Do you know if you are covered by Workers‘ Compensation if you are injured?

(independent contractors may not be covered!)

Are you an independent contractor?  Was this your choice or your employer‘s choice?

(one way to tell may be how you are paid)

How are you paid?  (W-2, 1099, cash?)

(if you have a question about whether you are covered, we want to know)

For questions or more information:  try the Task Force’s website: www.nh.gov/nhworkers, or

Call the Department of Labor at (603) 271-8492
