Agreement

THIS AGREEMENT made and entered into on this 29 day of March, 2023, by and between the Bedford School Board, hereinafter referred to as Board or the District and the Bedford Educational Personnel Association, hereinafter referred to as the Association .

Article 1
Recognition

- 1.1 The District recognizes the Bedford Educational Personnel Association, NEA-New Hampshire as having been certified by the New Hampshire Public Employee Labor Relations Board pursuant to RSA 273-A , as the exclusive representative of the bargaining unit consisting of all Instructional Teaching Assistants, Secretaries , Clerks, and Food Service Workers. Excluded: Administrative Personnel, District Technology staff, support staff working in the SAU office and School Nurses.
- 1.2 The School District agrees to negotiate according to RSA 273-A.
- 1.3 The Association agrees to represent all employees in the unit described above without regard to membership.
- 1.4 Unless otherwise indicated, the term Employee when used hereinafter shall refer to all members of the above-defined bargaining unit.

Article 2
Probationary Employee

All newly hired employees must serve a probationary period of ninety (90) working days from the date of hire. During such probationary period, any discipline, including discharge, shall not be subject to the grievance procedure in this Agreement.

Article 3
Management Clause

- 3.1 Except as specifically limited by the terms of this Agreement, or State or Federal laws, the management of the Bedford School District in all its phases and details shall remain vested exclusively in the District and its designated agents.

- 3.2 The parties agree that the Association may not specifically cite this Article as being violated under the Grievance Procedure, Article 8, Section 1. This language, however, shall not be interpreted to further limit the right to grieve other provisions of this Collective Bargaining Agreement.

Article 4
Interference with School District Operations

The parties agree that differences which arise during the term of this Agreement and/or during negotiations of any successor Agreement shall be resolved by peaceful and appropriate methods without interruption of the operations of the Bedford School District. The Association, therefore, agrees that it shall not sponsor, support, or instigate any strike, work stoppage or any other job action, which would have the effect of interrupting the operations of the Bedford School District. Should any employee or group of employees engage in any such job action, the Association will cooperate with the District to bring it to a halt.

Article 5
Association Rights and Security

- 5.1 The District shall provide a bulletin board within each school for the posting of Association announcements, notices, or other matters of business. Such notices or announcements shall not contain material derogatory to the school system, the Board, or the employees. The parties agree that all material placed on the bulletin boards must be provided to the building administrator prior to posting. Any material posted that violates the second sentence above can be removed by the Administration. The Association shall also have the right to use existing mailboxes to distribute Association material to members of the bargaining unit.
- 5.2 Upon request to the building principal, the Association shall be granted permission to use District facilities, at no cost, which are otherwise available to the public, provided such use does not interfere with District operations.
- 5.3 When it is absolutely necessary for Association officials to meet with bargaining unit employees during working hours, the Association shall first contact the Superintendent to approve and schedule such a meeting. Such requests shall not be unreasonably denied, provided meetings do not interfere with the efficient and orderly operation of the District.
- 5.4 If requested by a member of the bargaining unit, a representative of the Association may represent the employee in the investigation and presentation of grievances to the Board. However, the aggrieved employee must also be present at any grievance meetings or hearings, unless he/she is unable to attend due to medical or emergency reasons. Investigations and grievance meetings shall be conducted during non-working hours unless the parties agree otherwise.
- 5.5 Upon request, the District agrees to provide to the Association the names and addresses of new employees in the bargaining unit and any changes in address of existing employees in the bargaining unit. It is the responsibility of employees to notify the Superintendent of any address change.

Article 6
Payroll Deductions

- 6.1 The District agrees to deduct membership dues for the Bedford Educational Personnel Association, NEA NH, from the wages of bargaining unit employees, in twenty-one (21) equal installments, provided the employee has authorized such deduction in writing. In the case of a bargaining unit employee who joins the Association later than November 1, the District agrees to deduct prorated dues in equal increments over the remaining consecutive pay periods of the school year provided the employee has authorized such deduction in writing. The Association will provide the District with copies of the employee's dues deduction authorization form to facilitate dues deductions. The Association will keep the District informed of the correct name and address of said Treasurer and will certify to the District, in writing, the current rate of its membership dues.
- 6.2 Any employee who has authorized a dues deduction may revoke the authorization for dues deductions upon thirty (30) calendar days written notice to the District. The Association shall be promptly notified of any such revocations.
- 6.3 If an employee who has voluntarily authorized the deduction of membership dues has no check coming, or if that employee's check is not large enough to satisfy the dues, then no deduction shall be made. If an employee who has voluntarily authorized the deduction of membership dues is no longer actively employed, any dues deductions that may be required will cease as of the last day worked.
- 6.4 Should there be a dispute between an employee and the Association or between an employee and the District over the matter of deductions described above, the Association agrees that it will defend, indemnify, and hold harmless the Bedford School Board and the Bedford School District and all of their agents, officers and employees in any such dispute. However, nothing contained herein shall be interpreted as relieving the School District of its responsibilities to make deductions properly authorized pursuant to the first three sections of this Article and to transmit said deductions to the Treasurer of the Association.
- 6.5 To the extent available to other District employees, the District agrees to make other authorized payroll deductions for members of the bargaining unit.
- 6.6 If an employee who has voluntarily authorized the deduction of health and/or dental insurance premiums has no check coming, or if that employee's check is not large enough to satisfy the premiums, then no deduction shall be made that pay period. The deductions on the following pay period shall be increased to include the normal deduction plus the amount not deducted the previous pay period. In no instance shall the school district pay for the employee's portion of the health insurance.

Article 7
Employee Rights and Protection

- 7.1 The District recognizes the right of employees to associate themselves. In furtherance thereof, the District agrees not to take any action against any member of the Association because of membership in the Association or participation in its lawful activities.
- 7.2 Normally, disciplinary action will be handled in the following order:
- a. Verbal warning
 - b. Written warning
 - c. Suspension
 - d. Discharge
- No disciplinary action will be taken unless there is evidence to support the action.
- 7.3 An employee, if he or she so requests, may have a representative of the Association or another member of the bargaining unit present at any meeting which is called by the District for the purpose of imposing disciplinary action or which the employee reasonably believes may lead to disciplinary action. Prior to any such meeting, the employee shall be advised of the purpose of the meeting and shall be given a reasonable opportunity to obtain such representation.
- 7.4 The District shall provide a reasonable opportunity for an employee, who so requests, to inspect his/her personnel file and if requested, shall, within a reasonable time, provide that employee with copies of any portion of his/her file. The District may request employees to pay the reasonable cost of photocopying. An employee may have one (1) representative of the Association accompany him/her to review his/her personnel file.
- 7.5 No disciplinary or evaluation material shall be placed in an employee's personnel file unless the employee has had the opportunity to review the material. An employee shall sign any such document indicating that the document has been read and is to be filed; it does not necessarily indicate agreement with the content of the document. An employee may attach comments to any document placed in his/her personnel file.
- 7.6 Employees who are assigned to work with specific student/s have no expectation of continued employment at the expiration of the school year. Failure to offer a contract for the subsequent school year shall not be grievable under Article 8.

Article 8
Grievance Procedure

8.1 Definition

A grievance is a complaint by an employee or employees that there has been a violation, misapplication or misinterpretation of any provision of this Agreement. All time limits in this Article shall mean calendar days. Written grievances must be signed by an employee in the bargaining unit and set forth the specific Article(s) and Section(s) allegedly violated, the date of the alleged violation, and the relief requested .

8.2 Time Limit

A grievance to be considered under this procedure must be initiated in writing within twenty-one (21) days from the date of the event which gives rise to the grievance.

8.3 Right to Representation

An employee covered by this Agreement shall have the right to have an Association representative present at any grievance meeting, subject to his/her requesting such representation.

8.4 Informal Resolution

Because the parties acknowledge that it is more desirable for an employee and his/her immediately involved supervisor to resolve complaints through free and informal communications, the employee shall first discuss his/her complaint with his/her immediate supervisor. Complaints which are not satisfactorily settled in an informal way shall be reduced to writing and referred to the following formal grievance procedure (see Appendix A) . It is understood that this requirement for Informal Resolution does not extend the deadline for filing a formal grievance as stated in Section 2.

8.5 Formal Procedure

Level 1

Within seven (7) days of receipt of a formal grievance, the immediate supervisor may again meet with the aggrieved employee. Within seven (7) days following any such meeting, the immediate supervisor shall give his/her answer in writing. If the grievance is not settled at this level, then it may be referred to Level 2 within seven (7) days of the receipt of any answer given at this level.

Level2

Within fourteen (14) days of a grievance being referred to this level, the Superintendent will meet with the participants from Level 1 and examine the facts of the grievance. The Superintendent shall give his/her answer in writing within seven (7) days of any such meeting. If the Superintendent's answer fails to resolve the grievance, then the grievant may refer the matter to the School Board within seven (7) days of the decision by the Superintendent.

Level3

Within thirty days (30) after receipt of the grievance, the School Board shall hold a hearing with the participants. The Board must render a written decision within fourteen (14) days of the hearing.

Level4

If not satisfied with the disposition of the grievance by the School Board, the Association shall inform the Board, in writing postmarked no later than thirty (30) work days after receipt or knowledge of the third level decision, of its desire to submit the grievance to arbitration. If the matter is referred to arbitration, the parties will first attempt to mutually agree on an arbitrator. If the parties cannot agree on an arbitrator within ten (10) working days, then either party may apply to the American Arbitration Association or the PELRB for an arbitrator to be selected under the rules and regulations of the respective agency. The arbitrator shall have the authority to decide procedural and substantive issues of arbitrability. The arbitrator shall not have the authority to add to, subtract from, or modify any of the provisions of this Agreement. The arbitrator's authority is limited to the submitted issue(s). The decision of the arbitrator shall be advisory only and not binding on either party. The expenses of the arbitrator will be shared equally by the parties.

- 8.6 Time periods specified in this procedure may be extended by mutual agreement.
- 8.7 Grievance(s) of a general nature, or involving decisions by the Superintendent or School Board may be submitted by the Association to Level 2.
- 8.8 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits (unless extended by mutual agreement) shall permit the aggrieved person to proceed to the next level.
- 8.9 No reprisals will be taken by the Board or by any member of the administration against any participant in the grievance procedure.
- 8.10 Grievances shall not be made a part of any employee's personnel file or used in making employment references.
- 8.11 Nothing contained herein shall be construed as limiting the right of any employee or group of employees to meet with the Employer to discuss any grievance informally and to have the grievance adjusted without the intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and the Association is informed, in writing, of the resolution of said grievance.

Article 9

- 10.1 Seniority shall be defined as the length of service within the District in any position now in the bargaining unit. Accumulation of seniority shall begin on the employee's first working day. A paid holiday shall be counted as the first working day in applicable situations. In the event that more than one individual employee has the same starting date of work, position on the seniority list shall be determined by date of hire. For purposes of this provision, the "date of hire" shall be the date the signed letter of agreement is received and stamped by the central office. If the date of hire of two or more employees is the same, then the position on the seniority list shall be determined by casting lots.
- 10.2 Part-time employees shall accrue seniority on a pro-rata basis by dividing the number of hours they work each year by 1100 hours. Probationary employees shall have no seniority rights until the completion of the probationary period, at which time their seniority shall accrue as of their first day of work.

No later than the day before the first day of school for students, employees shall be notified by the Principal or designee of their work hours (starting and ending time). It is understood that the District retains the right to change assignments and/or work hours in order to meet the needs of the school. If such change in assignment is necessary, the employee shall be informed as soon as possible.

- (b) It is understood that on occasion the District may temporarily adjust the hours of work to meet the needs of the school or students (such as special events, field trips, meetings or special work related to an employee's work assignment). Reasonable notice shall be given to the employee(s) affected by said adjustment. In the event that an employee is unable to accommodate such adjustment, he/she shall promptly notify the Administrator or designee and reasonable efforts shall be made to find another employee to perform the work. If the District is able to find another employee from within the same building who is willing to perform the assignment and, in the District's judgment, both employees are qualified to perform the alternate assignments, both employees shall be reassigned.

In such cases, employees are expected to follow the protocol established by the Administrator of his/her building to assure that the child is properly attended and/or to obtain approval to work additional hours. If, in the reasonable judgment of the employee, the situation is an emergency which prevents the employee from following the protocol, the employee shall perform as necessary and notify the Administrator or designee as soon as is reasonably possible.
- (d) If an employee is requested or approved by the Administrator or designee to work additional time or, in an emergency, works more than ten (10) additional minutes, the employee shall either be paid for the additional time or shall be permitted to take the time off on another day in the same pay period, at the discretion of the Administrator or designee.

In the event that an employee is required by the Principal or designee to work during the lunch period due to student needs, the employee shall either be compensated for that time or permitted to leave prior to the end of their normal work day, at the

discretion of the Principal or designee.

- 11.4 Any employee who is asked to substitute in a higher paid position for either a full, half or quarter day shall be compensated at the rate of one half, one quarter, or one eighth as applicable, the pay rate for substituting for a teacher, per day, half day, or quarter day for such additional duties. This is in addition to the employee's regular pay for that day. This section does not apply to "long-term" substitute positions greater than twenty (20) consecutive days for the same professional position. If an employee does serve as a "long-term" substitute for a professional position, they will retain their position prior to serving as the "long-term" substitute.
- 11.5 Any employee who is asked to substitute for another employee in the bargaining unit will be paid at the substituting employee's hourly rate.
- 11.6 All paraprofessionals who are assigned to work with specific students, shall work and be paid only for days worked. For temporary absences of the student, of five (5) consecutive days or less, the employee will be given the choice of performing alternate duties as assigned by Administrator or designee or going home. The employee shall submit a copy of the jury pay or witness fee to the District and the District shall pay

the employee the difference between the pay received and his/her regular wages. Part-time employees will also be paid the difference between the jury pay or witness fee and their regular wages, provided the jury duty occurred during hours the employee would have been working for the District and provided the employee did not receive jury pay from another employer.

If an employee completes said jury duty or other appearance with two (2) or more hours remaining on his/her regularly scheduled shift, he/she shall call the Administrator or designee to determine whether he/she should report to work for the remainder of the shift .

21.5 Military Reserve Duty

If there are more than three (3) applicants, preference shall be given to the bargaining unit member with the most seniority as defined in Article 10, Section 1.
- 24.3 The district shall notify bargaining unit members of their approval/non-approval in writing no later than January 15.
- 24.4 Bargaining unit members whose service in the Bedford School District has been at least twenty (20) years of full employment will receive a fifteen thousand (\$15,000) payment. Bargaining unit members whose service in the Bedford School District has been for at least 20 years, with less than 20 years of full time employment and are approved for the retirement benefit, shall receive a prorated payment calculated by multiplying the applicable payment in Section 1 above by a fraction, the denominator of which is the employee's total years of service in Bedford and the numerator of which is the sum of the employee's full-time equivalent (FTE) years of service in the Bedford School District. For example, if the bargaining unit member is retiring with 22 years of service in Bedford, 15 of which were full-time and 7 of which were part-time with .4 + .4 + .6 + .6 + .8 + .8 + .8, the prorated payment would be calculated as follows:
- $\$15,000 \times [(15 + .4 + .4 + .6 + .6 + .8 + .8 + .8) / 22] = \$13,227.27$
- 24.5 Notwithstanding any other provision in this Agreement, the amounts payable to a retiring employee under this Article and Article 20, Section 6 (sick leave payout) which exceed the limits and which would subject the District to additional assessments by the New Hampshire Retirement System under RSA 100A:16,111-a(b) shall be paid the employee no earlier than 121 days and no later than 150 days after the employee's date of retirement.

SUPPORT STAFF REDUCTION IN FORCE

A planned reduction in staff occurs when the number of support staff positions is reduced. A planned reduction in staff does not include reductions in full-time equivalent (FTE) status. During a planned reduction in support staff, other than custodians and maintenance staff, the following guidelines will be used.

1. Reductions will first be accomplished by attrition – resignations, retirements, etc.
2. If further layoffs are necessary, then support staff may be laid off based on positions and/or the specific needs of the student/school/district. Administration will consider each of the following factors for each individual within affected positions and/or specific needs of the student/school/district.
 - a. Disciplinary action(s)
 - b. Performance
 - c. Qualifications
 - d. Seniority

Although there is no recall provision for support positions, employees that experience a layoff are eligible to apply for vacancies that may arise. Each candidate will be considered on his/her own merit.

Appendix C

All employees hired before July 1, 2023 will be placed on the FY24 wage schedule in the column that represents their current position in Bedford and at the lowest step that gives them a minimum \$1.55 increase over their FY23 hourly wage.

Prior to July 1, 2023, "Library Assistants" had a unique pay scale. Starting in FY24, Library Assistants have been merged with "Paraprofessionals/Library Asst" or "Para/Library Assist with a Degree" as outlined on the pay scales.

Effective July 1st of each subsequent year of this contract, all employees will move one step on the wage schedule.
