

## MARC records from NHAIS Services

---

With a NHAIS cataloging password your library can download any MARC record in the NHU-PAC at no charge to your library. We can also provide you, via email, with a set of MARC records for items that you submit to us as brief records via the Holdings Maintenance page of NHU-PAC. MARC records are sent at least weekly. To receive these records complete the info below and return this form to NHAIS Services at the NH State Library, Concord. If you have questions about this program please contact us at [nhu-pac@dcr.nh.gov](mailto:nhu-pac@dcr.nh.gov) or 603-271-2141.
