Concord, NH 03301

The NH Authors Database, searchable from the Center for the Book website, contains information on over 1200 authors and illustrators who have called the Granite State home. Writers who were born in New Hampshire, are current residents of New Hampshire, or who have spent a significant portion of their writing careers in New Hampshire, AND who have at least one published book catalogued in a New Hampshire library are eligible for inclusion. Please complete the information below to have someone considered for inclusion in the database.
