SECTION H: Terms and Conditions Related to the RFQ Process

1. RFQ Addendum
The NH Department of Corrections reserves the right to amend this RFQ at its discretion, prior to the Proposal submission deadline. In the event of an addendum to this RFQ, the Department, at its sole discretion, may extend the Proposal submission deadline, as it deems appropriate.

1.1. If the NH Department of Corrections decides to amend or clarify any part of this RFQ, a written addendum shall be provided to all Vendors published on the NHDOC’s website and will services as a Public Notice: https://www.nh.gov/nhdoc/business/rfp.html.

2. Non-Collusion
The Proposer’s signature on a Proposal submitted in response to this RFQ guarantees that the prices, terms and conditions, and work quoted have been established without collusion with other Proposers and without effort to preclude the NH Department of Corrections from obtaining the best possible competitive Proposal.

3. Property of the State
All material received in response to this RFQ shall become the property of the State and will not be returned to the Proposer. Upon Contract award, the State reserves the right to use any information presented in any Proposal.

4. Confidentiality of a Proposal
Unless necessary for the approval of a contract, the substance of a Proposal must remain confidential until the Effective Date of any Contract resulting from this RFQ. A Proposer’s disclosure or distribution of Proposals other than to the Agency will be grounds for disqualification.

5. Public Disclosure
Pursuant to RSA 21-G:37, all responses to this RFQ shall be considered confidential until the award of a contract. At the time of receipt of proposals, the Agency will post the number of responses received with no further information. No later than five (5) business days prior to submission of a contract to the Department of Administrative Services (DAS) pursuant to this RFQ, the Agency will post the name, rank, or score of each proposer. In the event that the contract does not require Governor & Executive Council approval, the Agency shall disclose the rank or score of the Proposals at least five (5) business days before final approval of the Contract.

The content of each Proposer’s Proposal shall become public information upon the award of any resulting Contract. Any information submitted as part of a response to this request for quote (RFQ) may be subject to public disclosure under RSA 91-A. In addition, in accordance with RSA 9-F:1, any contract entered into as a result of this RFQ will be made accessible to the public online via the website Transparent NH (http://www.nh.gov/transparentnh/). However, business financial information and proprietary information such as trade secrets, business and financial models and forecasts, and proprietary formulas may be exempt from public disclosure under RSA 91-A:5, IV. If you believe any information being submitted in response to this request for proposal, bid or information should be kept confidential as financial or proprietary information; you must specifically identify that information in a letter to the agency, and must mark/stamp each page of the materials that you claim must be exempt from disclosure as “CONFIDENTIAL”. A designation by the Proposer of information it believes exempt does not have the effect of making such information exempt. The Agency will determine the information it believes is properly exempt from disclosure. Marking of the entire Proposal or entire sections of the Proposal (e.g., pricing) as confidential will neither be accepted nor honored. Notwithstanding any provision of this RFQ to the contrary, Proposer
pricing will be subject to disclosure upon approval of the contract. The Agency will endeavor to maintain the confidentiality of portions of the Proposal that are clearly and properly marked confidential.

If a request is made to the Agency to view portions of a Proposal that the Proposer has properly and clearly marked confidential, the Agency will notify the Proposer of the request and of the date the Agency plans to release the records. By submitting a Proposal, Proposers agree that unless the Proposer obtains a court order, at its sole expense, enjoining the release of the requested information, the Agency may release the requested information on the date specified in the Agency’s notice without any liability to the Proposers.

6. Non-Commitment
Notwithstanding any other provision of this RFQ, this RFQ does not commit the Agency to award a Contract. The Agency reserves the right, at its sole discretion, to reject any and all Proposals, or any portions thereof, at any time; to cancel this RFQ; and to solicit new Proposals under a new acquisition process.

7. Proposal Preparation Cost
By submitting a Proposal, a Proposer agrees that in no event shall the Agency be either responsible for or held liable for any costs incurred by a Proposer in the preparation of or in connection with the Proposal, or for Work performed prior to the Effective Date of a resulting Contract.

8. Ethical Requirements
From the time this RFQ is published until a contract is awarded, no bidder shall offer or give, directly or indirectly, any gift, expense reimbursement, or honorarium, as defined by RSA 15-B, to any elected official, public official, public employee, constitutional official, or family member of any such official or employee who will or has selected, evaluated, or awarded an RFQ, or similar submission. Any bidder that violates RSA 21-G:38 shall be subject to prosecution for an offense under RSA 640:2. Any bidder who has been convicted of an offense based on conduct in violation of this section, which has not been annulled, or who is subject to a pending criminal charge for such an offense, shall be disqualified from bidding on the RFQ, or similar request for submission and every such bidder shall be disqualified from bidding on any RFQ or similar request for submission issued by any state agency. A bidder that was disqualified under this section because of a pending criminal charge which is subsequently dismissed, results in an acquittal, or is annulled, may notify the Department of Administrative Services, which shall note that information on the list maintained on the state’s internal intranet system, except in the case of annulment, the information, shall be deleted from the list.

9. Challenges on Form or Process of the RFQ
Any challenges regarding the validity or legality of the form and procedures of this RFQ, including but not limited to the evaluation and scoring of Proposals, shall be brought to the attention of the Agency at least ten (10) business days prior to the Proposal Submission Deadline. By submitting a proposal, the Proposer is deemed to have waived any challenges to the agency’s authority to conduct this procurement and the form and procedures of this RFQ.

SECTION I: Contract Terms and Award

1. Non-Exclusive Contract
   Any resulting Contract from this RFQ will be a non-exclusive Contract. The State reserves the right, at its discretion, to retain other Contractors to provide any of the Services or Deliverables identified under this procurement or make an award by item, part or portion of an item, group of items, or total Proposal.

2. Award
   The solicitation of this RFQ shall not commit the NH Department of Corrections to award a contract. If the NH Department of Corrections decides to award a contract as a result of this RFQ process, any award is contingent upon approval of the Contract by Governor and Executive Council of the State of New Hampshire.

3. Standard Contract Terms
   The NH Department of Corrections will require the successful bidders to execute a Contract using the Standard Terms and Conditions of the State of New Hampshire, which is attached as Appendix E – Standard Terms and Conditions (General Provisions) and additional contractual documents not referenced herein.

   The Term of the Contract will be for five (5) years from the date of approval. The contract term may be extended by an additional term of up to five (5) years at the sole option of the State, subject to the parties’ prior written agreement on terms and applicable fees for each extended term contingent upon satisfactory Vendor performance, continued funding and Governor and Executive Council approval.

   To the extent that a Proposer believes that exceptions to the standard form contract will be necessary for the Proposer to enter into the Agreement, the Proposer should note those issues during the Proposer Inquiry Period. The NH Department of Corrections will review requested exceptions and accept, reject, or note that it is open to negotiation of the proposed exception at its sole discretion. If the NH Department of Corrections accepts a Proposer’s exception the Department will, at the conclusion of the inquiry period, provide notice to all potential proposers of the exceptions, which have been accepted and indicate that exception is available to all potential proposers. Any exceptions to the standard form contract that are not raised during the proposer inquiry period are waived. In no event is a Proposer to submit its own standard contract terms and conditions as a replacement for the State’s terms in response to this solicitation.

2. SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT B which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.17, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.13 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including, without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. In addition, if this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all federal executive orders, rules, regulations and statutes, and with any rules, regulations and guidelines as the State or the United States issue to implement these regulations. The Contractor shall also comply with all applicable intellectual property laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 The Contractor agrees to permit the State or United States access to any of the Contractor’s books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State’s representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer’s decision shall be final for the State.

8.1.1 failure to perform the Services satisfactorily or on schedule; 
8.1.2 failure to submit any report required hereunder; and/or 
8.1.3 failure to perform any other covenant, term or condition of this Agreement. 
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions: 
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely cured, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination; 
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor; 
8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or 
8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both. 
8.3 No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor. 

9. TERMINATION. 
9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement. 
9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State’s discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B.
