UPDATE TO UNTIMELY DEATH AT NH STATE PRISON FOR MEN

Concord, NH – The New Hampshire Department of Corrections provides the following update on the untimely death previously announced on July 23, 2022. The resident is identified as Edward Hudson, age 66.

Mr. Hudson had recently returned from an area hospital. He was being monitored and receiving treatment in the health services center by facility medical staff. Staff witnessed Mr. Hudson become unresponsive and immediately initiated life-saving efforts, including cardiopulmonary resuscitation (CPR), using an automated external defibrillator (AED), and calling for an ambulance. Mr. Hudson was transported to an area hospital where he died.

The Office of the Chief Medical Examiner determined the cause of Mr. Hudson's death to be PEA cardiac arrest and GI bleed (blood loss), and the manner of death as normal.

Mr. Hudson was incarcerated on June 8, 2004, for one count of first-degree murder attempt and one count of second-degree murder attempt. Mr. Hudson had a sentence 28 years to life.
