

Floodplain Administrator 101 Training Workshop

The NH Office of Strategic Initiatives (OSI) in coordination with the NH Homeland Security and Emergency Management Office will be holding *free* three-hour Floodplain Administrator 101 training workshops for local community officials in three locations in the state this summer.

The workshops are intended for community officials who administer and enforce floodplain regulations, review applications and/or issue permits for development in floodplain areas, and for other community officials who are interested in learning more about a community's responsibilities as a participant in the National Flood Insurance Program (NFIP).

June 27, 2018
1:30 pm to 4:30 pm

Newbury Veterans Hall
944 NH-103
Newbury, NH

July 10, 2018
9 am to 12 pm

Goffstown Town Hall
Room 107
16 Main Street
Goffstown, NH

August 16, 2018
1 pm to 4 pm

Littleton Opera House
Tower Room
2 Union Street
Littleton, NH

The training workshops will provide information and guidance about the NFIP, FEMA floodplain maps and studies, key floodplain regulations, and the responsibilities of the floodplain administrator and the community to remain in good standing in the NFIP. An overview of FEMA's hazard mitigation grant programs available to communities for projects to reduce the risk from flooding and other disasters will also be provided during the workshops.

Community officials are welcome to attend any one of the workshops. To RSVP or for questions, please contact:
