Article 1

Preamble

The **City of Claremont**, (hereinafter referred to as the "**City**"), and **NE Police Benevolent Association Local 217, Claremont Police Benevolent Association**, (Hereinafter referred to as the "**Union**"), hereby agree as follows:

Article 2

Purpose

The purpose of this Agreement is to set forth agreements reached between the City and the Union with respect to wages, hours and other terms and conditions of employment for employees in the bargaining unit described in the Recognition Article. The parties recognize that although some of the contract provisions contained herein are similar or identical to other union agreements, that this is an independent agreement.

Article 3

Recognition

3.1 The City recognizes the Union as the sole and exclusive bargaining agent for the purpose of collective bargaining on matters of wages, hours, and other conditions of employment for all employees. The Union recognizes the necessity of the City to Operate within its budget as set by the City Council.

3.2 The term "Employees" as used includes all positions identified in the PELRB Certification that is attached to this agreement and is hereby incorporated by reference.

3.3 The Union agrees to represent all employees in the Bargaining Unit without discrimination and without regard to membership in the Union. However, this shall not prevent the City Manager, department heads or assistant department heads from communicating or consulting with any employee or group of employees in their normal supervisory capacity as municipal officials. Nothing herein shall be construed to relieve the City of its obligation to negotiate terms and conditions of employment.

3.4 The City and the Union each reserves the right to act hereunder by Committee (which committee shall be reasonable in number), or designated representatives. This provision shall not be construed to allow the City to modify terms and conditions of employment except as otherwise permitted by law.

3.5 The inclusion or exclusion in the bargaining unit of new personnel classifications established by the City shall be preceded by discussion with the Union.

3.6 The City recognizes the Union as the exclusive bargaining agent only for the following full-time employees:

- Police Officer
- Police Detective
- Police Corporal
- Police Sergeant
- Communications Specialist
- Records Clerk

3.7 Excluded from recognition or coverage under this Agreement are the following job classifications:

Article 4

Non-Discrimination

The City agrees not to discriminate against a member of the Union because of race, creed, color, sex, religion, marital status, physical or mental disability, national origin, or for membership or non-membership in the Union, or any other class protected by law. The parties agree that this article shall not be construed to limit or abrogate any employee's rights otherwise protected by law.

Article 5

No Strike Clause

5.1 Under no circumstances will the union cause, encourage, sponsor, or participate in any strikes of any kind, stoppage of work, slow downs, or any kind of interference with, or interruptions of, the City's business by the Union or its members. In the event of any such activity, the City shall not be required to negotiate on the merit of the dispute that gave rise to such activity until any and all such activity has ceased. There shall be no lockout, partial or total, by the City.

5.2 Should any employee or group of employees covered by this Agreement engage in any activity prohibited by Section 5.1 of this Article, the Union shall forthwith disavow any such activity and shall use all means to induce said employees or group of employees to terminate such activity forthwith. It is understood that any employee violating this Article may be subject to disciplinary action.

Article 6

Management Clause

Except as specifically limited or abridged by the terms of this Agreement, the management of the City of Claremont in all phases and details shall remain vested exclusively in the Employer and its designated agents. The Employer and its agents shall have jurisdiction over all matters concerning the management of the City of Claremont, including but not limited to: the exercise of all of the rights, responsibilities and prerogatives that are inherent in the Employer or its agents by virtue of any statutes and/or ordinances, as well as the rights, responsibilities and prerogatives relating to, including, but not limited to the direction of workforce, the establishment of proper rules and regulations, the right to hire, supervise, discipline or discharge for just cause, relieving employees from duty for lack of work and/or funds, the right to decide classifications, the right to abolish positions, the right to determine the methods, processes and manner of performing work and the general control of all operations of the City of Claremont in all its phases and details as well as all rights retained by virtue of including, but not limited to, New Hampshire RSA Chapter 273-A, and any other provision(s) of the Revised Statutes Annotated or other laws. 7.6 The Union shall be allowed to make a reasonable number of copies for Union Business free of charge. A specific code may be provided and implemented for this purpose.

Article 8

Union Dues

8.1 Upon completion of the probationary period, all employees of the bargaining unit may become a member of the Union, as provided for herein.

8.2 The City agrees to deduct from the pay of each member of the bargaining unit the current union dues, as certified to the City by the Treasurer of the Union. Dues deductions shall be made each pay period.

8.3 The City shall send the amount deducted, with a list of those who had dues deducted, once each month, no later than the fifteenth calendar day of the following month, and submitted to Accounts Payable for the next check run, then forwarded to the Local Treasurer. The Union agrees to keep the City informed of the correct address where the dues are to be sent.

8.4 The Union will keep the City informed of the correct name and address of the Treasurer of their local Union. The Union also agrees to keep track of probationary periods and inform the payroll department of new members, by submitting a signed authorization form from each employee of the beginning and ending periods of union dues deductions. In the event that the employee has no check coming to him/her, or if his/her check is not large enough to satisfy the dues, then no deduction will be made from that employee. In no case will the City attempt to collect fines or assessments for the Union beyond the regular dues of dues-paying bargaining unit members.

8.5 Any employee who is not a member of the Union (non-dues paying) and is covered by this agreement who requests representation from the Union shall pay directly to the Union the full fair cost of such representation, to include all fees, as determined by the Union. The City has no responsibility concerning any full fair cost payment arrangement between the Union and a non-dues paying bargaining unit member. In no case will the City attempt to collect fees for the Union beyond the regular dues.

Article 9

Probationary Employees

9.1 All newly hired employees must serve a probationary period of one year from the date of hire. During such probationary period, such employees shall be entitled to the benefits of this Agreement, however, Articles 27 and 28 shall not apply. Nothing herein shall be construed to abrogate or limit the application of section 9.2.

9.2 Probationary employees may be disciplined, including but not limited to, suspended or terminated for any reason and at any time by the Employer, in its sole discretion and neither the employee so disciplined, suspended or terminated, nor the Union, shall have recourse to the grievance procedure concerning any such discipline, suspension or termination.

9.3 All employees whose positions require licensing or certification must be licensed or certified as a condition of continued employment within 6 months after the end of their probationary period unless otherwise extended by state licensing or certifying authority.

9.4 All newly hired police officers may be required to execute a promissory note upon hire under which they will be subject to economic penalties if they do not remain employed by the Claremont Police Department for a period of (3) years. The amount of the promissory note will be based on the approximate cost of training and outfitting said employee as established by the Chief of Police. Said promissory note will be prorated over a thirty-six (36) month period.

Article 10

Seniority, Promotions, Demotions and Vacancies

10.1 Seniority shall be defined as the employee's total time of continuous employment with the City. Departmental seniority is defined as the time worked within the current department of the employee. Classification seniority is defined as the total time in grade, rank or classification.

10.2 Probationary employees shall not be covered by this Article until they have completed the initial probationary period of one year and have become regular full-time employees at which time their seniority shall be computed from their date of original hire by the City.

10.3 In the event of a lay-off or reduction in the work force, an employee with the least Department Seniority shall be laid off first. Employees with the greatest department seniority shall be rehired first.

10.4 Employees shall be recalled for up to 18 months. Employees recalled shall not lose their department seniority. Notice of recall shall be sent, by certified mail, to the laid-off employee's last known address as shown on the City's records. The recall notice shall give the employee a minimum of 14 calendar days on which to return.

10.5 An employee's seniority shall be lost for, but not limited to, the following reasons:

- a. Discharge
- b. Voluntary quit, resignation or retirement
- c. Failure to respond to a notice of recall as specified.
- d. Illness or injury not covered by Workers' Compensation resulting in an inability to perform an employee's regular work with the City which lasts longer than the approved leave of absence.

10.6 An employee who is hired for only a limited period of time to fill a vacant regular full-time employee's position, not to exceed one (1) year, shall not be entitled to the terms of this Agreement.

10.7 Posting of all vacancies and new positions shall occur within fifteen (15) calendar days from the date that the vacancy occurs. If a vacancy occurs and there will be a delay in filling due to monetary shortages or other stated reasons, the length of the delay shall be posted within fifteen (15) calendar days. All vacancies and new positions shall be open to application by Union employees. Employees may submit their applications to the Chief and/or the Human Resources Manager. Status Change applications for employment shall be filled out by the individual seeking the promotion or transfer. The Chief shall be responsible to distribute the applications to the Human Resources Department within seven (7) calendar days of the closing date. The closing date will be specified on each posting. The City of Claremont reserves the right to repost any position if it feels it is in the City's best interest. The position will be awarded to the most qualified by job description as determined by the Chief of Police along with the concurrence of the Claremont Police Commission. If two or more employees are equally qualified for the position, the employee with the most seniority shall be given preference. Promotions shall be subject to a one-year probationary period.

10.8 Employees in the department where a vacancy occurs who are absent during the entire posting period shall be automatically placed on the list for consideration for the position(s) posted, provided, however, that such employee may, at their discretion, have their names removed from the list within seven (7) calendar days of returning to work, and provided further, that if the position has to be filled, at the discretion of the employer, prior to the time an employee can return, then the employee's name will be removed from the list.

10.9 An employee transferred from another division or promoted to a new position shall have a one-year probationary period. If the employee fails to gain seniority in the new position by the supervisor's appraisal, the employee may return to the position the employee left, displacing the least senior person in that classification.

10.13 Temporary Alternate Positions - Any employee who shall perform duties and responsibilities in an alternate position or higher classification shall be paid the salary rate of the higher classification. This Acting Time provision only applies in case of extended sick leave, department injury, or vacancy of more than three (3) days of duty and shall not apply to vacations or any other leave with pay. Acting Time will be at the lowest rate of the classification provided the rate is higher than the employee's present rate of pay. No Union benefits shall be affected during this time in an acting position.

10.14 At no time shall a part-time patrol officer have authority over a full-time officer.

Article 11

Special Positions

11.1 Canine Officer - At the discretion of the Chief of Police, the officer who is assigned a police dog as part of his/her duty assignment may have his/her schedule modified to accommodate training or other department needs that require deployment of the team.

11.2 Whenever possible and consistent with appropriate regulations, the Canine Officer will be assigned a police vehicle specifically equipped for canine service. This vehicle may be taken home by the officer (unless department needs dictate otherwise, i.e., other vehicles down for repairs, transportation to training, etc.) to facilitate his/her response to incidents requiring use of the canine. The vehicle will only be used for official police duties.

11.3 The department will supply all items required for the maintenance of the canine to include, food, veterinary care, and equipment.

Rules for the wearing and use of Uniforms shall be as prescribed by the City. The clothing and equipment furnished by the City shall remain the property of the City. Employees shall sign for this personal equipment. Unserviceable personal equipment provided by the City may be returned for replacement at no cost to the employee. The Chief shall have the discretion to waive reimbursement.

12.5 Employees shall not store personal items or equipment in City-owned vehicles without the prior approval of the Chief. Notwithstanding, employees that elect to bring such property to work assume the risk of loss.

12.6 Any employee injured on the job shall be directed to the **Urgent Care Unit** at Valley Regional Hospital whenever practicable for a medical checkup. This responsibility shall be administered by the supervisor or command staff officer. The current City accident reporting policy shall be followed. Employees shall only be responsible for hospital expenses associated with non-work-related injuries.

12.7 Full-time non-uniformed members of the Detective Division shall be provided with a six hundred dollar (\$600.00) initial issue upon assignment to that division. Should their assignment last in excess of eighteen (18) months, an additional amount of thirty-three dollars (\$33.00) per month for the

duration of the assignment shall be provided. These members shall also have their clothes cared for by the City. This amount shall be considered a taxable fringe benefit according to IRS regulations and shall be subject to all required taxes.

12.8 Ammunition – Each year, all full-time police officers, upon request, will receive two hundred fifty (250) rounds of service ammunition for the purpose of target practice to improve skills.

Article 13

Holidays

13.1 The following shall be observed as paid holidays for all full-time employees:

New Year's Day	Thanksgiving Day
President's Day	Day after Thanksgiving
Memorial Day	Day before Christmas
Independence Day	Christmas Day
Labor Day	Floating Holiday
Veteran's Day	

13.2 Holidays falling on a Saturday shall be celebrated on the preceding Friday, while those falling on a Sunday shall be celebrated on the following Monday.

13.3 If a holiday occurs while an employee is on vacation, the employee will be charged with the holiday and not a vacation day. If a holiday occurs while the employee is on sick leave, the employee will be charged with the holiday and not a sick day. This provision shall not be construed to negatively impact employees that bank holiday.

13.4 Unless otherwise agreed to in advance by the Chief, holiday pay shall not be paid if an employee fails to report to work on the last scheduled workday prior to the holiday and the first scheduled workday after the holiday, except for approved sick leave or bereavement leave. If an employee becomes ineligible for holiday pay under this article as a result of a bona fide illness or circumstances beyond their control, said employee shall be entitled to petition the Chief in writing to make an exception to the policy. The Chief may grant this exception if, in his/her discretion, the employee is able to demonstrate by reasonable and appropriate means that he/she was in fact ill. This right to petition will not be subject to the grievance procedure. Nothing herein shall be construed to prevent an employee from receiving holiday pay if he/she actually worked on the holiday in question, unless said holiday is observed on a different day.

13.5 Police and Police Dispatchers shall be paid at their regular hourly rate for each of the above listed holidays whether or not the employee is on sick or vacation leave. Employees who are scheduled to work and actually work in the police department or emergency communications center on Thanksgiving Day, Christmas Eve and/or Christmas Day shall be paid at the rate of one and one-half (1 ½) times their standard hourly rate. (Prior to December 15, police department employees shall notify their Chief (or designated representative) of their wish to have all holiday pay to be paid as due, or to be paid for all holidays in a lump sum (one check) on or before December 1, of the following year.)

13.6 Floating holidays must be approved at least seven (7) calendar days in advance of the employee's requested date by the Chief or his/her designee. The Chief may take into consideration the needs of the department, scheduled projects, and prior approved leaves in approving the requested leave. Approval shall not be unreasonably withheld.

Article 14

Leave Provisions

14.1 Sick Leave: Each full-time employee shall accrue eight (8) hours of sick leave for each month worked. Probationary employees may accrue sick leave but are not entitled to use the accumulated sick leave until three months of their probationary period has been completed. Workers' Compensation leave shall be considered time worked for purposes of this Section. Sick leave may be accumulated to a maximum of three hundred sixty (360) hours. Employees who have more than three hundred sixty hours (360) accumulated on October 1, 1997 shall retain and be permitted to maintain their accumulated days. Further, employees that are recalled shall retain all sick hours accrued as of the date of layoff. Accumulated sick leave is lost when the employee leaves the City service, except as provided for herein. In the event of the death of an employee caused by or from the performance of the employee's duty, the City shall pay the employee's designated beneficiary one hundred percent (100%) of the employee's designated sick leave.

14.2 Sick leave is granted because of illness or off-duty accident of the employee or a member of the employee's immediate family, requiring the employee to stay home. In order to be paid sick leave, the employee must notify the Chief or his designee prior to the beginning of the employee's scheduled time to work, except for good cause shown. The employee may be required to furnish proof of sickness by a doctor's excuse, confirmation of doctor's appointment, or by reporting to Urgent Care at the City's expense. Employees who have been absent for five consecutive days or are out intermittently for a qualified reason will be placed on family medical leave (FMLA). If it is later determined to be that the absence was due to a work-related injury, all FMLA leave shall be credited back to the affected employee. Each employee placed on FMLA due to a non-work-related illness or injury shall be required to obtain a return to full duty work status without restrictions (fitness for duty/per employee's job description) prior to returning to work. This paperwork must be submitted to and approved by the Human Resources Manager prior to the beginning of the employee's shift. This requirement shall not be construed to prohibit any bona fide request for accommodations under The Americans with Disabilities Act Amendment Act (ADAAA). Employees who are placed on, or have requested FMLA leave, must keep the Chief and Human Resources Manager informed of their medical status.

14.3 Each full-time employee completing a full calendar year of employment with no sick hours used shall be entitled to twenty-four (24) vacation hours in addition to the employee's accrued vacation during the following calendar year. Employees taking twenty-four (24) sick hours or less during the calendar year shall be entitled to twelve (12) additional vacation hours during the following calendar year.

These days may not be carried over into the following year. Personal time may be taken at any time provided the shift is at full complement or adequate coverage is provided for within the department. Eight (8) hours must be taken in its entirety and the remainder may be used in four (4) hour increments.

Notwithstanding the foregoing, full time employees who have worked 200 hours or more of overtime and Communication Specialists who have worked 175 hours or more of overtime during the previous calendar year shall be awarded an additional eight (8) hours of personal time which must be taken in its entirety in the year granted.

16.2 Personal Days for Officers I the Patrol Division: In an effort to maintain two full days off for Officers working 12-hour shifts, full-time Officers in Patrol Division shall be entitled to twenty-four (24) hours of non-cumulative Personal hours each calendar year. Article 17

Injury Leave

17.1 Injury leave, as distinguished from sick leave, shall mean any paid leave given to an employee due to absence from duty caused by an accident or injury that occurred while the employee was on duty. Employees of the City are covered by Worker's Compensation Insurance. In the event of injuries causing temporary total disability of less than seven (7) days, the City will pay the employee's regular pay for such period since payments are not made under the Worker's Compensation Insurance for such accidents. Since Worker Compensation benefits do not provide payment of the employee's entire regular net pay, the City will augment the Workers Compensation payments up to the employee's regular 40 hours' net pay for a period not to exceed twelve (12) months. Any funds used to augment Workers Compensation payments after the first twelve months shall be deducted from an employee's accumulated sick leave. If an employee has used all of his/her sick leave, then vacation time, personal time, and/or earned time will be substituted to the extent available.

17.2 Except as provided for herein, in the case of injuries causing temporary total disability, the City will use the employee's sick time pay to pay the employee's entire regular pay during such periods when payments are not covered under the Worker's Compensation Insurance. If the employee does not have sick time available then any paid leave such as vacation time, personal time and/or earned time will be used to supplement the employee's wages up to net pay. In the event of injuries causing temporary total disability, the City will supplement the payments made by the Worker's Compensation, so that it will equal the employee's regular 40 hours Net Pay. Net Pay is defined as the amount of Pay an employee receives for 40 hours of work after necessary deductions such as Federal Income Tax, Pension, Social Security, Health Insurance, Dental Insurance, and Union Dues etc. In the event of permanent total disability or death resulting from an accident received on the job, these supplemental payments will be made subject to the same rules and regulations as Worker's Compensation Insurance and shall not be payable if the accident is due to intoxication, illegal drug use or willful misconduct on the part of the employee.

17.3 Employees within the same Department may contribute up to a total of forty (40) hours of sick leave per year to any other employee(s) within the same Department who suffers from a serious health condition and has exhausted all their available leave, excluding one week of vacation. Any employee who suffers from such a serious health condition and is about to exhaust all their available paid leave, excluding one week of vacation, is entitled to make a request in writing to the Sick Leave Donation Committee requesting additional days. Any employee who suffers from such a serious health condition and has exhausted all their available paid leave, excluding one week of vacation, may accept from other employees within the Department up to a total of two hundred and forty (240) additional hours of sick leave during any twelve-month period.

17.4 Upon receiving a request for additional sick leave, the Sick Leave Donation Committee shall determine eligibility. The eligibility determination shall be subject to the grievance process up to but not including arbitration. If it is determined that the union employee in question is eligible, the Committee shall post a notice of the request. Any employee wishing to donate sick leave to another union employee within the same Department, must communicate to the Human Resource Manager, in

writing, the number of hours the employee wishes to donate. In order to be eligible as a donor, the employee in question must maintain a minimum of one hundred sixty (160) hours of accumulated sick leave. Further, the employee who donates sick leave shall have the option of donating anonymously. The Sick Leave Committee shall not divulge the identity of any employee (s) who does or does not donate sick leave without their consent.

17.5 The Sick Leave Committee shall be comprised of the Human Resource Manager, the Director of Finance, and two union employees. The union members shall be designated at the beginning of each year and shall be selected by the union stewards/presidents of all four collective bargaining units.
