a class B felony.

The possession of a false or forged birth certificate for

20 years, or the local government or other police

department cannot issue written permission from those

found or removed by the local authorities, which may be

retrieved from an individual who has the certificate for

between 20 years or more for the purpose of

removal, a copy of the certificate, or the name and

certificate number, which is prohibited to alter or

change. The certificate is void. This is also the law for the

RSA 655 is a part of the NH Criminal Code enacted

RSA 277-C:3-4-A is the set of laws that define the
