

# Join Us

on **October 24, 2016** for:

New Hampshire's Future

in Clean Energy and a Shifting Climate in New England

Please join Eversource, state and regional environmental experts, and business and community leaders for lunch and engaging discussions about clean energy and resiliency efforts underway to achieve air emissions goals and to adapt to a shifting climate.

---

**11:30 AM** **Registration & Networking**

---

**Noon** **Welcome & Lunch:**

**Opening Remarks:** *Donald Birx*, President, Plymouth State University

---

**1 PM** **Keynote Address:**

**Bottoms Up: How State and Regional Commitments are Leading the New Energy Economy**

*Ken Kimmell*, President, Union of Concerned Scientists

---

**1:45 PM** **Panel Discussion:**

**The Impact of Shifting Weather Patterns on Towns, Businesses and Utilities**

As our region faces increasingly unpredictable weather, panelists will discuss the costs and risks of losing electricity, communications, and transportation routes for extended periods of time, and what they are doing, or believe should be done, to minimize those risks.

*Joe Purington*, Vice President of NH Operations, Eversource

*David Watters*, NH Senator from Senate District 4 and co-sponsor of the NH Coastal Risk and Hazards Commission

*Sherry Godlewski*, Environmental Program Manager, NH Department of Environmental Services

Moderator: *Roger Stephenson*, APR

---

**3 PM** **Panel Discussion:**

**The Role of Energy Efficiency and Clean Energy in Achieving Resilience and a Cleaner Energy Future in New Hampshire**

A cleaner energy future will reduce air emissions, mitigate climate change impacts, and ensure a healthier planet for generations to come. Maximizing the benefits of today's investments in energy efficiency programs and clean energy projects is a central component of that future. Hear from some of the state's leading energy efficiency and clean energy experts on success stories, today's landscape and opportunities that lie ahead.

*Laura Richardson*, Executive Director, The Jordan Institute

*Charlie Forcey*, Chair, Durham Energy Committee

*Clark James*, Director of Operations, Smuttynose Brewing Co.

*Tom Belair*, Manager – Energy Efficiency, Eversource

Moderator: *Catherine Finneran*, Director – Environmental Affairs, Eversource

---

**4 PM** **Concluding Remarks:**

*Catherine Finneran*, Director – Environmental Affairs, Eversource
