### **Tis the Season of Giving**

---

**(Concord, NH) – Cards for Kids and Coloring Books for Kids** originated through the Resident Communication Committee’s (RCC) Lifer & Long-term incarceration Subcommittee. This year the residents collected over 400 hand-drawn cards and created over 200 hand-drawn coloring books for the children of CHaD. The committee also made a Treasure Chest for the children so the staff at CHaD can hand out prizes when they play games with them. All materials were collected and donated by the residents of NHSP.

Lieutenant James Brown was delighted to coordinate and deliver the items on their behalf.

Lieutenant James Brown on behalf of the Resident Communication Committee’s (RCC) Lifer & Long-term incarceration Subcommittee presented Amie Marsh of CHaD with items made and donated by residents at the New Hampshire State Prison.
