

Quarantine of ILL Materials

All materials being sent on the van must be quarantined for a minimum of 72 hours before pick up by the State Library van.

You need to mark items as “shipped” or “returned” in the NHAIS ILL system **BEFORE** you put them into quarantine.

NHSL van drivers will be wearing appropriate PPE (gloves and masks) when entering your library.

The materials you have received on the van must also be quarantined by your library for 72 hours before you distribute them to patrons.

We have extended the NHAIS system’s ILL timeline to accommodate these requirements.
