III. POLICY:
It is the policy of the Department of Corrections to allow inmates to send and receive correspondence, publications and property through the United States Postal Service or regulated parcel carriers, according to all applicable laws, policy and procedures and regulations.

second-class periodicals (newspapers, magazines, etc) or 3rd or 4th class or other bulk mail are withheld, that information will be posted in the units or blocks. When first class documents or packages are withheld, an inmate will be notified within ten (10) days of the date the mail was withheld. The written notice shall include:

a. Inmate name
b. Item description (letter or package)
c. Other contents, if any
d. Date the item was pulled
e. Reason why the item was pulled
f. The other person’s (sender’s or recipient’s) name

2. Incoming correspondence must use standard white copy, printer, or loose-leaf paper or standard stock blank postcards. The following forms of correspondence are therefore prohibited: (a) greeting cards; (b) postcards featuring any type of printed design, picture, or depiction; (c) any unusually thick paper or stationary.

3. Incoming correspondence must be written in pen or pencil. Incoming correspondence containing any marking(s) using anything other than a pen or pencil is prohibited. Incoming correspondence using any of the following is therefore prohibited: (a) marker; (b) crayon; (c) colored pencil; (d) glitter; (e) chalk; (f) lipstick; (g) sticker; (h) any type of adhesive material.

4. Incoming correspondence that contains any indicia of Suboxone or other drugs and contraband is prohibited. For example, a drawing or other writing that (a) uses unreasonable amounts of ink or pencil, (b) contains shaded areas, or otherwise masks portions of the paper in ink or pencil is prohibited.

5. Incoming correspondence may contain photocopies of colored pencil or crayon drawings, photocopies of paintings, or photocopies of greeting cards, provided that such correspondence does not violate any other provision of this policy.

6. Any visible discoloration/stain on the postcard or on the paper letter/document shall cause that mail to be rejected.

7. All stamps on any postcard shall be removed from the postcards prior to delivery to the inmate.

8. Information obtained from inspection of such mail will not be divulged, except as deemed necessary in conducting an investigation or judicial or quasi-judicial proceeding.

9. Any material provided to investigative agencies will be handled and processed as physical evidence in accordance with applicable laws and rules and regulations.

10. Incoming or outgoing inmate mail/magazines/books that meet any of the following criteria will be withheld. Obvious violations found by the mailroom or property room staff may be rejected immediately. The reason/s for the rejection shall be noted on the Rejected Material form (Attachment 1). Questionable material and appeals related to rejected material shall be forwarded to the LRC or Investigations for review, consistent with the notice provisions in IV A (4).

a. Descriptions or depictions of procedures for the construction or use of weapons, ammunition, bombs, incendiary devices, or other items that might constitute a security hazard.

b. Materials that depict, encourage, or describe methods of escape from correctional facilities, or contain blueprints, drawings or similar descriptions of locking devices of penal institutions,
and other materials that might assist escape.

c. Descriptions or depictions of procedures for brewing alcoholic beverages, or the use, procurement, and/or manufacture of drugs and drug contraband.

d. Any material that violates postal regulations, make unlawful threats, or attempts at blackmail or extortion.

e. Any material that contains contraband as defined by this policy or other regulations.

f. Any material pertaining to gambling or lottery instruction/facilitation.

g. Documents written in code or instructions on how to write in code.

j. Unauthorized solicitation of gifts or goods from a person other than the inmate’s family.

k. Any material or correspondence that relates to inmate/Prison organized groups/unions.

l. Correspondence constituting or contributing to the conduct or operation of a business, except correspondence necessary to protect the property or funds of the inmate during confinement or for educational purposes.

m. Contents that would, if transmitted, create a clear and present danger of violence and physical harm to persons or property, or severe psychiatric or emotional disturbance to an inmate.

n. Obscene material as determined and defined by the LRC, the Commissioner, or a court of law.

o. Inmate to inmate mail.

p. Sexually explicit and/or offensive material that would be detrimental to the treatment of inmates or that would encourage or educate inmates in deviant or unlawful sexual practices will be not permitted. Suspected detrimental material shall be reviewed by the sex offender treatment clinical staff member to confirm the decision to reject.

q. Security threat group correspondence or materials.

11. Mail forwarded to the Investigations Unit will be reviewed to determine the appropriate disposition.

a. Material that will become part of an official investigation will be retained as evidence. Both the sender and the intended recipient will be notified by Investigations staff within ten (10) working days that the material is being held as evidence, unless making the notification will jeopardize the investigation, in which case a written exception must be sought from the Director of Professional Standards or higher authority. In the event that the exception is not approved, the inmate will be given written notification within ten (10) days of the date of that decision or the mail will simply be forwarded to him/her.

b. Material that does not constitute a meaningful violation of paragraph 2 above will be returned to the Mail Officer with instructions to forward it to the addressee or to reject it. If the material is held less than ten (10) days, it shall simply be forwarded to the inmate.

c. Inmate to inmate mail may be retained by the Investigations Unit and is not subject to the notification requirement. Facilitators of unauthorized inmate to inmate mail may be subjected to disciplinary actions.

e. Drivers Licenses

f. Non-Driver License Identification issued by the NH-DMV

13. Material that does not violate this policy may not be rejected solely because its content is religious, philosophical, political, social, sexual, unpopular or repugnant.

14. Because tearing out rejected or offensive portions of personal mail, publications or printed materials can create animosity and ill will, it may be reasonable to exclude the entire document. However, if an unauthorized item (i.e. compact disc, map, etc) can be removed without damaging the personal mail or publication it will be removed and the mail forwarded. The unauthorized item will be destroyed without notification unless it is forwarded for investigative purposes, in which case notification will be made in accordance with this policy.

15. Any outgoing publication or material determined to be a violation of these guidelines shall be returned to the inmate unless otherwise unsuitable to be returned, in which case it shall be destroyed at the discretion of the warden or retained as evidence by the Investigations Unit.

C. Literary Review Committee

1. The Commissioner shall appoint a committee to review questionable incoming or outgoing mail to include publications, books, pictures, or documents according to the guidelines established by this policy. The Committee shall be composed of four (4) members: a representative from security, mental health, and education/programs and a facility Librarian/Media Generalist. It is preferred that committee members hold an Associate’s Degree or higher level degree preferably in the area of behavioral health or have undergone extensive training specific to behavioral health. The members serve at the pleasure of the Commissioner, with no defined length of service.

2. Review Criteria:

   a. Obscene material, as determined by the LRC, the Commissioner, or a court of law, and including publications containing explicit descriptions, advertisements or pictorial representations of sexual acts involving penetration, bestiality, bondage, sadomasochism, or sex involving children and including, but not limited to material that violates RSA 650:1, will not be permitted.

4. There shall not be an excluded list of publications. Each issue of a subscription shall be reviewed separately. A list of previously reviewed books/magazines that have been accepted/rejected by the LRC shall be maintained. The LRC shall also establish a guide of what is acceptable or not acceptable material which shall be posted in all housing units and in the facility library. This guide is a concise summary of this PPD, intended only to help assist the inmate when making a purchase of a book/magazine. It does not guarantee that the book/magazine will be accepted into the facility. All decisions of the LRC are governed by this PPD and not by the guide. The Committee shall provide the Mail Officer at each facility and the Library with a list of rejected publications.

5. Materials will be reviewed by designated facility staff and questionable materials will be listed on attachment 5 of this policy noting the reason why and page number(s) of the objectionable material then forwarded to the LRC. Materials forwarded to the committee will be kept in a secure storage area as designated by the facility.

6. The committee will review the materials and create a notice of materials that are being rejected also
noting the reason why and page number(s) of the objectionable material. This notice will be posted on the housing units.

7. The decision of the LRC shall set the standard for all DOC facilities unless overruled upon appeal and shall override any prior decision to allow or reject the material into a facility. Inmates in possession of material that received prior approval that has now been rejected by the LRC shall be required to send the material out or it will be destroyed.

8. The LRC will return the materials to the NHSP/Men mailroom and forward the notice of rejected materials to staff for posting.

9. Decisions with regard to second class periodicals or 3rd or 4th class or other bulk mail shall be posted in the units or blocks. Decision with regard to first class envelopes or packages shall be sent to the inmate. LRC decision slips for envelopes or packages will include an area for DOC staff to list each letter or package at issue, the name of the individual or business the envelope or package was “sent to” or “received from” and the reason each envelope or package was rejected. The rejected mail form should be used for this purpose (Attachment 1).

D. Publishers Only Rule

1. All publications and other approved material may be introduced into the mail by a bona fide publisher or bona fide bookstore and prepaid by direct subscription only. All must be prepaid and postage paid, and delivered through the United States Postal Service. Personal letter tapes and COD packages will not be accepted. The committee shall be composed of four (4) members: a representative from security, mental health, and education/programs and a facility librarian/Media Generalist. Three of the four members must be present to form a quorum. It is preferred ...
