EXECUTIVE COUNCIL CONFIRMS FALLON REED AS DIRECTOR OF PERSONNEL AND INFORMATION

Concord, NH – Ms. Fallon Reed is unanimously confirmed as Director of Personnel and Information for the New Hampshire Department of Corrections during the October 19, 2022, Governor & Council meeting. Governor Sununu nominated Reed on October 4, 2022.

Reed joins the Department of Corrections after providing nearly two decades of service with New Hampshire's Department of Safety. Much of her time is with the Division of Homeland Security and Emergency Management in roles including Assistant Chief of Operations, Chief of Mitigation and Recovery and most recently as the Chief of Community and School Readiness. Reed was instrumental in the state's early COVID-19 pandemic response and continues to support the COVID-19 response in the recovery phase.

"I am looking forward to Director Reed joining the Department of Corrections as she will make a wonderful addition to our management team. Her vast experience in state government coupled with her strong communication skills and ability to get things done will add tremendous value to our agency," said Commissioner Helen Hanks.

Please join us in welcoming Fallon Reed, Director of Personnel and Information. Her first day will be October 21, 2022.
