13.8.1 The Board agrees to establish a sick leave bank to cover bargaining unit members in the event of a catastrophic illness or disability. deposited in said bank, such day to be deducted from the member's annual sick leave in the second pay period in October. The Sick Bank Review Committee will provide the SAU office with a copy of all membership forms as well as the current rotation list by October 1st.

The days in the bank may accumulate up to ninety (90) days. When the bank reaches the maximum accumulation only new enrollees need to contribute to the bank. These days in excess of the maximum shall be placed in reserve. Up to thirty (30) days left in reserve at the end of the school year shall be allowed to exceed the maximum accumulation for the following contract year at the end of which the excess days shall be lost if not used. The committee will determine whether or not, in its judgment, the member qualifies to use the sick leave bank. If a majority of the Sick Bank Review Committee has determined that the member qualifies to use the sick bank, it will submit its findings and recommendation to the Superintendent, who will release the days for use by the member. The decisions of the Sick Bank Review Committee shall be final and shall not be subject to the grievance procedures contained in Article 15.
- 13.8.6 When the days are drawn on the Sick Bank, the sick days held in reserve shall be used to restore the Sick Bank to its maximum of ninety (90) days. If the bank falls below the maximum accumulation, participants must contribute one of their sick days in second pay period in October. Those days will be held to replenish the Sick Bank at the close of the school year in June, beginning with the top of the rotation list, until the Sick Bank is restored to the maximum allowed. Those contributing individuals will then be placed at the bottom of the rotation list. An accounting of the sick bank accrued and used days will be sent to the SAU office no later than June 1st of each year.

An employee on leave shall return at the beginning of a school year, provided that the total leave, including any FMLA leave,

does not exceed 20 months. An employee may return to work earlier than the start of the school year at the discretion of the School Board.

During the time that an employee is on such unpaid leave, the employee shall be entitled to remain eligible for participation in all District fringe benefit programs, provided they shall be at the sole expense of the employee except as otherwise provided by FMLA. Employees shall not accrue service creditable for pay, benefits, or seniority during such leave.

- 14.2 Employees who are called for jury duty or who are in the military reserve and who are called to active duty in the United States military services which cannot be postponed or deferred, will be compensated for such absence from their contract duty to the District to the extent that the District will pay, during their contract, the difference between their per diem contract salary and their per diem jury or military pay for a period not to exceed one month.

- 15.8 Upon the failure of the board to meet the time limits as prescribed in the Article, the grievance shall be advanced to the next higher level. - 15.10 Within twenty (20) days of the alleged violation or the grievant's knowledge of said violation, the grievant(s) and his/her representative shall submit in writing a formal statement of the complaint to the grievant's immediate supervisor. ARTICLE 16

Seniority and Reduction in Force

16.1 An employee's seniority date shall be the date of hire (first day worked) in any bargaining unit position. The seniority date shall be adjusted for uncompensated absences of six (6) months or more. Each year on or about December 1st the District shall post a seniority list and provide a copy to the Union. Any objections to the seniority list shall be made within thirty (30) days of the posting or shall be deemed waived. Ties in seniority shall be decided by lottery. A break in service of less than two (2) years and a day, provided the break in service was an approved leave of absence with a stated intention to return on an approximate date, shall not cause an employee to lose seniority prior to the break in service.

16.2 Whenever it becomes necessary to decrease the number of the bargaining unit or eliminate a position or program, the Board will layoff in the order of seniority within classification and retain the most senior employee provided he/she is qualified for the position and provided all employees within the classification have received "Meets Expectations" or "Exceeds Expectations" on their most recent performance evaluation. If any employee within the classification has received two consecutive annual evaluations with any ranking of "Needs Improvement", that employee shall be laid off first. An employee selected for layoff because of a "Needs Improvement" rating will not be entitled to recall under 16.3.

Classifications for purposes of this section are as follows:

- 1) custodian, 2) paraprofessional, 3) food service, 4) office manager,
- 5) secretary/receptionist, and 6) behavior planning supervisor.

- 16.3 Recall of employees in the bargaining unit who are laid off shall be made on the basis of greatest seniority within classification. An employee laid off may be offered any vacant position for which he/she is qualified within his/her classification. The right to recall shall terminate 15 months following the last date of work.
- 16.4 Retention of Seniority: An employee who is laid off and recalled within 15 months of the date of layoff shall regain the seniority he/she had before he/she was laid off.

ARTICLE 17

Conformity to Law and Savings Clause

Support Staff Performance Evaluation Plan

Performance Evaluation Plan

POSITION STATEMENT

The primary function of an evaluation is employee development. When used effectively, the performance evaluation can provide accurate and timely feedback on past performance, significantly enhance employee performance and satisfaction, and offer feedback to employees on how to improve. These evaluations support and provide documentation for personnel actions.

The purpose of the performance evaluation is to achieve the following objectives:

- To encourage open and on-going communication between supervisors and employees.
- To identify employees' strengths and developmental needs for their current (and future) positions and assignments.
- To provide timely and accurate feedback to employees concerning job performance in relation to the established job descriptions.
- To provide a fair and consistent method for evaluating performance.

Job descriptions are approved and revised as necessary by the Barnstead School Board after consultation with the Union.

The evaluation plan is comprised of three (3) tracks that differentiate among newly hired employees, continuing contract employees and those support staff in need of assistance and/or improvement.

The basis of the system is as follows:

Track 1: First year employees who will receive more frequent observation and evaluation as determined by the administration;

Track 2: Continuing contract employees who have received a satisfactory evaluation in the preceding year and will receive annual evaluations;

Track 3: Employees who have been identified as in need of improvement and assistance and have experienced difficulty in meeting the requirements of their job and who will receive more frequent evaluation based on their improvement plan.

EVALUATION PROCESS

1. Dissemination of the Plan

- All employees will be provided with a copy of the evaluation plan and their job description.
- New employees will receive a copy of the Performance Evaluation Plan and job description upon hiring.
- Employees will receive a written identification of their immediate supervisor and evaluator upon hire or with their intent to re-employ.

Note: Immediate supervisors and/or evaluators may be subject to change during the contracted year; employees will be notified in writing regarding the change of supervisor.

2. Process for Completing the Evaluation

- Formal evaluations shall be completed on or before May 1st of each year. The evaluator shall schedule a meeting with the employee to discuss the evaluation, the employee's professional development and the employee's current assignment as well as possible assignment for the upcoming year. Track 3 employees shall have an additional meeting scheduled on or before September 30th in order to review the employee's improvement plan and performance issues.
- Formal evaluations for para-educators shall be based on at least one (1) classroom observation per year by the evaluator.
- Track 1 employees shall be evaluated at least once within the first sixty (60) days of employment. During the first year of employment, Track 1 para-educators may receive more frequent classroom observations and evaluations, as determined by the evaluator, prior to a formal evaluation. Other Track 1 employees may also receive more frequent evaluations as determined by the evaluator.
- Track 2 employees shall be observed at least once annually. If the administrator determines there are concerns with an employee during the school year, the employee shall be notified in writing of the concerns and the recommendations to improve. Notification of such concerns may trigger additional evaluations or observations.
- Track 3 para-educators shall be observed in the classroom at least once during the school year, or on such frequency as may be determined in the employee's improvement plan. A mid-year evaluation shall be completed on or before February 1st for all Track 3 employees which shall include an assessment of an employee's progress on the improvement plan.

- A post-observation meeting will be held between the evaluator and the employee within a reasonable time period after an observation. If any concerns are cited in the observation, another observation will be conducted by the evaluator prior to the next formal evaluation.
- The evaluator may gather input from personnel in daily contact with the employee. Feedback which addresses an area of concern shall be addressed with the employee by the evaluator in a reasonable time after learning of such concerns. All feedback utilized as the basis for an evaluation shall be attributable to the person providing the input. Anonymous reports shall not be used in an evaluation.

3. Evaluation Form

Evaluation and observation forms to be utilized by the Administration in any given contract year shall be provided to Union on or before June 1st of the preceding year. The Union and Administration shall make a good faith effort to address concerns about the form utilized. The Administration shall conduct evaluations on a form which contains the following components:

A. Identifying Information

The top of the form shall include information required for identification: name of employee, position, current assignment, track number and school year covered by the evaluation. The employee's job description shall be attached to the evaluation form.

B. Evaluation Standards

Three levels of performance are defined:

- E** – Exceeds Expectations (Performs at a level above expectations)
- M** – Meets Expectations (Performs at a level that meets expectations)
- NI**– Needs Improvement (Performs at a level below expectations)

C. Performance Indicators

Every job category contains essential performance responsibilities listed as key indicators. Employees shall be evaluated based on their essential responsibilities as contained in the job descriptions and specific assignment. Specific comments will be provided on the forms if an employee (E) Exceeds Expectations or (NI) Needs Improvement.

D. Evaluator's Summative Comments

The supervisor performing the evaluation completes this section. Its purpose is to explain and clarify the employee's overall performance. The summary is an

opportunity to note the employee's awards and accomplishments and to note any concerns.

E. Plan for Growth

In this section, the supervisor evaluates potential for professional growth and other plans and actions as suggested by the evaluation. If an **NI** is indicated, this section must address a plan to improve the employee's performance. The employee's input for an improvement plan shall be solicited. An improvement plan shall provide specific timeframes for expectations regarding improvement in designated areas.

F. Employee's Response

The employee can write his/her comments on the evaluation or attach a separate sheet. If an employee believes they have been unfairly evaluated, the employee may request a meeting with the principal and/or superintendent to discuss the evaluation.
