	APPENDIX A - SALARY INDEXING FOR ADMINISTRATORS.....	<u>1011</u>

This Agreement is agreed to by the Claremont School District, hereinafter called the "District" and the Claremont Administrators' Association, hereinafter termed the "Association" or "CAA" and shall be in force for the year beginning July 1, 2022 and ending June 30, 2025. It is agreed that this instrument supersedes any past practice and any provision of policies or procedures of the District which are contrary to, or are not specifically covered by this Agreement.

I. Membership

The Association has presented to the District satisfactory evidence that it represents the Principals, Assistant Principals, Career and Technology Director, Athletic Director, and Student Services Coordinators who are employed by the District and are paid on an administrative salary schedule.

II. Association

- A. The District recognizes the Association as the exclusive unit with which to negotiate for its members, and agrees not to negotiate the terms of this Agreement with any other group, individual, or organization.
- B. It is agreed that it is the individual right of a person to join in the Association. Membership in the Association shall not be required as a condition of employment.
- C. The Association will provide the Superintendent of the District with the names of its duly authorized representatives and will promptly notify him/her of any changes.

III. Procedures

To change the Agreement the following procedures shall govern:

- A. Meetings - The parties shall meet within two (2) weeks of receipt of a written request.
- B. Directing Requests - The Association will make its requests for meetings directly to the Superintendent (or his/her designated representatives), who shall promptly transmit the same to the School Board. The School Board will make its requests for meetings to the President of the Association by means of a communication from the Superintendent's Office. The parties shall fix a mutually convenient meeting date.
- C. Exchange of Facts, Views - Facts, opinions, proposals, and counter proposals shall be exchanged freely and in good faith during the meeting(s) and between meetings (if advisable) in an effort to reach mutual understanding and agreement.
- D. Proposals - Whenever proposals initiated by either party are adopted by the School Board and the Association, they become a written part of the Agreement.

IV. Administrator's Rights

- A. Nothing contained herein shall be construed to deny or restrict any administrator such rights as he/she may have under State of New Hampshire School Laws or other applicable laws and regulations. The rights granted to administrators hereunder shall be deemed to be in addition to those provided elsewhere.
- B. The foregoing will in no way limit the authority of the Superintendent to suspend an administrator and/or to recommend dismissal under State Law to the Board, or the authority of the Superintendent and Board, under State Law, to dismiss an administrator.
- C. An employee covered by this Agreement shall have the right to have an Association representative present upon request, if disciplinary action/case is being discussed.
- D. No administrator shall be disciplined except for just cause.
- E. Administrators will be given a copy of any information placed in their personnel files if such material pertains to administrative performance or behavior.
- F. In the event that individual contracts are issued before negotiations between C.A.A. and the Claremont School Board are concluded, it is mutually agreed that these individual contracts will be amended to reflect any subsequent changes in the Master Agreement.
- G. Any contract issued will represent the complete Agreement between the parties. Said contract is subject to Section A above and shall be signed by the district prior to it being offered to the individual bargaining unit member.

V. Grievance Procedure

Definition - A "grievance" is a claim based upon an event or condition which affects the welfare and/or terms and condition of employment of an administrator based upon the interpretation or application of any of the provisions of this Agreement. An "aggrieved administrator" is a person or persons making the claim. All time limits specified in this Article shall mean working days.

Purpose - The parties acknowledge that it is most desirable for an employee and his/her immediately involved supervisor to resolve problems through free and informal communications. Grievances which are not satisfactorily settled in an informal way shall be reduced to writing and referred to the following formal grievance procedure.

Formal Procedure - The grievance shall state the specific violation or condition with proper reference to the Agreement. It shall also set forth names, dates, and any other related facts which will provide a sound basis for a complete understanding of any such grievance. A grievance to be considered under this procedure must be initiated within ten (10) working days of the date the employee knew or should have known of the action which gives rise to his/her claim. Failure to initiate a grievance within this time will make the grievance null and void.

Level A - Within five (5) working days of a grievance being referred, the Superintendent will meet with the participant(s) and shall give a written answer within seven (7) working days of any such meeting. If the grievance is not settled at this level, then within five (5) working days of receipt of the answer rendered at this level, the grievance may be referred to Level B.

Level B - Within ten (10) working days of a grievance being referred to this level, the Board will meet with the participants of Level A and examine the facts of the grievance. The Board will give its answer within five (5) working days of any such meeting.

Time periods specified in this procedure may be extended by mutual agreement.

In the event a grievance is filed on or after June 1, the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedure may be exhausted as soon thereafter as is practicable. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits, (unless extended by mutual agreement) shall permit the aggrieved person to proceed to the next level. Failure at any level of this procedure to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

Any party in interest may be accompanied by counsel or by a representative selected by the grievant/s. The Association may appear and be heard at any stage of the grievance procedure.

When an Administrator is noted to have deficiencies in performance, a plan of correction shall be mutually developed in which the Administrator shall be given an opportunity to correct deficiencies and improve in performance.

IX. Dismissal

An administrator may be lawfully discharged in accordance with State statutes.

X. Reduction-In-Force Policy

The Board will notify the Administrator(s) being affected by a reduction in the administrative group as soon as the potential reduction is known. The affected Administrator(s) will be notified of the potential reduction in writing and will be given the opportunity to discuss the reduction with the Superintendent of Schools. Such notification will take place prior to March 30th of the given year.

The Superintendent of Schools will consider the following in determining which staff will be subject to R.I.F.: performance, training, certification, seniority, and the needs of the district. Seniority will rule if all other factors are determined to be of equal or insignificant difference. Seniority is defined as length of service in the Claremont School District in administrative positions.

Administrators affected by reduction in force will be given every opportunity to apply and be considered for an appropriate teaching position which may become available. Those individuals who have prior teaching experience in the Claremont School District will have their seniority grandfathered for their actual teaching time. Individuals with such experience will be placed on the district's teaching seniority list on an annual basis as appropriate.

If an Administrator's contract is not renewed because of a reduction in force, that Administrator's name will be placed on a recall list for a period of two years. If a position becomes available during that period, and the administrator is qualified to hold that position, the Administrator will be notified in writing by registered mail sent to the last known address, at least 30 days prior to the anticipated date of re-employment.

In determining whether an Administrator is recalled for reappointment, the Board will employ, in reverse order, the same criteria it established to determine layoff order.
