<tr>

</tbody>
</table>

1.2. The NH Department of Corrections will use a scoring scale of 100 points, a maximum of 55 points awarded based on the Technical Proposal and a maximum of 45 points awarded based on the Cost Proposal.

1.3. The NH Department of Corrections will select a Proposer based upon the criteria and standards contained in this RFP and from applying the weighting in this section. Reference checks, to the extent they are utilized by the NH Department of Corrections, will be used to refine and finalize scores.

2. Proposal Review

2.1. NH Department of Corrections shall conduct an objective review of the proposal(s) received in response to this RFP. The evaluation will be based on the demonstrated capabilities and skill of the prospective Vendor in relation to the needs of the services to be provided as set forth in this RFP.

2.2. NH Department of Corrections shall not review proposals that reduce the Department’s current functions.

2.3. NH Department of Corrections reserves the right to accept or reject any proposal and to waive any minor irregularities as determined by the NH Department of Corrections in any proposal.

2.4. NH Department of Corrections reserves the right to cancel this RFP in whole or in part upon written or published notice of intent to do so, or solicit new Proposals under a new acquisition process. Financial responsibility for the preparation, work performed and submission of proposals shall be the sole responsibility of the Proposer and the NH Department of Corrections shall not be held liable for any such costs.

2.5. If the NH Department of Corrections determines to make an award based on the above criteria, the Department may notify the selected Proposer(s). Should the NH Department of Corrections be unable to reach an agreement with a selected Proposer(s) during Contract discussions, the
NH Department of Corrections may then undertake Contract discussions with the next preferred Proposer and so on, or the NH Department of Corrections may reject all proposals, cancel this RFP, or solicit new Proposals under a new acquisition process.

3. Planned Evaluations
NH Department of Corrections plans to use the following process:

3.1. Initial/Procedural Screening of Technical Proposals;
3.2. Preliminary Technical Scoring of Proposals;
3.3. Final Technical Scoring of Proposals;
3.4. Cost (Standard Terms and Conditions Proposal) Proposal Review;
3.5. Best and Final Offer (If Applicable); and
3.6. Final Selection.

4. Initial/Procedural Screening of Technical Proposals
NH Department of Corrections will conduct an initial/procedural screening step to verify Proposer compliance with the submission requirements set forth in this RFP and to confirm that the Technical Proposal satisfies the conditions defined in SECTION E: Content and Requirements for a Proposal.

4.1. The NH Department of Corrections may waive or offer a limited opportunity to cure immaterial deviations from the RFP requirements if it is determined to be in the best interest of the State.

4.2. Cost Proposals will remain sealed during the Initial/Procedural Screening.

5. Preliminary Technical Scoring of Proposals
NH Department of Corrections will establish an evaluation team to initially score the Technical Proposals. This evaluation team will review the technical proposals and give a preliminary score to the Technical Proposals under the guidelines set forth in SECTION F: Evaluation of Proposals. Should a Proposer fail to achieve 35 points in the preliminary scoring, it will receive no further consideration from the evaluation team and the Proposer’s Cost Proposal will be returned unopened. Cost Proposals within the Standard Terms and Conditions Proposals will remain sealed during the Technical Scoring of Proposals.

6. Final Technical Scoring of Proposals
Following Reference Checks and review of written clarifications of Proposal(s), if applicable, the evaluation team will determine a final score for each Technical Proposal(s).

The NH Department of Corrections utilizes a consensus scoring methodology to evaluate submitted proposals. Each final proposal will be evaluated by an open forum of discussion/debate by the evaluation committee. The proposals will be scored comparing the Proposer’s proposal to the evaluation criteria and specifications defined in this RFP. Only the consensus score sheet will be used to designate the point value assigned to each proposal.

7. Initial/Procedural Screening of Standard Terms and Conditions Proposals
NH Department of Corrections will conduct an initial/procedural screening step to verify Proposer compliance with the submission requirements set forth in this RFP and to confirm that the Technical Proposal satisfies the conditions defined in SECTION E: Content and Requirements for a Proposal.

8. Cost Proposal Review
Cost Proposals will be reviewed upon completion of the final technical scoring of proposals. The Proposer’s Cost Proposal will be allocated a maximum potential score of 45 points. Proposers are
advised that this is **not** a low bid award and that the scoring of the cost proposal **will** be combined with the scoring of the technical proposal to determine the overall highest scoring proposal.

8.1. The following will be used to assign points for costs:

8.2. For the purpose of use of this formula, the lowest proposed prices is defined as the lowest price proposed by a Proposer.

<table>
<thead>
<tr>
<th>Proposer’s Price Score = (Lowest Proposed Price/Proposer’s Price Score) X Weighted Points Assigned</th>
</tr>
</thead>
</table>

9. **Best and Final Offer (BAFO)**

   NH Department of Corrections may, at its sole option, invite the highest scoring Proposer(s) to submit a “Best and Final Offer” for the Department’s consideration. The NH Department of Corrections reserves the right to select the Proposer based solely on the initial proposal(s) and is under no obligation to solicit or accept a BAFO from any proposer(s). As the Department may not request a BAFO, Proposers are encouraged to provide their most competitive prices in their initial proposals.

9.1. The BAFO is a one-time invitation only process for a Proposer to submit its lowest priced offer for the Department’s consideration.

9.2. NH Department of Corrections will provide a deadline submission date for the BAFO.

9.3. NH Department of Corrections may communicate in writing any price/cost targets that the Department is seeking in a BAFO. If such target(s) is provided, the Department will do so uniformly to all Proposers selected to participate in the BAFO.

9.4. All restriction on contact with State employees outlined in SECTION D: Process for Submitting a Proposal.

9.5. Each invited Proposer shall only make one BAFO. The BAFO shall not alter the substance of the Proposer’s Technical Proposal. The BAFO may only amend the Proposer’s initial price proposal.

9.6. To the extent the NH Department of Corrections solicits and receives a BAFO pursuant to this section, the Department will re-score the BAFO price proposals after review of the BAFO in accordance with SECTION F: Evaluation of Proposals. The NH Department of Corrections will not select a Proposer based on the lowest priced BAFO proposal. A final selection, if any, shall be based on the combined score of the technical proposal and BAFO cost proposal. Only those Proposers who were invited to submit a BAFO will be considered for an award.

10. **Final Selection**

   NH Department of Corrections will conduct a final selection based on the final evaluation of the initial proposals or, if requested, as a result of the BAFO and begin contract negotiations with the selected Proposer(s).

11. **Rights of the NH Department of Corrections**

   NH Department of Corrections reserves the right to:

   11.1. Make independent investigations in evaluating Proposals;
   11.2. Request additional information to clarify elements of a Proposal;
   11.3. Waive minor or immaterial deviations from the RFP requirements, if determined to be in the best interest of the State;
   11.4. Omit any planned evaluation step if, in the Department’s view, the step is not needed;
   11.5. At its sole discretion, reject any and all Proposals at any time; and
11.6. Open contract discussion with the second highest scoring Proposer and so on, if the Department is unable to reach an agreement of Contract terms with the higher scoring Proposer(s).

SECTION G: Terms and Conditions Related to the RFP Process

1. RFP Addendum

The NH Department of Corrections reserves the right to amend this RFP at its discretion, prior to the Proposal submission deadline. In the event of an addendum to this RFP, the Department, at its sole discretion, may extend the Proposal submission deadline, as it deems appropriate.

2. Non-Collusion

The Proposer’s signature on a Proposal submitted in response to this RFP guarantees that the prices, terms and conditions, and work quoted have been established without collusion with other Proposers and without effort to preclude the NH Department of Corrections from obtaining the best possible competitive Proposal.

3. Property of the State

All material received in response to this RFP shall become the property of the State and will not be returned to the Proposer. Upon Contract award, the State reserves the right to use any information presented in any Proposal.

4. Confidentiality of a Proposal

Unless necessary for the approval of a contract, the substance of a Proposal must remain confidential until the Effective Date of any Contract resulting from this RFP. A Proposer’s disclosure or distribution of Proposals other than to the Agency will be grounds for disqualification.

5. Public Disclosure

Pursuant to RSA 21-G:37, all responses to this RFP shall be considered confidential until the award of a contract. At the time of receipt of proposals, the Agency will post the number of responses received with no further information. No later than five (5) business days prior to submission of a contract to the Department of Administrative Services pursuant to this RFP, the Agency will post the name, rank or score of each proposer. In the event that the contract does not require Governor & Executive Council approval, the Agency shall disclose the rank or score of the Proposals at least five (5) business days before final approval of the Contract.

The content of each Proposer’s Proposal shall become public information upon the award of any resulting Contract. Any information submitted as part of a response to this request for proposal (RFP) may be subject to public disclosure under RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFP will be made accessible to the public online via the website Transparent NH (http://www.nh.gov/transparentnh). However, business financial information and proprietary information such as trade secrets, business and financial models and forecasts, and proprietary formulas may be exempt from public disclosure under RSA 91-A:5, IV. If you believe any information being submitted in response to this request for proposal, bid or information should be kept confidential as financial or proprietary information; you must specifically identify that information in a letter to the agency, and must mark/stamp each page of the materials that you claim must be exempt from disclosure as “CONFIDENTIAL”. A designation by the Proposer of information it believes exempt does not have the effect of making such information exempt. The Agency will determine the information it believes is properly exempt from disclosure. Marking of the entire Proposal or entire sections of the Proposal (e.g. pricing) as confidential will
neither be accepted nor honored. Notwithstanding any provision of this RFP to the contrary, Proposer pricing will be subject to disclosure upon approval of the contract. The Agency will endeavor to maintain the confidentiality of portions of the Proposal that are clearly and properly marked confidential.

If a request is made to the Agency to view portions of a Proposal that the Proposer has properly and clearly marked confidential, the Agency will notify the Proposer of the request and of the date the Agency plans to release the records. By submitting a Proposal, Proposers agree that unless the Proposer obtains a court order, at its sole expense, enjoining the release of the requested information, the Agency may release the requested information on the date specified in the Agency’s notice without any liability to the Proposers.

6. **Non-Commitment**
Notwithstanding any other provision of this RFP, this RFP does not commit the Agency to award a Contract. The Agency reserves the right, at its sole discretion, to reject any and all Proposals, or any portions thereof, at any time; to cancel this RFP; and to solicit new Proposals under a new acquisition process.

7. **Proposal Preparation Cost**
By submitting a Proposal, a Proposer agrees that in no event shall the Agency be either responsible for or held liable for any costs incurred by a Proposer in the preparation of or in connection with the Proposal, or for Work performed prior to the Effective Date of a resulting Contract.

8. **Ethical Requirements**
From the time this RFP is published until a contract is awarded, no bidder shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFP, or similar submission. Any bidder that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. Any bidder who has been convicted of an offense based on conduct in violation of this section, which has not been annulled, or who is subject to a pending criminal charge for such an offense, shall be disqualified from bidding on the RFP, or similar request for submission and every such bidder shall be disqualified from bidding on any RFP or similar request for submission issued by any state agency. A bidder that was disqualified under this section because of a pending criminal charge which is subsequently dismissed, results in an acquittal, or is annulled, may notify the Department of Administrative Services, which shall note that information on the list maintained on the state’s internal intranet system, except in the case of annulment, the information, shall be deleted from the list.

9. **Challenges on Form or Process of the RFP**
Any challenges regarding the validity or legality of the form and procedures of this RFP, including but not limited to the evaluation and scoring of Proposals, shall be brought to the attention of the Agency at least ten (10) business days prior to the Proposal Submission Deadline. By submitting a proposal, the Proposer is deemed to have waived any challenges to the agency’s authority to conduct this procurement and the form and procedures of this RFP.
SECTION H: Contract Terms and Award

1. Non-Exclusive Contract
Any resulting Contract from this RFP will be a non-exclusive Contract. The State reserves the right, at its discretion, to retain other Contractors to provide any of the Services or Deliverables identified under this procurement or make an award by item, part or portion of an item, group of items, or total Proposal.

2. Award
The solicitation of this RFP shall not commit the NH Department of Corrections to award a contract. If the NH Department of Corrections decides to award a contract as a result of this RFP process, any award is contingent upon approval of the Contract by Governor and Executive Council of the State of New Hampshire and upon continued appropriation of funding for the contract.

3. Standard Contract Terms
The NH Department of Corrections will require the successful bidders to execute a Firm Fixed Price/Not to Exceed Contract using the Standard Terms and Conditions of the State of New Hampshire, which is attached as Appendix C – Standard Terms and Conditions.

The Term of the Contract will be for two (2) years from the date of approval. The contract term may be extended by an additional term of up to two (2) years at the sole option of the State, subject to the parties’ prior written agreement on terms and applicable fees for each extended term contingent upon satisfactory Vendor performance, continued funding and Governor and Executive Council approval.

To the extent that a Proposer believes that exceptions to the standard form contract will be necessary for the Proposer to enter into the Agreement, the Proposer should note those issues during the Proposer Inquiry Period. The NH Department of Corrections will review requested exceptions and accept, reject or note that it is open to negotiation of the proposed exception at its sole discretion. If the NH Department of Corrections accepts a Proposer’s exception the Department will, at the conclusion of the inquiry period, provide notice to all potential proposers of the exceptions, which have been accepted and indicate that exception is available to all potential proposers. Any exceptions to the standard form contract that are not raised during the proposer inquiry period are waived. In no event is a Proposer to submit its own standard contract terms and conditions as a replacement for the State’s terms in response to this solicitation.

Appendix B – Exception to Terms and Conditions
Exception to Terms and Conditions

A Responder shall be presumed to be in agreement with the Terms and Conditions of RFP NHDOC 21-06-GFMED Optometry Services and the Standard Terms and Conditions in Appendix C – Standard Terms and Conditions unless the Responder takes specific exception to one or more of the conditions on this form. Responders are cautioned that by taking any exception they may be materially deviating from the RFP specifications. If a Responder materially deviates from a RFP specification, its Proposal may be rejected.

A material deviation is an exception to a specification, which 1) affords the Responder taking the exception a competitive advantage over other Responders or 2) gives the State something significantly different than the NH Department of Corrections requested.

INSTRUCTIONS: Responders must explicitly list all exceptions to the NH Department of Corrections concerning the Terms and Conditions of RFP NHDOC 21-06-GFMED Optometry Services and the Standard Terms and Conditions in Appendix C – Standard Terms and Conditions. Whether or not exceptions are taken, the Responder must SIGN this form and submit it as part of organization’s Proposal response. (Add additional pages if necessary).
