

OUTREACH AND EDUCATION SUB COMMITTEE

Meeting Minutes

DISCUSSION

- Introduction
 - Subcommittee created Mission Statement
 - The mission of the Pease Health Working Group Outreach and Education Sub-Committee is to identify, communicate and share health related information with Pease Air National Guard, Pease Air Force Base Retired and Active members and their families (Pease Community). This subcommittee will educate the Pease community of medical conditions potentially related to their military service and to share strategies related to navigating the Veteran Affairs Services.
 - Goal(s)
 - Find ways to identify all surviving members and/or families who served at Pease AFB and ANG Base
 - Share strategies related to acquiring access to Veteran Affairs Services
 - Assist with inquiries of the working group
 - Identify and share medical conditions that may be potentially service-related
