The Board agrees it will not engage in any form of lockout against employees.

6. Management Rights

- A. The parties agree that all the rights and responsibilities of the Board which have not been specifically provided for in this agreement are retained in the sole discretion of the Board whose right to determine and structure the goals, purposes, functions, and policies of the District without being subject to the grievance and arbitration procedures of this agreement shall include but not limited to the following: a) the right to direct employees, to determine qualifications, promotional criteria, hiring criteria, standards for work and to hire, promote, transfer, assign, retain employees in positions; and to suspend, demote, discharge, or take other disciplinary actions against an employee for proper and just cause, subject to the other provisions of this agreement, including grievance and arbitration; b) the right to relieve an employee from duty because of lack of work or other legitimate reasons; c) the right to take such action as is in its judgment it deems necessary to maintain the efficiency of District operations; d) the right to determine the means, methods, budgetary and financial procedures, and personnel by which the operations are to be conducted; e) the right to take such actions as may be necessary to carry out the missions of the District in case of emergencies; f) the right to make rules, regulations and policies not inconsistent with the provisions of this agreement and to require compliance therewith; and g) the right to subcontract.

At the discretion of the District's representative, additional matters for discussion may be placed on the agenda. When such is the case the Union will be given five (5) days to consider the matter prior to its discussion. Nothing contained herein shall prevent the District and its representatives from meeting on a less frequent basis on mutual agreement.

Accordingly, the Claremont School District agrees that the school video surveillance system shall not be used primarily for the purpose of monitoring employees' day to day activities in an effort to uncover otherwise unsuspected employee misconduct and is not intended to be an evaluative tool. Provided however, nothing herein shall be construed to prohibit the Claremont School District from using any video recordings in disciplinary or evaluative matters where misconduct is first discovered, suspected or reported through other means or through the routine and appropriate use of the video surveillance system in a manner that conforms with the requirements of this provision. B. Procedure

- C. The cost of the arbitration shall be borne mutually by both parties.
- D. The foregoing time limitations may be extended by mutual written agreement of the parties.

If transferred to a position with a higher classification on a substituting basis, the pay will be at the higher rate during the period of substitution. Any transfer lasting longer than the time frames set forth above shall be filled on a voluntary basis when practicable. The employee shall be notified by email confirming the terms of the reassignment.
- D. Adjustments in rates of pay based on qualifications and experience, for new hires, will be determined after the satisfactory completion of a 90 calendar day probationary period and will not exceed step 4 on the salary schedule. All step adjustments after the 90 calendar day probationary period which are recommended by the Building and Grounds Director and approved, shall be forwarded to the Association. Further, all personnel start on step 1 and no retroactive pay will be given following the initial trial period. If a rate of pay adjustment is made after the 90 day probationary period and after January 1st, the employee will remain on the adjusted step until June 30th of the next calendar year. For example, an employee who is hired on January 15th and whose rate of pay is adjusted on April 15th, shall stay on the same step for the next contract year. In no case shall an employee's rate of pay be adjusted to be higher than that of a current employee with equal or greater experience.
- E. Vacancies

Notice of vacancies within the Claremont School District will be posted on the District's website and sent to the Association when the District decides to fill such vacancy. Such notice shall contain the date of posting, closing date and a copy of the applicable job description. The period between posting of the position and the closing of applications shall be no less than five (5) working days.

31. Contracting and Subcontracting Out

It is not the Board's intention to utilize outside contractors to perform existing bargaining unit work unless it is made necessary due to economy or efficiency of operation. It will continue to be the Board's alternative to employ contractors or subcontractors to perform work which is beyond the scope of existing job descriptions or in excess of that which can be accomplished within existing staffing levels.

32. Negotiations Procedure

Negotiations procedure will be consistent with NH RSA 273-A. All collective bargaining shall be conducted between the School Board and/or its representative(s) and the Association or its representative(s).

On or before October 1st prior to the expiration of this Agreement, the Association will submit to the Board written notice of its intent to negotiate a successor agreement

concerning salaries, fringe benefits, and terms and conditions of employment. Actual negotiations will begin on or before November 1st of that year.

Prior to any exchange of formal proposals, the Board will furnish to the Association upon request: names, years of experience granted, years of employment within the District, dates of hire, wage schedule placement, specific benefit coverage, and other relevant information for all bargaining unit members.

The Negotiating Committee of the Board and the Negotiating Committee of the Claremont Association of Maintenance and Transportation Employees shall have authority to reach a complete agreement, subject to ratification by the Board and the qualified voting members of the Association covered by this Agreement and subject also to the approval of any and all cost items negotiated by the Claremont School District pursuant to the provisions of RSA 273-A.

In the event of an impasse, the provisions set forth in RSA 273-A:12 Resolution of Disputes shall establish such procedures in resolving disputes. The Cost for the services of the mediator and/or fact finder including per diem expenses, if any, will be shared equally by the parties. The parties may, by mutual agreement, pass over mediation and go directly to fact-finding.

Any Agreement so reached shall be reduced to writing and shall be signed by the Board and the Association. A copy of the Agreement shall be filed with the New Hampshire Public Employee Labor Relations Board within fourteen (14) days of the signing. The Board and the Association shall be responsible, within forty-five (45) days of the signing, for publication and distribution of the Agreement to all bargaining unit members. The expense of such publication and distribution will be shared equally between the School Board and the Association.

33. Separability

In the event any provision of this Agreement in whole or in part is declared to be illegal, void, or invalid by any Court of competent jurisdiction, all of the other terms, conditions, and provisions of this Agreement shall remain in full force and effect to the same extent as if that provision had never been incorporated in this Agreement and in such event, the remainder of this Agreement shall continue to be binding upon the parties heretofore.

34. Effect of Agreement

A. This Agreement represents the final resolution of all matter in dispute between the parties and shall not be changed or altered unless the change or alteration has been agreed to and evidenced in writing by the parties heretofore.

B. Maintenance of Standards

Wages, schedules and conditions of employment will not be altered while this Agreement is in effect.

35. Duration of Agreement

1. This Agreement shall be in full force and effect from and after the date of this Agreement (see Article I) and shall expire on June 30, 2024.
