Reference; Temporary change in visitation schedule
Effective September 9, 2022, until further notice

Date: September 9, 2022

Due to circumstances out of our control, we will be extending the alternative visitation schedule until further notice, unless otherwise indicated by the Warden/designee.

Video visitation will continue to be available on Saturdays AS STAFFING ALLOWS (Saturday requests must be submitted through an inmate request slip to Captain Armstrong two weeks in advance). All other video requests will be submitted to Ofc. Boudreau or Ofc. Lavoie.

Visitation normally held on Saturday will be held on Thursdays during hours indicated below. We have also adjusted the schedule to allow for increased opportunity for visitation for those impacted by the temporary loss of Saturday visitation.

We will continue to evaluate our ability to offer visitation during weekend hours. Once we can again offer weekend visitation hours, we will notify residents and the public in advance to allow time for families to make arrangements. We understand the importance of visitation for the residents and their families and loved ones and hope to resume to weekend visitations as soon as possible. We apologize for any inconvenience this may cause.

Respectfully

Warden Riendeau
