No evaluations from other than the most recent five years, including the year in which the reduction occurs, shall be used in measuring performance. In the event that the performance of all unit members who are being considered for reduction is determined to be equivalent, the unit member with the least seniority will be the first individual to be reduced. Such renomination shall not result in loss of credit for prior years of service.

Members of the bargaining unit shall be informed prior to a RIF taking place and unit members will be asked if they intend to leave. A letter of resignation will be required to render the RIF unnecessary.

1. The purpose of evaluation is to assess the areas of strength and weakness of a teacher and to judge the competency of that teacher.
2. All teachers shall be advised as to the evaluation procedures of the District. In the event that a teacher is found to be unsatisfactory in any particular area, he/she shall be advised of the unsatisfactory area requiring change or improvement, etc., and shall be expected to remedy such deficiencies in his/her performance with the help of the School Administration within a reasonable time and opportunity provided the teacher to do so.
