2.2 The CCSNH shall not enter into any agreements, regarding employment relations matters with any other organization or individual purporting to represent any group of employees in the bargaining unit, and shall not furnish any facilities or engage in any type of conduct, which would imply recognition of any group other than the Association as a representative of the employees in the bargaining unit.

2.3 Nothing in this section shall prevent the CCSNH from discussing matters of mutual concern with its employees.

2.4 The provisions of this Agreement shall be applied equally to all covered employees in the bargaining unit in accordance with state and federal law.

## **Article 3: MANAGEMENT RIGHTS**

3.0 All rights and responsibilities of the CCSNH Board of Trustees which have not been specifically provided for or limited by this Agreement or limited by law shall be retained at the sole discretion of the CCSNH Board of Trustees, or as may be delegated. Except as modified by this Agreement, such rights and responsibilities shall include but are not limited to the following:

3.1 The right to manage, direct and control its programs, services, and operations in all particulars and to take such action as is necessary to maintain the efficiency and effectiveness of the CCSNH operations;

3.2 The right to direct, supervise, and train employees; to appoint, assign, schedule, transfer, evaluate, promote, and retain employees in positions; to determine qualifications, hiring criteria and standards of work; to establish standards of productivity and performance; to grant educational and other leaves; and to suspend, demote, discharge, or take other disciplinary actions against an employee;

The CCSNH shall not prohibit any contractor from hiring unit employees unless law or ethics policies prohibit it.

## **Article 4: ASSOCIATION RIGHTS**

### **4.1 CCSNH-Association Communication**

4.1.1 The Parties recognize their mutual obligation to meet and confer regarding problems arising out of the employment relationship between the employer and covered employees. It is agreed that the CCSNH Administration and Representatives of the Association shall endeavor to meet periodically to discuss and attempt to resolve matters of mutual interest. One such meeting may be called upon by request of the CCSNH Administration or the Association each semester and during the summer, with additional meetings as mutually agreed upon. Such meetings shall be in addition to any meetings of the Labor Management Committee "(LMC)".

4.1.2 The CCSNH shall furnish reasonable locations and space on bulletin boards for the use of the Association. The Association shall use this board for posting of notices pertaining to recreational and social activities, Association elections, reports of the Association, or its committees, Association meetings notices, legislative enactments, decisions of the Public Employee Labor Relations Board (PELRB), and judicial decisions affecting public employee labor relations. The Association shall not post any materials which are obscene, defamatory, or impair the operation of the CCSNH or its colleges; or which constitute partisan, political campaign material. Where the CCSNH finds material posted on the bulletin board to be objectionable as violative of the Agreement, it will consult with the Association or any representative. If such consultation does not resolve the CCSNH's objections, the material in question shall be promptly removed from the bulletin board by the Association. The matter will then be

immediately referred to the grievance procedure for resolution. Where the Association posts material on bulletin boards in violation of this Agreement, the CCSNH may require advance approval of all future material to be posted.

4.1.3 The CCSNH agrees to allow the Association, CCSNH Stewards, and Chapter Officers and the covered employees to utilize its messenger mail service and electronic mail system(s) for the duration of this Agreement for internal Association business, provided that said mailings are clearly identified as the business of the Association and that such use of the electronic mail system(s) is conducted in accordance with the CCSNH computer use policies and procedures.

4.1.4 Covered employees shall be provided a new employee orientation within twenty (20) calendar days of hire. The CCSNH shall inform covered employees that the Association is the exclusive representative of all covered employees and provide information on all benefit programs provided by the CCSNH. The Association shall be allowed to make a presentation at orientations offered by the CCSNH for new covered employees. The orientation may be presented in written form, by video, in person or by any combination of presentation methods, at the sole discretion of the Association. The presentation may be up to one hour in duration and shall be conducted by an Association staff person or such other representative, as may be designated by the Association. If an Association representative is unable to attend the orientation, an Association representative shall have access to all new covered employees for up to one-half hour at the convenience of the CCSNH within twenty (20) calendar days following the orientation. The CCSNH agrees to distribute informational packets provided by the Association to new covered employees.

4.1.5 The CCSNH agrees to provide payroll deduction information to the Association in an electronically agreed format at least biweekly for the administration of dues deductions and Association programs. In addition, the CCSNH shall notify the Association of all newly hired covered employees, the names and business addresses of all covered employees, and employees who have terminated employment at least monthly on a mutually agreed upon electronic format. These reports shall include, at least, the following:

- employee's name
- employee's home address for Association members only
- employee's work e-mail address, if applicable
- employee's CCSNH identification number
- employee's payroll number
- employee's labor grade and step
- employee's salary schedule
- employee's business address
- employee's job classification
- employee's date of employment

4.1.6 The Association shall provide a written notice to the CCSNH that is suitable for inclusion in the "check message" on employee paychecks/advices that informs covered employees that the Association is the exclusive bargaining representative and therefore requires access to the covered employee for Association correspondence. The CCSNH agrees to place the message on employee paychecks/advices quarterly at the request of the Association.

4.1.7 CCSNH shall permit the Association to post meeting notices on the College's weekly or monthly calendars.

4.1.8 Access to CCSNH Intranet Website: The CCSNH agrees to provide the Association access to the CCSNH intranet website, on a read-only basis. Such access shall be provided to the

Association in a manner that preserves the security and integrity of the CCSNH system.

#### 4.2 Association Business

4.2.1 The internal business of the Association shall be conducted by covered employees during their non-duty hours.

4.2.2 Covered employees as individuals and employee representatives of the Association shall be permitted to participate in conferences or meetings with a representative of the CCSNH regarding grievance step meetings or consultation meetings under this Article or Article VII with adequate release time and no loss of pay or other penalties. Such meetings shall be scheduled at times which shall not unreasonably interfere with the operations of the CCSNH or its colleges.

4.2.3 Association staff persons shall be allowed to visit work areas of employees during working hours and confer on conditions of employment to the extent that such visitations do not disrupt the work activities of the area being visited. Prior to entering the work area, the representative shall receive permission from the Chancellor, or appropriate College President or designee(s) stating the reason(s) for such visitations. Permission shall not be unreasonably denied.

4.2.4 The CCSNH shall grant such covered employees as may be designated by the Association a cumulative total of twelve (12) days off per contract year without loss of time or pay for the purpose of attending meetings, conventions, conferences, or training sessions relative to labor relations or Association affiliations. Time off shall be limited to two (2) days per Association designee for each such request. All requests shall be submitted to, and approved by, the CCSNH Director of Human Resources for timely notification to the appropriate college that the leave has been approved and shall be awarded.

4.2.5 The CCSNH shall grant five (5) working days of union leave for two (2) duly elected representatives of the Association to attend the quadrennial convention of the Service Employees International Union. The Association shall provide the CCSNH with not less than sixty (60) days notice of the dates for this leave and the name of the selected representative. The CCSNH shall not be responsible for any travel or other costs and shall bear no liability, including workers' compensation, for any covered employee associated with participation in this event.

4.2.6 The CCSNH shall approve reasonable preparation time for negotiations, not to exceed one day per week until a new collective bargaining agreement is tentatively agreed upon, for up to eight (8) members of the Association's CCSNH bargaining team. All preparation time and negotiation time shall be without loss of accrued leave time or regular pay to any covered employee. Preparation sessions shall not commence more than nine (9) months prior to the expiration of this Agreement. Reasonable accommodations to staff work schedules shall be made for each of the members of the Association bargaining team.

4.2.7 Board of Director's Leave: The CCSNH shall authorize up to forty-eight (48) hours per year for one person without loss of time or regular pay for a director and/or officer of the Board of Directors for the State Employees' Association of New Hampshire, Inc., SEIU Local 1984, for the purpose of attending meetings of the Board of Directors. The employee shall give a seven (7) calendar days notice for use of such leave.

4.2.8 President's Leave: The CCSNH shall authorize a leave of absence with pay for the President of the State Employees' Association of New Hampshire, Inc., SEIU Local 1984. The leave of absence with pay shall be taken for a two-year period beginning two (2) weeks after written notice by the Association to the Chancellor and the Director of Human Resources.

During such leave of absence with pay, the President shall continue to receive and retain all of their wages, rights, benefits, and seniority as a CCSNH employee except that all leave accumulation shall be frozen for the duration of the leave of absence. Upon returning from the leave of absence, the President shall resume earning leave at the rates appropriate to their service at the time of return. The CCSNH agrees that there shall be no action taken with respect to the President or the President's CCSNH position prior to or following their return from the leave of absence because of their legal union activities.

The Association agrees to reimburse the CCSNH for the full cost of the wages and benefits for the President, and to indemnify the CCSNH against any and all liabilities associated with the leave of absence, including but not limited to workers' compensation.

#### 4.3 Use of Facilities

4.3.1 The Association shall be allowed the reasonable use of the CCSNH facilities for meetings, functions, or activities directly related to its position as the recognized representative for CCSNH covered employees without charge. The use of CCSNH facilities shall be subject to the following conditions:

Such CCSNH facilities are available and their use for such meetings would not conflict with the CCSNH's business.

Such approval is granted in advance and shall be subject to such other reasonable conditions as may be imposed by the CCSNH.

Such approval, if given, will be limited to CCSNH covered employees, and Association staff members and guests.

Nothing in this provision shall be construed as a limitation of the rights of the Association, its chapters or committees to utilize the CCSNH's facilities that are otherwise available for public use.

Such approval by the CCSNH will not be unreasonably withheld.

4.3.2 The Association may request use of CCSNH facilities for meetings and functions associated with broader Association activities, not directly related to the CCSNH. Such requests shall be processed in accordance with institutional policies and procedures related to public facility usage by a non-profit and/or tax exempt organization.

#### 4.4 Association Dues

4.4.1 Membership in the Association is optional and shall be made at the discretion of each covered staff member within the bargaining unit.

4.4.2 The CCSNH agrees to deduct, in equal installments, the regular annual membership dues of the Association from the pay of each full-time covered employee of the bargaining unit, who indicates in writing that they wish such deductions to be made. The CCSNH agrees to deduct in equal installments the regular annual membership dues from each regular part-time covered employee of the bargaining unit who indicates that they wish such deduction to be made. The Association will provide the CCSNH with the completed payroll deduction authorization form as authorized by the covered employee. Such payroll deductions shall be put into effect as soon as practicable.

4.4.3 The amount to be deducted shall be certified by the Association to the CCSNH. Remittance to the Association shall be made in accordance with the established payroll procedures of the CCSNH. When Association members vote for a change in Association dues which necessitates a modification of payroll deductions and the Association wishes to implement such modification, it shall furnish a certificate evidencing the authorizing vote to the

Chancellor, together with a written request for the modification in payroll deductions. The certificate shall be signed and sworn to by the Secretary of the Association with Corporate Seal.

4.4.4 Membership in the Association shall be continuous. Any change from dues paying membership may be made by the covered employee during the fifteen (15) calendar day period commencing with the employee's anniversary date of employment. Should the legal requirements and/or guidance regarding maintenance of membership or maintenance of dues change during the life of this Agreement, the parties shall meet and bargain in good faith to implement any such changes deemed appropriate or necessary. Such requests must be made in writing and may be emailed to [sea@seiu1984.org](mailto:sea@seiu1984.org) or may be mailed to the Association and shall be addressed to:

The State Employees' Association of NH, Inc. SEIU Local 1984  
207 North Main Street  
Concord, NH 03301

4.4.5 The Association shall be allowed the use of such payroll deductions as may be necessary for any group program(s) in addition to a dues deduction.

4.4.6 The Association shall hold the CCSNH harmless should any dispute arise between the Association and the CCSNH as a result of the administration of this section.

#### 4.5 Association Representation

4.5.1 The CCSNH agrees to recognize eight (8) bargaining unit stewards, which shall consist of one (1) steward at each CCSNH college and the System Office, as duly authorized by the Association to perform duties on behalf of the Association. Recognized stewards shall serve to represent members within their appointed bargaining unit.

4.5.2 Each steward shall be assigned to a CCSNH institution [college or System Office]. In the absence of a CCSNH institution's assigned bargaining unit steward and Association representative, a bargaining unit steward may represent members at another CCSNH institution. Additionally, upon mutual agreement between the CCSNH Director of Human Resources and the Association, a bargaining unit steward may represent a bargaining unit member at another CCSNH institution when such representation is deemed necessary due to reasonable extenuating circumstances.

4.5.3 The Association shall furnish the CCSNH Director of Human Resources with a list of the Stewards representing the CCSNH covered employees by September 1 each year. Updated information pertaining to Steward appointments shall be provided as applicable. The CCSNH agrees there shall be no discrimination against any Steward because of his or her duties as an Association official or member.

4.5.4 The CCSNH shall authorize a reasonable amount of time during the regular working hours without loss of time or pay, and make reasonable adjustments to the Steward's workload, to permit the Steward to carry out their responsibilities in accordance with the provisions of this Agreement. The Association agrees that it shall guard against the use of excessive time in handling such responsibilities. Each Steward, before carrying out their responsibilities in accordance with the provisions of this Agreement, shall first obtain the consent of their immediate supervisor, which shall not be unreasonably withheld. Upon entering a work area other than their own, the Steward shall first advise the appropriate supervisor of their presence and specify the name(s) of the employee(s) to be contacted.

4.5.5 The CCSNH will not bear any expense, other than with respect to the Steward's time involved during regular duty hours, for the functions of any Steward. The Association shall reimburse the CCSNH for any other expense to the CCSNH incurred as a result of the Steward's function.

4.5.6 The CCSNH shall authorize up to three (3) days off in each contract year, without loss of time or pay for each CCSNH Steward to attend Association training program(s). The Association shall notify the CCSNH not less than twenty-one (21) calendar days in advance of such proposed training program(s).

4.5.7 A covered employee shall be entitled to Association representation at an investigative interview or meeting if requested by the employee when that employee reasonably believes that the interview or meeting may result in disciplinary action against them, as set forth in Article 15. The Association representative's role at an investigative interview or meeting is to consult with the employee. The CCSNH is free to insist upon hearing the employee's own account of the matter(s) under investigation. The Parties agree that in all cases the principles of "Weingarten", "Garrity", and "Loudermill" and other applicable case law shall be observed.

4.5.8 Whenever a Steward reasonably believes that they are a witness or material participant in a grievance procedure, another bargaining unit Steward shall perform the duties of the Steward in that particular grievance.

4.6 The CCSNH shall make available to the Association information needed for collective bargaining with the following stipulations:

4.6.1 All requests will be made in writing to the CCSNH Director of Human Resources.

4.6.2 Such information will be made available within reasonable time frames, normally within fifteen calendar days of said request. Requests requiring special programming or summary work may exceed the fifteen (15) calendar day standard.

4.6.3 The CCSNH will not be responsible for reformatting data already publicly available.

4.6.4 The Association shall pay for copying costs when requested by the CCSNH.

## **Article 5: CONSULTATION and LABOR MANAGEMENT COMMITTEE**

5.1 It is agreed and understood that policies and procedures related to terms or conditions of employment are appropriate matters for consultation between the Parties, providing however, that neither Party waives or relinquishes their right to negotiate mandatory subjects of collective bargaining, and providing further that the Parties may mutually agree to discuss any subject matter not otherwise addressed by a Labor Management Committee as described in subsection 5.3 below.

5.2 A request for consultation may be submitted by either Party in writing, stating the reason for the meeting and the agenda or topic of consultation. Consultation requests by the Association shall be made to the Chancellor or to the appropriate College President by either the President or designee of the Association. Consultation requests by the CCSNH shall be made to the President of the Association.

5.2.1 A mutually agreeable meeting date shall be established providing that such date shall be within twenty-one (21) calendar days of receipt of the written notice. The time limit may be extended by mutual agreement.

5.2.2 An Association staff member or steward shall represent the bargaining unit alone, or with not more than eight (8) employees of the bargaining unit. The Association will state the names and work areas of the covered employees, if any, who are to attend the meeting. Representatives of the CCSNH shall meet with the Association representatives. The CCSNH Director of Human Resources will attend such consultations whenever feasible providing that their attendance may be specifically requested and complied with by notice of either the Association or the CCSNH.

5.3 The Parties agree to establish a CCSNH Labor Management Committee consisting of not more than nine (9) representatives of the CCSNH management team, one of whom shall be the Director of Human Resources, and not more than nine (9) representatives as designated by the Association, one of whom shall be a SEA staff member. The purpose of the Committee shall be to ensure the application, clarification, and administration of this Agreement. The CCSNH and the Association shall mutually maintain a mechanism that allows employees to submit meeting agenda topics to both the Association and the CCSNH. The Committee shall meet as frequently as may be necessary, but not less than once per semester for the Fall and Spring semesters to carry out its purpose and responsibilities as set forth in this Agreement. The Committee shall have the authority to issue interpretive bulletins to that end.

5.4 The Parties agree that fostering open communication about workplace matters relating to the employment relationship is desirable. Therefore, notwithstanding Article 3.1 of this agreement, the Chancellor and each College President through an appropriate administrative structure shall effectively manage their institution so as to fulfill its purposes and objectives and establish the means to assess and promote institutional effectiveness. Each college and the System Office shall establish and maintain institutional mechanisms and procedures that include consultation with faculty, staff, and administrators, and are appropriately responsive to their concerns, needs, and initiatives.

## **Article 6: ACADEMIC FREEDOM & PROFESSIONAL RESPONSIBILITY**

6.1 The CCSNH and the Association endorse the principles and standards of academic freedom and academic responsibilities, professionalism, and freedom of expression generally and traditionally accepted in public institutions of higher education. Therefore, as an academic community committed to teaching and service excellence, the CCSNH fosters a professional atmosphere that promotes the highest standards of professional conduct and integrity. To ensure students within the CCSNH are provided with a quality education and services, it is expected that staff are aware of and comply with their professional duties and responsibilities to demonstrate the highest standards of professional behavior; to exercise professional judgment; to perform official duties effectively, efficiently, and with honesty, integrity, and fairness; to be conscious of the need for the equitable treatment of all students; and to use institutional resources economically.

### **6.2 Freedom of Expression**

6.2.1 Progress on addressing matters of concern within an academic community requires the free and open exchange of ideas, approaches, and points of view. Accordingly, the CCSNH is committed to an environment in which free expression is the right of every member of the college community. It is likewise essential that such expressions of points of view be conducted in a climate of mutual respect, with due regard for the rights of others and in a responsible manner that prevents disruption and permits the efficient and effective operations of the CCSNH.

6.2.2 In their role as a citizen, every member of the CCSNH community has the same freedoms as other citizens. However, in their external communications they have an obligation to make every effort to indicate that they are not an institutional spokesperson. Nothing herein shall be construed as an abridgement of the rights guaranteed to every member of the CCSNH community by the constitutions of the United States, or the State of New Hampshire.

### 6.3 Academic Freedom

6.3.1 The Parties agree to promote public understanding and support of academic freedom. Institutions of higher education are conducted for the common good and not to further the interest of either the individual covered employee or the institution as a whole. The common good depends upon the free search for truth and its free exposition. Academic freedom is essential to these purposes and applies to both teaching and research.

6.3.2 Academic freedom is the right of scholars and teachers in institutions of higher education to freely study, discuss, investigate, teach, exhibit, perform and publish. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning.

6.3.3 The covered employee is entitled to full freedom in research and in the exhibition, performance and publication of the results of the employee's research, to full freedom in the classroom in discussing the employee's subject, and, most specifically, in the selection of the employee's classroom materials including the selection of texts (unless the text is prescribed by mutual agreement of the faculty of a department). The employee is entitled to discuss controversial issues. As both an employee and scholar, the employee recognizes the professional obligation to present various scholarly opinions and to avoid presenting totally unrelated materials, that being fundamental to the advancement of truth.

6.3.4 A covered employee has the right to pursue work or other activities outside the College, provided such work or activities do not interfere with the discharge of the employee's duties and responsibilities.

### 6.4 Academic Responsibilities

6.4.1 Academic freedom carries with it correlative responsibilities. The covered employee has the responsibility to the employee's colleagues and the College community to preserve intellectual honesty in the employee's teaching and research. The employee respects the free inquiry of the employee's associates and avoids interference in their work.

## **Article 7: GRIEVANCE AND ARBITRATION PROCEDURES**

7.1 The parties agree that the orderly process hereafter set forth shall be the method for resolving grievances and disputes arising with respect to the interpretation or application of any provision of this Agreement and deliberations regarding employee discipline shall be pursued in a confidential manner. It is the objective of the parties to encourage and facilitate the prompt and equitable resolution of grievances and to attempt to do so at the lowest possible level. No member of the bargaining unit shall be subject to reprisal for using the Grievance Procedure or for participating in the resolution of a grievance.

## 7.2 General Provisions

7.2.7 Failure on the part of the CCSNH to comply with the time limit requirements of this Article shall elevate a grievance to the next step unless the Parties have agreed to extend the time limit requirement.

7.2.8 The time limits prescribed in this article may be extended by mutual agreement between the grievant and the CCSNH. In the event that a time limit expires on a Saturday, Sunday, or holiday, such time limit shall be extended to the next regular business day.

7.2.9 A Grievant may withdraw his or her grievance at any point in this procedure.

7.2.10 A Steward may assist a grievant in processing a grievance. In so doing, the Steward shall be given the opportunity to discuss the matter with the grievant and such other employees who may have information bearing on the matter, prior to presenting the grievance. A staff person or representative of the Association may substitute in the place of or participate in addition to any Steward in this procedure.

7.2.11 Grievances shall be investigated and handled to minimize interference with the regular work schedule(s) and institutional operations.

7.2.12 Any resolution of a grievance shall not be inconsistent with the terms of the Agreement.

7.2.13 No grievance resolved through the informal process shall constitute a precedent for any purpose unless agreed to in writing by the CCSNH and the Association.

7.2.14 Nothing in this Article shall be construed as an abrogation of the right of any covered employee to present a grievance without the intervention of the exclusive representative in accordance with RSA 273-A:11(a).

The arbitrator shall not be automatically disqualified from hearing the substance of the case by reason of determining arbitrability.
- c. Each party shall bear the expense of its witnesses and for preparing and presenting its own case. The compensation and expenses of the arbitration and the arbitrator shall be assessed by the AAA and the arbitrator and shall be shared equally by the CCSNH and Association.

7.5.3 The CCSNH, the Association, and the grievant agree to abide by the decision of the arbitrator, which is final and binding on all parties. The CCSNH and the Association, however, retain rights to challenge the decision of the arbitrator, as provided for by law. Such appeals shall be filed to the Superior Court within forty-five (45) calendar days from the date of the written notice of the arbitrator's decision. In the event that an appeal is made to the Superior Court, the provisions of RSA 542, as amended, shall apply. Only prior periods of full-time CCSNH employment of two (2) or more consecutive years in duration shall be eligible for crediting.

21.11 Shared Sick Leave: Under the shared sick leave program, full-time covered employees may voluntarily donate unused sick leave to eligible full-time covered employees who have been granted unpaid leave of absences due to a serious illness or injury. Shared leave cannot be used for common, minor, or chronic medical conditions, or for a health condition in which the employee is receiving disability benefits. If an employee is receiving workers' compensation, then the employee shall only be able to receive SSL to make him or her whole for the amount equal to the employee's base salary. CCSNH faculty and staff shall be allowed to share sick leave in accordance with the provision so long as both of the separate bargaining units agree to do so. Acquiescence by both bargaining units shall be evidenced by a memorandum of agreement between the two groups. If at any time, either bargaining unit wishes to end the shared sick leave arrangement, it may do so.

21.11.1 A full-time covered employee is eligible to receive sick leave donations provided they have completed one year of service, has exhausted all forms of paid leave prior to receiving the additional sick leave, and is on an approved unpaid leave of absence due to a serious health condition qualified under the Family Medical Leave Act of 1993 (FMLA). The completed application shall be forwarded to the CCSNH Director of Human Resources.

21.11.4 Requests for donated sick leave shall be reviewed by the CCSNH Labor Management Shared Sick Leave Committee or LMC sub-committee thereof, who shall approve or deny the request. Notice of the decision by the Committee shall be provided in writing to the applicant. Upon approval the Committee shall determine the amount of donated sick leave to be granted. The maximum amount of donated sick leave that an employee may receive is 120 days for

each qualifying event. Nothing shall prohibit additional requests for separate qualifying events under Article 21.11.1.

21.11.5 Donated sick leave may be used on an intermittent basis for a gradual return to work as recommended by the employee's medical provider and authorized by the CCSNH or for medical appointments related to the serious health condition for which the donated leave was granted. Upon return to work any unused donated sick leave shall remain as part of the recipient's sick leave balance.

21.11.6 Eligibility for shared sick leave ends either when an employee returns to full-time work, a medical condition improves to the point where it no longer qualifies for donated leave; the employee qualifies for long-term disability benefits pursuant to Article 16.2.4 of this Agreement; or the employee separates from employment. Donated sick leave remaining to the employee's credit at the time of employment separation, retirement, or death shall lapse.

21.11.7 The decision of the CCSNH Labor Management Shared Sick Leave Committee administering the shared sick leave program shall be final and binding. If a request is not approved, no further action shall be taken by the parties or by the requesting employee.

21.11.8 A CCSNH employee may voluntarily elect to participate in the New Hampshire Paid Family and Medical Leave (NHPFML) program offered through the State of New Hampshire. Such notifications shall be handled in accordance with supervisory directives and institutional procedures. Upon return to work from

an unscheduled absence due to an allowable use of sick leave the employee must file a request for leave with their supervisor.

21.12.5 When sick leave is used to cover work time due to personal illness or injury, medical documentation may be required to substantiate the absence and/or to indicate the ability of the employee to return to work following an illness or injury. The use of sick leave for extended illness or injury requires medical documentation and may be subject to the provisions of the Family and Medical Leave Act of 1993 (FMLA).

21.12.6 Upon termination of employment, the amount of sick leave remaining to the employee's credit shall lapse.

## **Article 22: LEAVE OF ABSENCES WITHOUT PAY**

Essential personnel shall be required to report to work as scheduled. Footwear selection shall be at the discretion of the employee provided that the selected footwear meets the occupational safety and health standards for the job. An additional allowance shall be paid only when the footwear is damaged due to a job related activity or through normal wear and tear. 31.6.2 Pursuant to RSA 188-F:15, as amended, the dependents of eligible full-time employees may enroll in any of the regular credit courses offered by a CCSNH college at a 50% tuition discount of the current in-state tuition rate. This benefit is not cumulative; that is, if both parents are employed on a full-time basis by the CCSNH, one-half (50%) of the current in-state tuition for their dependent child or children must be paid. The dependent tuition benefit shall be processed in accordance with CCSNH policies and procedures.

31.6.3 Pursuant to RSA 188-F:15, III, as amended, part-time covered employees as defined in accordance with Article 1.12, who have completed one year of previous service at the CCSNH shall be entitled to enroll in any credit course offered by a CCSNH College, where the tuition is paid to the CCSNH entity, at a 50% tuition discount and waiver of the Comprehensive Student Services fee and Academic Instruction fee. The employee tuition benefit shall be processed in accordance with CCSNH policies and procedures.

31.6.4 To the extent that RSA 188-F:15 is modified during the term of this Agreement, such changes will apply to the tuition benefit described in this section.

## **Article 32: INTELLECTUAL PROPERTY**

32.1 *Applicability:* This provision applies to all covered employees involved in carrying out the CCSNH's mission while under the auspices of the CCSNH.

#### 32.2 Definitions.

32.2.1 *Intellectual Property.* As used in this provision, intellectual property includes not only technology such as inventions, discoveries, creations, or authored works which may be protected legally (such as with Patents and Copyrights), but also the physical or tangible

embodiment of the technology, such as biological organisms, plant varieties, or computer software based on or derived from research data.

32.2.2 *Scholarly Works*. Traditional publications in academia regardless of their medium of expression, such as books, case studies, peer-reviewed manuscripts, journal articles, glossaries, bibliographies, creative works, etc.

32.2.3 *Course Material*. Those elements that constitute an academic course delivered in traditional and non-traditional (online, e.g.) mode, including but not limited to: syllabi, course descriptions, class and lecture notes, quizzes, tests, assignments, laboratories, study guides, and content.

### 32.3 Provision for Ownership:

32.3.1 The CCSNH relinquishes any claim to ownership of scholarly works and assigns intellectual property rights to the covered employee.

32.3.2 Course material created by the covered employee in the fulfillment of the employee's normal duties and responsibilities under this collective bargaining agreement is presumed to belong to the employee for proprietary or marketing purposes outside of the college but is available to the college for internal review, use and distribution within the CCSNH and to external accrediting agencies.

32.3.3 If a covered employee retains title to copyright of course material or scholarly works developed as part of their regular employment responsibilities, the employee shall grant to the CCSNH a non-exclusive, irrevocable, royalty-free right to use, display, duplicate, create derivative works and/or distribute the materials with appropriate attribution for educational, grant fulfillment, and/or research purposes.

32.3.4 The CCSNH shall retain ownership and intellectual property rights to work commissioned by the college pursuant to a written contract or memorandum of understanding (MOU) with the covered employee.

## **Article 33: HEALTH AND SAFETY**

33.1 The CCSNH shall use its best efforts to provide and maintain safe, secure, and healthy working conditions and the Association shall fully cooperate by encouraging covered employees to perform their assigned tasks in a safe manner and to report safety concerns to management.

33.2 No employee shall be required to perform any work under conditions that may reasonably endanger their health, safety, or physical wellbeing.

33.3 A Safety Committee composed of equal members of management and covered employees shall be established at each CCSNH college and system office. The purpose of such safety committees shall be to develop programs of safety education and training, health protection and reasonable standards for compliance by both employer and employee. Each safety committee shall meet at least quarterly to develop and carry out workplace safety programs. Covered employee representatives shall be appointed by the Association. Covered employee representation on a CCSNH college safety committee may include covered faculty and staff.

33.4 As reflected in the composition of the Safety Committees as noted in 33.3 above, institutional safety is a joint responsibility of management and its employees. Each Safety Committee will be

responsible for carefully analyzing all of the particular circumstances and conditions of its environment and for making well-considered written recommendations regarding safety practices, equipment, and personnel to the College or System Office administration. Such recommendations will be responded to in writing within thirty (30) calendar days of submission.

33.5 Each CCSNH institution agrees to maintain up-to-date first aid kits located in secure but readily accessible areas. All on-the-job injuries, regardless of seriousness, shall be immediately reported to the employee's supervisor. The names and telephone numbers of emergency services, e.g. police, fire, licensed ambulance services and the poison control center shall be posted on official bulletin boards and in each room near the telephone.

33.6 Each CCSNH institution shall have an emergency response and notification plan in place and such plan shall include appropriate training and be communicated effectively to all covered employees.

33.7 In the event that inmate labor from a correctional facility is to be used at any College or the System Office, all covered employees at the designated location shall be advised at least seven (7) calendar days prior to the arrival of any such inmate of where such labor is to be performed and as to the nature of the work to be performed. Such notice shall also be provided to the Association.

33.8 Mothers' Health Care: The CCSNH shall provide a private area and sufficient time for covered employee postnatal mothers to tend to lactation needs. Bathrooms shall not be designated as private lactations areas.

33.9 CCSNH institutions maintain electronic surveillance systems for the purpose of providing a safe and secure environment. In the event that such surveillance data is used in relation to the discipline or discharge of an employee, CCSNH shall provide a copy of such surveillance data to the Association as early as practicable, but no later than Step 1 of the grievance process.

33.10 The CCSNH shall issue or make available such protective clothing and equipment as deemed necessary to provide for the health and safety of employees.

### **Article 34: PERSONNEL FILES**

34.1 A personnel file exists as a record of an individual's employment history, achievements, and activities. The CCSNH shall maintain one official personnel file for each covered employee. This file shall be maintained at the CCSNH Human Resources Office under the custody of the CCSNH Director of Human Resources. The contents of personnel files shall include documents used to support personnel actions such as, compensation, benefits, performance evaluations and related documentation, counseling letters, disciplinary actions, training, licensure, certification, awards, commendations, and other employment records or employment-related correspondence. The existence of the official personnel file shall not preclude duplicative or non-official files, but any such files shall not be considered the official file of the employee. In the event that information is omitted, absent, or missing from their personnel file, the employee shall be able to submit such information to the CCSNH Human Resources Office and the same shall be included in such personnel file.

34.2 Medical records shall not be part of the employee's official personnel file. A separate file shall be maintained by the CCSNH Human Resources Office for documents including medical records obtained in the course of employment including any permitted drug or alcohol testing; first reports of injury; applications and memos of payments related to workers' compensation benefits; and requests for reasonable accommodations. Such files shall be available to the employee for inspection and copying.

34.3 Documents obtained or generated during the course of an investigation involving a covered employee shall be maintained in a confidential manner in a separate file from the employee's official personnel file. Any discipline or counseling resulting from such investigation shall be included in the employee's official personnel file as set forth in Section 34.1 above and Article 15 of the Agreement. Investigative documents pertaining to allegations that are determined to be unfounded shall be stored confidentially by the CCSNH Director of Human Resources for a period of five (5) years. After five (5) years, all such investigative documents shall be destroyed if there have been not further incidents within the five (5) year time period.

34.4 Documentation pertaining to disciplinary actions that are reversed or overturned through the process of formal or informal settlement shall be removed from the employee's official personnel file.

34.5 The employee, their authorized representative (with written authorization), and appropriate officials of the CCSNH and its colleges shall have the right to access an employee's personnel file. Third parties are not entitled to inspect personnel files, unless otherwise required by law.

34.6 Employees shall be allowed access to their official personnel file during normal business hours of the CCSNH Human Resources Office for inspection. Such inspection shall be made subject to prior arrangement with the CCSNH Human Resources Office. A single copy of documents requested by the employee shall be provided by the CCSNH Human Resources Office without charge.

34.7 Employees shall be provided with a copy of letters of complaint by a third party and letters of commendation at the same time such letters are placed in the personnel file. The personnel file shall not contain any anonymous correspondence.

34.8 An employee shall have the right to respond to any material placed in the personnel file and such response shall be made part of the personnel file appended to the original material. No material reflecting adversely on an employee's performance or related to any disciplinary action shall be placed in the personnel file until the employee has been given a copy or notified of the material.

34.9 No part of this provision shall be in violation of RSA 91-A, New Hampshire's "Right-to-Know" Law or RSA 275:56, and the parties agree to comply with the provisions of such statutes, as amended. Should new statutes become effective with regard to personnel files and records, the CCSNH will react appropriately to comply with those statutes and will notify all personnel accordingly.

### ***Article 35: NO STRIKE OR LOCKOUT***

35.1 The Association on behalf of its officers, agents, and bargaining unit members agree that so long as this Agreement or any written extension hereof is in effect, there shall be no strike or other forms of job actions declared unlawful by RSA 273-A:13.

35.2 Any member of the unit who violates the provisions of this Article will be subject to discipline, including discharge.

35.3 In the event of a prohibited action under this Article, the Association agrees to use every reasonable effort to inform members of the unit of the illegality of such activity and of the Association's policy of opposition to such activity.

35.4 The CCSNH agrees that neither it nor any of its Trustees, officers, agents, or employees shall engage in any lockouts or other forms of job action that have been declared unlawful for the life of this Agreement or any written extension thereof.

### **Article 36: NOTICES**

36.1 Notice to Association: Whenever a written legal notice is required to be given by the CCSNH to the Association, such notice shall be given to the state organization of the State Employees Association of New Hampshire, Inc., with offices in Concord, New Hampshire.

36.2 Notice to CCSNH: Whenever written legal notice is required to be given by the Association to the CCSNH such notice shall be given to the Human Resources Director at the CCSNH System Office.

### **Article 37: WAIVER**

37.1 Waiver by either Party of the other's non-performance or violations of any term or condition of this Agreement shall not constitute a waiver of any other non-performance or violation of any other term or conditions of this Agreement, or of the same non-performance or violation in the future.

### **Article 38: SEPARABILITY**

38.1 In the event that any provisions of this Agreement at any time after execution shall be declared to be invalid by any court of competent jurisdiction, or abrogated by law, such decision or law shall not invalidate the entire Agreement, it being the expressed intention of the Parties hereto that all other provisions not thereby invalidated remain in full force and effect.

### **Article 39: DURATION**

39.1 This agreement as executed by the Parties shall continue in full force and effect from [the date of signing] until midnight September 30, 2025, or until such time as a new Agreement is executed.

39.2 All provisions, economic and non-economic, of this Agreement will remain in full effect until the conclusion of any renegotiation of this Agreement and subsequent ratification by the membership of the Association and the CCSNH Board of Trustees.

39.3 The CCSNH and the Association shall have the right to reopen negotiations on any article of this Agreement upon mutual agreement.

39.4 Renegotiation of this Agreement will be effected by written notice by one Party to the other not later than October 15 or earlier by mutual agreement. Negotiations shall commence within fifteen (15) calendar days after the receipt of such notice.

39.5 The Procedures of Impasse will be followed in accordance with RSA 273-A:12.

Northeast Delta Dental

Read Your Dental Plan Description Carefully—This Outline of Coverage provides a very brief description of the important features of your dental benefits plan. This is not the insurance contract, and only the actual policy provisions will control. The Dental Plan Description itself sets forth in detail the rights and obligations of both you and your insurance company. It is therefore important that you READ YOUR Dental Plan Description CAREFULLY! Not all time limitations and exclusions are shown herein. Benefit percentages shown are based on the actual charges submitted up to the Maximum Allowable Charge for participating dentists, or Delta Dental's allowance for non-participating dentists.

## Delta Dental PPO plus Premier Network

You will get the best value from your Delta Dental Plan when you receive your dental care from one of our PPO (greatest savings) or Premier network participating dentists:

- ✓ No Balance Billing: Because participating dentists accept Northeast Delta Dental's allowed fees for services, you will typically pay less when you visit a participating dentist.
- ✓ No Claims Paperwork: Participating dentists will prepare and submit claims for you.
- ✓ Direct Payment: Northeast Delta Dental pays participating dentists directly, so you don't have to pay the covered amount up front and wait for a reimbursement check.

To find out if your dentist participates in our PPO or Premier network, you can: call your dentist, visit our website at [nedelta.com](http://nedelta.com), or call Customer Service at 1-800-832-5700.

## Claim Process for Participating Dentists

Your participating dentist will submit your claim to Northeast Delta Dental (claims for any of your covered dependents should be submitted under your Subscriber ID number). Northeast Delta Dental will produce an Explanation of Benefits (available through our Benefit Lookup site at [nedelta.com](http://nedelta.com)) detailing what has been processed under your plan's coverage. You are responsible to pay any outstanding balance directly to the dentist.

## Non-Participating Dentists

If you visit a non-participating dentist, you may be required to submit your own claim and pay for services at the time they are provided. Claim forms are available by visiting [nedelta.com](http://nedelta.com) or by calling Northeast Delta Dental. Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignment of benefits be honored and Northeast Delta Dental receives written notice of such assignment. Payment for treatment performed by a non-participating dentist will be limited to the lesser of the dentist's actual submitted charge or Delta Dental's allowance for non-participating dentists in the geographic area in which services are provided. It is your responsibility to make full payment to the dentist.

## Pre-determination of Benefits

Northeast Delta Dental recommends that you ask your dentist to submit a pre-treatment estimate for any dental work involving costly or extensive treatment plans. Pre-determinations help avoid any potential confusion and enable us to help you estimate any out-of-pocket expenses you may incur.

## Coordination of Benefits

When an individual covered under this plan has additional group coverage, the Coordination of Benefits (COB) provision described in your Dental Plan Description booklet will determine the sequence and extent of payment. If you have any questions about COB, please contact our Customer Service Department at 1-800-832-5700.

## Identification Cards

Identification cards will be produced and distributed shortly after your initial enrollment. Any future cards will be issued electronically via our Benefit Lookup site accessible through [nedelta.com](http://nedelta.com). You can also use the Delta Dental mobile app and enjoy access to dentist search, claims and coverage, and your ID card.

## Health through Oral Wellness® (HOW®)

## Dental Plan Description Booklet

You will receive a Dental Plan Description booklet shortly after your enrollment or it can be located on your company intranet, if applicable. Appendix E: Same Sex Domestic Partner Benefit Eligibility shall be eliminated effective July 1, 2014

A benefits-eligible employee may obtain benefits for their same sex domestic partner and their eligible dependents. Eligibility for same sex partner domestic partner coverage requires the filing of a complete and authorized "Affidavit of Same Sex Domestic Partnership." Such documents must be filed with the CCSNH Human Resources Office. The Affidavit of Same Sex Domestic Partnership requires that the employee and the employee's same sex domestic partner attest to the following:

1. The partners are of the same gender, are at least 18 years of age, and are mentally competent to consent to contract;
2. The parties are each other's sole same sex domestic partner, responsible for each other's common welfare and financial obligations;
3. Neither party is legally recognized as being married to another person or the common law spouse of another person in the State of New Hampshire, nor are the partners related by blood to a degree that would prohibit marriage in the State of New Hampshire;
4. The domestic partnership has been in existence for the past six (6) consecutive months prior to filing the Affidavit of Same Sex Domestic Partnership;
5. The employee and their same-sex domestic partner share a residence; and
6. One of the following four (4) conditions must exist for the partnership (the CCSNH employee may be asked to produce confirming documentation):
  - a. The parties have one of the following arrangements:
    - i. Joint ownership of a motor vehicle
    - ii. Joint bank account(s)
    - iii. Joint credit card account(s)
    - iv. Lease for a residence identifying both parties as tenants
    - v. Joint mortgage or ownership of residence.
  - b. The employee has designated the same sex domestic partner as:
    - i. A beneficiary of the employee's life insurance coverage; or
    - ii. A beneficiary for the death benefit payable from the employee's state retirement annuity; or A primary beneficiary in their will or trust
  - c. The parties have executed a "relationship contract" which obligates each of the parties to provide support for the other and provides, in the event of termination of the domestic partnership, for a substantially equal division of any property acquired during the relationship.
  - d. Proof of a legally issued and recognized civil marriage or civil union<sup>1</sup>.

<sup>1</sup> Civil marriage is the legal term currently used in New Hampshire to designate a marriage between same-sex parties pursuant to NH RSA 457. Civil union refers to any civil "marriage-equivalent" relationship between same-sex partners that is legally contracted outside of New Hampshire, by whatever name designated. Civil union and marriage are not intended to include common law marriage, even if such relationship is recognized by law in the jurisdiction of the employee's residence.

#### Appendix F: Bonus Leave Earned Prior to July 1, 1995

F.1 Bonus Leave Earned Prior to July 1, 1995: CCSNH employees, who possess a balance of bonus leave earned prior to July 1, 1995 shall be eligible to retain said balances of bonus leave in addition to any other forms of leave provided in this Agreement. Use of such earned bonus leave shall be administered in accordance with the Article 20 of this Agreement.

A covered employee who resigns, retires, or is dismissed shall receive a sum equal to the number of days of bonus leave earned prior to July 1, 1995 remaining to their credit, provided that any or all amounts may be applied to offset any amounts owed to the CCSNH by the employee. In the event of death, a sum equal to the number of days of said bonus leave remaining shall be paid to the employee's estate.

Appendix G: Memorandum of Understanding  
Between the Community College System of New Hampshire and  
The State Employees' Association of New Hampshire, Inc., SEIU Local 1984

Medical and Dental Insurance Coverage for Married CCSNH Employees

The parties agree that Article XVI, Section 16.2, of the said CBA shall be interpreted and enforced in the following way with respect to married couples, both of whom are benefit eligible employees of the CCSNH, when they elect to be covered by the CCSNH health and dental insurance plan(s) under section 16.2.1 and 16.2.2.

Marriage is the legally recognized union of two people. The CCSNH recognizes marriages legally contracted in or outside of the State of New Hampshire in accordance with NH RSA 457, as amended. Pursuant to NH RSA 457 civil marriage is the legal term to designate a marriage between same-sex parties. Civil union refers to any civil "marriage-equivalent" relationship between same-sex partners that is legally contracted outside of New Hampshire, by whatever name designated. Civil union and marriage are not intended to include common law marriage or domestic partner relationships, even if such relationship is recognized by law in the jurisdiction of the employee's residence.

1. For married couples with no dependents: the individuals may jointly elect one 2-Person Plan, or they may separately elect two 1-Person (Employee Only) Plans.
2. For married couples with one dependent: the individuals may jointly elect one Family Plan, or they may separately elect one 1-Person (Employee Only) Plan and one 2-Person Plan.
3. For married couples with two or more dependents: the individuals may jointly elect one Family Plan, or they may separately elect one 1-Person (Employee Only) Plan and one Family Plan.
4. No CCSNH employee or dependent will be covered by more than one health or dental insurance plan.

Appendix K: Memorandum of Understanding  
Between the Community College System of New Hampshire and  
The State Employees' Association of New Hampshire, Inc., SEIU Local 1984

**Implementation of Covered Staff Position Classification Structure**

The Community College System of New Hampshire (CCSNH) and the State Employees' Association of New Hampshire Inc., SEIU Local 1984 (SEA) on behalf of full-time and part-time covered staff, enter into this Agreement related to the implementation of the new staff position classification structure.

The Parties agree to the following:

The CCSNH shall implement the new position classification structure, as outlined in Appendix A of the Agreement, for CCSNH covered staff beginning February 9, 2024. A position reclassification resulting in a change in salary grade shall be processed in accordance with Article 13.10 of the Agreement.

The classification review process shall not apply to those CCSNH employees appointed to an academic staff job classification and an academic salary schedule, as outlined in Appendix J of this Agreement.

No covered employee whose position classification changes as a result of the implementation of the new position classification structure effective February 9, 2024 will be placed at a lower salary grade.

A covered employee whose change in position classification results in a transition from a non-exempt to an exempt status shall be eligible for additional step placement when the initial step placement in the new salary range is less than the employee's former annualized earnings inclusive of their average overtime wages calculated annually for a period of up to three calendar years. Average annual overtime wages will be calculated based on the total amount of overtime paid to the employee within the calendar year divided by the number of pay periods in which the employee worked.

Nothing herein shall effect the application of Article 13.10 as it pertains to position classification changes resulting from the implementation of the new position classification structure effective February 9, 2024.
