

NH FOOD ALLIANCE

2016 Planning & Zoning Conference
Concord, NH
June 4, 2016

**We envision a food system
that works for all:**

people, businesses,
communities, and the
environment

Building relationships

Sharing knowledge and resources

Supporting ongoing work

INCREASE HEALTHY FOOD IN SCHOOLS

- Increase institutional purchasing
- Increase the use of school meal programs
- Promote gleaning programs

I  MY FARMER

the farms and flavors of Rhode Island and Massachusetts at FarmFresh.org

INCREASE HEALTHY FOOD NEAR WHERE PEOPLE LIVE AND WORK

- Establish
 - farmers markets
 - community gardens
 - CSAs
- Promote
 - healthy food in convenience stores, hospitals, etc

in high-risk areas

ENSURE THAT LOCAL FARMERS AND FOOD PROVIDERS HAVE RESOURCES

- Access to land
- Access to local foods

Success Stories

Granite State
**Market
Match**

WHAT CAN YOU DO?

- Befriend your local food advocacy organizations
- Work with your local land trusts and conservation commissions/districts
- Understand your demographics and high-risk populations
