ARTICLE X: REDUCTION IN FORCE

A. Notice

As soon as a reduction in force is seriously contemplated, the Superintendent of Schools shall notify the President of the Association and all of the employees who might be affected.

The School Board will accept any written presentations regarding the reduction in force from the Association, individual employees, or the public.

The decision to implement the reduction in force shall be made at the sole discretion of the School Board.

B. Employees Laid Off

BARRINGTON PARAPROFESSIONAL ASSOCIATION, NEA-NH
MASTER AGREEMENT

The School Board will make every reasonable effort to minimize the effects in reduction in force on the current staff by absorbing as many positions as possible through attrition (retirements, resignations, and refusals to contract).

Employees shall be considered for layoff within the following three (3) classifications: regular and special education paraprofessionals, speech language assistants, and certified occupational therapy assistants. Seniority shall be defined as years of continuous employment in a bargaining unit position.

In identifying which employees to release, the School Board shall consider discipline first, then seniority as follows. The district will first identify which employees in the classification have been disciplined within the past five (5) years. The employee subject to the highest level of discipline shall be laid off first. Levels of discipline shall be considered, in ascending order, written discipline and suspension. If a tie exists, the least senior employee who has been disciplined shall be laid off first. If further layoffs are necessary, the least senior employee(s) shall be laid off first.

C. Recall and Reassignment

Laid off employees shall be recalled to open positions for which they are qualified for a period of one (1) year following layoff. All laid off employees shall maintain up to date contact information, consisting of home address, phone number and e-mail address, with the SAU office in the event of a recall. Failure to maintain accurate contact information or the refusal of any recall offer to an equivalent position shall constitute a waiver of all recall rights. A previously employed employee who returns to a paraprofessional position shall resume employment by the School District at no less than the step occupied when the position previously held was terminated.

Any transfer, assignments, or reassignments, resulting from or involving a reduction in staff will be made by the Superintendent.

ARTICLE XI: GENERAL PROVISIONS

A. Copies of the Agreement

The School Board will arrange for and pay for all the printing and all of the distribution of the Agreement. The Agreement shall be printed and distributed within thirty (30) days after approval by the voters and will be distributed to all covered employees. All new employees will be given a copy of the working agreement on or before the first working day.

B. Amendments

Being a mutual Agreement, this instrument may be amended at any time by mutual consent.

C. Individual Contract

The individual contract shall consist of the SAU #74 Contract of Employment as provided by the Superintendent.
