The District agrees to the extent that any policies or procedures of the District are contrary to the express provisions of this Agreement, then this Agreement shall supersede such policies or procedures.

III. NEGOTIATIONS PROCEDURE

- A. On or before October 15th of any year preceding the year of termination, either party may notify the other party of its intention to negotiate amendments or modifications of this Agreement or a successor agreement. The first negotiation meeting will be held prior to October 31st following the giving of such notice.
- B. So long as this Agreement remains in effect, prior to each District Board meeting, the District will provide to the Association the same written information at the same time as it provides to the *Concord Monitor*.
- C. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist or represent it in negotiations.
- D. The District and the Association recognize and will fulfill their obligation to negotiate in good faith as prescribed in **RSA 273-A**.
- E. Any agreement reached shall be reduced to writing and shall be signed by the District and the Association. A copy of the Agreement shall be filed with the Public Employees Labor Relations Board within fourteen (14) days of the signing.
- F. If agreement is not reached by January 15th preceding the termination date in any year, either party may declare an impasse and shall then follow the procedures outlined in **RSA 273-A** for the resolution of disputes.
- G. If the parties fail to agree on selection of a mediator or fact finder, and pursuant to **RSA-273-A:12**, the matter is referred to the Board for appointment of a mediator or fact finder, and if within twenty (20) days of such reference the Board has failed to appoint a mediator or fact finder, as the case may be, the parties will jointly and immediately petition the Board in writing for such appointment.

- H. If the Board does not make such an appointment within ten (10) days from the date of petition, either party may request the American Arbitration Association to appoint a mediator or fact finder, as the case may be, to which appointment the other party will be deemed to have consented.

IV. ASSOCIATION RIGHTS

- A. The District agrees that all employees within the bargaining unit shall have full freedom of association and self-organization and shall be free from coercion, interference, discrimination or reprisals by the District by reason of membership in the Association or the exercise of their rights under **RSA 273-A**. This Agreement shall not be interpreted as divesting the New Hampshire Public Employees Labor Relations Board of any jurisdiction conferred by **RSA 273-A**.
- B. The Association and its representatives shall be treated as "organizations directly associated with the schools" as defined in the District's *Manual of Policies* and shall have such rights with respect to the use of school buildings as are from time to time set forth in the *Manual of Policies* for such organizations.
- C. Representatives of the Association shall be permitted to transact association business on school property at reasonable non-working times (subject to IV, B above) or during normal business hours provided that it is during non-working time for the employee or employees involved.
- D. At any District wide meeting of Administrative Assistant personnel, the Association shall be given the opportunity to distribute reports and announcements, provided that such activity is scheduled by the District or its agents and that such activity does not interfere with the orderly conduct of the District's business.
- E. At the beginning of every school year, the Association will be credited with six (6) days to be used by Association Officers or Designees of such. Such use, with pay, will be at the discretion of the Association and shall not be taken for a period of less than one half (1/2) of a day.

V. DUES DEDUCTION

- A. The District agrees to deduct from the wages of the employees, dues for the Concord Educational Office Personnel Association, as said employees authorize the District to deduct and to transmit such dues to the Association. The Authorization will be in writing on the form contained herein (See Appendix G).
- B. Upon request, the District shall provide to the Association a list of bargaining unit members by August 1. The Concord Educational Office Personnel Association will provide the District a list of participating members along with the deduction amount for each member, signed by the Association President, no later than August 15 of each year. For new hires, the Association will provide a signed authorization form within thirty (30) days of hire or notification of hire. Deductions referred to in Section A above will begin September of each school year, provided the District has received the list and authorization forms required by this paragraph.
- C. The District will not be required to honor any authorizations that are delivered to it later than August 15th, except for newly hired employees who may submit a Dues Authorization form within thirty (30) days of hire.
- D. Fair Share

The District will honor any employee's written request to discontinue dues deductions.

The Association shall indemnify, defend and hold harmless the District against any and all claims, demands, suits, legal costs or other forms of liability (monetary or otherwise) arising out of or by reason of an action taken or not taken by the District for the purpose of complying with the provisions of this article.

The Administration shall make available to all employees an electronic copy of the labor agreement within thirty (30) days after a successor agreement is signed.

VI. EMPLOYEE RIGHTS

- A. The District recognizes each employee's rights as a citizen or resident of the United States of America. Such recognition does not make a claimed breach of this Paragraph A grievable under the provisions of this contract.

VII. VACANCIES AND NEW POSITIONS

- A. "Temporary Employees" includes all personnel hired by the District on a temporary basis for a period of six months or less for special projects or contingent positions. The District reserves the right to hire temporary employees for six months or less who shall not become members of the bargaining unit. Thereafter, temporary employees who work at least twenty (20) hours per week shall be provided with benefits in accordance with this Agreement for the duration of their employment or of the defined period of their employment. Temporary employees who have served six (6) months outside the bargaining unit shall have their seniority calculated from their original date of continuous service to the District if they are employed by the District without any break in service at the conclusion of their service as a temporary employee. The District may also hire replacement employees for a defined period of employment in accordance with Article VII, B.
- B. The District may hire replacements for bargaining unit members who are on leaves of absence for a defined period of employment only. It is understood that said replacement employees shall be considered temporary employees for up to six (6) months of their employment as defined in Article VII, A. Thus, replacement employees shall not be considered bargaining unit members and shall not receive benefits during that six (6) month period. Thereafter, replacement employees who work at least twenty (20) hours per week shall be provided with benefits in accordance with this Agreement for the duration of their employment or for the defined period of their employment. The termination of employment of a replacement employee, whether at any time after the six (6) month period of temporary employment or at the conclusion of his or her defined period of employment, shall not be considered a layoff and the layoff procedure in Article XI of this Agreement shall not apply to a replacement employee whose employment has been terminated. However, replacement employees who have served six (6) months outside the bargaining unit shall have their seniority calculated from their original date of continuous service to the District if they are employed by the District without any break in service at the conclusion of their service as a replacement employee.
- C. Whenever a vacancy occurs in an existing position or a new position is created by which the primary qualification is possession of normal secretarial or clerical skills, notification of such position shall be sent to the president of the Association before the position is otherwise advertised. The notice shall contain the following information: starting date, salary range, job description, department or building involved, the number of working days in the contract year, and the dates that the period for taking applications opens/closes. Any Administrative Assistant within the unit shall have a right to an interview for the vacant position, if that Administrative Assistant submits a written request not later than ten (10) business days after the date the position was posted. For the purpose of this Paragraph C, "business days" shall be defined as days that the District SAU Office is open for normal business.
- At the request of the Association's president, the District will provide the Association with the same information concerning the successful applicant as is printed in the District Directory.
- D. **Hiring Cap** - The intent of the following guideline is to assure that people hired from outside are not placed on a higher step than someone with equivalent experience from within the bargaining unit. Experience credit on the salary schedule will be for related education and work experience. No employee will be placed on a step higher than indicated by actual experience credit.

No new employee will be placed on the salary schedule at a salary step above step four (4). Bargaining unit employees transferring position within the District shall transfer step level.

- E. Whenever an Administrative Assistant Supervisor position is established, the position will be considered a newly created position that is subject to the application process in Article VII, C above. An Administrative Assistant Supervisor shall not be considered a Supervisor for purposes of Articles XI, XXIV and XXV of this Agreement.

VIII. TRAVEL ALLOWANCES

An employee may not be required by the District to use his/her personal car for District business. If an employee is requested to use his/her car in the course of employment, such employees will be reimbursed for the use of his/her car at the rate established by the District. The rate established by the District shall not be less than the applicable rate for the State of New Hampshire.

IX. HOLIDAYS

- A. Employees in the bargaining unit shall be granted the following days with pay provided they fall within the employee's contracted work year: Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day and the day following, the day before Christmas, Christmas Day, the day after Christmas, New Year's Day, President's Day, Memorial Day and Civil Rights Day, provided that if a holiday occurs when school is in session the employees will be given compensatory time. Compensatory time for those working in school buildings will be taken on non-school days.

X. TEMPORARY SUBSTITUTIONS

- A. An employee who is asked to perform the work of an Administrative Assistant Supervisor for more than three consecutive days shall receive the Administrative Assistant Supervisor's rate on the fourth day and for all consecutive working days thereafter during which the work of the Administrative Assistant Supervisor is performed and the Administrative Assistant Supervisor is absent. However, the Administrative Assistant Supervisor rate paid during a temporary substitution shall not include any stipend paid to the Administrative Assistant Supervisor pursuant to Schedule B of the Agreement. Provided, that this provision shall not apply when the Administrative Assistant Supervisor is on vacation. Provided, further, that the employee receiving the Administrative Assistant Supervisor rate due to a temporary substitution shall be responsible for submitting to the Central Office time slips for the increased rate available under this section.
- B. Employees shall submit time sheets for extra work performed at the work place or domicile, beyond the established work week, which is assigned, suffered or permitted by the employer. Should an employee be requested and agree to work overtime due to the assignment of temporary additional duties, the employee shall be compensated for hours in excess of forty (40) at one and one-half (1.5) times the employee's regular rate of pay.

XI. DISCIPLINE/TERMINATION OF EMPLOYEES

- A. Employees hired for a permanent position shall be probationary employees for the first ninety (90) calendar days following the first day they begin work. Probationary employees may be terminated in the sole discretion of the District or its representatives. Notwithstanding the discretion retained by the District in this paragraph XI, A, the anniversary date for employees for purposes of determining entitlement to fringe benefits including health insurance benefits shall be the date the employee was hired, not the date on which the probationary period expired.

- B. No permanent employee shall be warned, discharged, suspended, disciplined, or reprimanded, except for just cause.
- C. The parties agree that discipline will be progressive and corrective. This provision does not abrogate the District's right to suspend or discharge as defined in Sections "B" and "E" of this Article.
- D. Administrators, building principals or other supervisors shall extend to any employee who is not performing his/her duties or responsibilities, appropriate written warnings. Copies of the warnings shall be forwarded to the Director of Human Resources. At the written request of the employee made within five (5) days of the written warning, a meeting with the person issuing the warning shall be scheduled within five (5) working days of the written request. If unsatisfactory performance continues, a written summary of the situation and appropriate recommendation concerning the retention, transfer, or termination of the person in question must be forwarded to the Director of Human Resources. The Director of Human Resources, upon the employee's written request shall meet with the employee and the administrator, building principal, or supervisor involved to review the matter, prior to taking any final action on the recommendation. If, in the judgment of the employee, his/her continued employment may be adversely affected, a representative of the Association may be present.

The procedure described in this Paragraph D shall not be deemed to prevent administrators, building principals or other supervisors from having informal conferences or meetings with an employee concerning his/her conduct or performance prior to initiating the written warning procedures.

- E. When in the judgment of the District or its representative, charges of an extremely serious nature (for example: theft, immoral conduct, fighting or attempt to injure another, willful destruction of property, insubordination) are made, the Director of Human Resources shall meet with the accused, who may be represented by the Association, and present the charges and evidence in the District's possession. If it is in the determination of the Director of Human Resources that the employee should be immediately suspended, such suspension shall be without pay. Should the employee be found innocent of the charges, he/she will be reinstated with the back pay and benefits to the position previously held.
- F. Any employee required to appear before the District Board of Education or an agent of the District Board, where charges are made against him/her, shall be given the right to have an Association advocate present for advice and representation.

XII. REDUCTIONS IN FORCE

- A. When a position is eliminated based on reduction in school attendance, decrease in the number of students, decrease in course enrollment, budget shortfall or reorganization of staff, the layoff procedure will assure all bargaining unit members rights of seniority and rights to reemployment should positions become available for which the laid-off employee is qualified. The employee in the position to be eliminated will be transferred or laid off, based on the following procedure:

Seniority shall be determined as follows:

First by years of continuous service (date of hire) to the District as CEOPA bargaining unit position Administrative Assistant.

Second by total years of service to the District as a CEOPA bargaining unit position Administrative Assistant.

Third by total years of service to the District.

If a tie should exist, the Association, the Board, and if possible, the affected Administrative Assistants shall jointly conduct a lottery to determine the Administrative Assistant with the greatest service.

2. Layoff Procedures:

- a. The District shall identify the positions being reduced.
- b. If a vacant position exists, the employee holding the position being reduced will be offered the vacant position provided the employee is deemed qualified. If the employee is deemed qualified and rejects the vacant position, the employee will be laid off and will forfeit any recall rights except as provided for below in Section c of this Layoff Procedure.

If no vacant position exists and the employee holding the position being reduced is more senior than the least senior member of the bargaining unit, the more senior employee may displace the least senior bargaining unit member provided the more senior employee is deemed qualified for that position. If the more senior employee is not deemed qualified for that position, the more senior employee will be laid off.

- c. If the position being eliminated is a less-than 52-week position, the employee in that position may only displace the least senior employee in a less-than 52-week position. If the position being eliminated is a 52-week position and the position held by the least senior member of the bargaining unit is less than a 52-week position, the employee being laid off will have the option of being assigned to the less-than 52-week position, if deemed qualified, or being laid off. If the employee chooses to be laid off, he/she will not forfeit recall rights under this Article.
- d. The District shall notify affected personnel as early as it possibly can, but no later than June 1.
- e. The District will notify the Association at the same time it notifies the affected employee(s).
- f. The notice to the Association and the affected employee(s) will include reasons for the reduction-in-force and reasons for the selection of the particular employee(s).

3. Recall Procedure:

- a. For a period of twelve (12) months following the layoff, employees will be recalled in the inverse order of their being laid off and no new appointments may be made within that twelve (12) month period while there are laid-off employees available who are qualified to fill a vacancy.
- b. Employees who wish to be eligible for rehiring under this sub-paragraph XII (3) must notify the Director of Human Resources in writing within thirty (30) days of the original layoff. The right to preferential rehiring shall not apply to probationary employees terminated pursuant to paragraph XI, A.
- c. When a position becomes available for recall the District shall notify eligible employees by certified mail with return receipt requested and restricted delivery at last known address. It shall be the responsibility of the laid-off employee to maintain a current address on file with the School District.

- d. If a laid-off employee refuses an offer for reemployment in a position for which he/she is qualified or fails to respond to such an offer within fourteen (14) days of certified notification, the employee shall forfeit his/her rights to reemployment under the conditions of this section.

Sick leave will not accrue during unpaid leaves of absence.

C. Emergency Leave

1. Employees may use up to three (3) days of paid emergency leave each year. "Emergency" for purposes of this section means an unforeseen event or an important matter requiring the employee's attention that could not be scheduled or attended to during non-work hours.

2. Except for emergencies which arise during the workday, an employee seeking to use a day of emergency must notify his/her supervisor as soon as is reasonably practical, but in no case later than the scheduled start of the employee's workday.
3. Except in extraordinary circumstances, with approval of the supervisor, emergency leave cannot be used on consecutive workdays.
4. Unused emergency leave cannot be carried over from year to year.

- B. An employee who takes a childcare leave shall be returned to the position formerly held, provided the employee returns to work at the conclusion of the scheduled leave. If the leave has been for six (6) months, or less, all accrued benefits and rights shall be reinstated at the time the employee returns. Step placement on the wage schedule will be determined as if the employee had been actively employed during the leave. If the leave is longer than six (6) months, all rights and accrued benefits shall be reinstated, but the period of leave will not be counted for purposes of determining placement on the wage schedule.

An employee on an approved childcare leave may contribute to the cost of his/her insurance coverage in order to remain on the group plan while on paid leave status. The employee may continue his/her coverage once the employee is on unpaid status but will be responsible for 100% of the cost unless the leave is approved under the Family and Medical Leave Act.

In the event an employee wishes to return to work before an approved leave has elapsed, he/she must notify the Director of Human Resources. The employee will be reinstated to his/her former position earlier than the scheduled date provided the position is currently available. If the former position is not available, the employee will be offered any other available position for which he/she is qualified. The employee may accept the alternative position or may remain on leave for the duration of the approved leave. For purposes of this section, "available" means that the position has not been temporarily filled by an employee with a contract.

If the leave has been for six (6) months, or less, all accrued benefits and rights shall be reinstated at the time the employee returns. Step placement on the wage schedule will be determined as if the employee had been actively employed during the leave. If the leave is longer than six (6) months, all rights and accrued benefits shall be reinstated, but the period of leave will not be counted for purposes of determining placement on the wage schedule.

An employee on an approved childcare leave may contribute to the cost of his/her insurance coverage in order to remain in the group plan while on paid leave status. The employee may continue his/her coverage once the employee is on unpaid status but will be responsible for 100% of the cost unless the leave is approved under the Family and Medical Leave Act.

In the event an employee wishes to return to work before an approved leave (under Article XV, Section A) has elapsed, he/she must notify the Director of Human Resources. The employee will be returned to his/her former

Such purchase shall be made pursuant to written application from the employee requesting an agreement with the District. Said agreement, inter alia, will provide for reduced payments to the employee from his/her salary. The Director of Human Resources is authorized to approve such agreements on behalf of the District and to establish the amount of the reduction, which will, in turn, be remitted to an annuity program selected by the employee. The program will be for a non-forfeitable annuity account maintained under contracts qualifying under Section 403 (b) and issued by such District-approved investment providers as the employee may select. A. Health

1. Health Insurance/Contributions

- a. The District will offer all bargaining unit members health insurance coverage in either a single, 2-person or family "SchoolCare (Yellow Open Access with Choice Fund)" Plan (See Schedule D for Summary of Benefits).
- b. The District and the bargaining unit member will contribute the following amounts toward the cost of medical benefits for eligible bargaining unit members who elect to enroll in the "SchoolCare (Yellow Open Access with Choice Fund)" plan, based upon the annual cost of the plan subscribed to by the bargaining unit member (i.e., single, two-person or family) as that cost is determined by the District on or before September 1 of each year:

For those employees hired prior to July 1, 2015:

- (1) Effective July 1, 2021, and for those employees hired prior to July 1, 2015, the District will contribute 95% and the bargaining unit member will contribute 5% of the annual cost (premium) of a single plan subscribed to by the bargaining unit member.
- (2) Effective July 1, 2021, and for those employees hired prior to July 1, 2015, the District will contribute 90% and the bargaining unit member will contribute 10% of the annual cost (premium) of a 2-person or family plan subscribed to by the bargaining unit member.
- (3) For those employees who are eligible but not enrolled in a District health plan as of June 30, 2015, and who elect to enroll in the "SchoolCare (Yellow Open Access with Choice Fund)" Plan, the District/employee contribution levels will mirror those set forth for new hires as noted below.
- (4) This provision will expire on June 30, 2024 and thereafter the contribution rates set forth below will apply to all employees.

For those employees hired on or after July 1, 2015:

- (5) Effective July 1, 2021, the District will contribute 90% and the bargaining unit member will contribute 10% of the annual cost (premium) of a single plan subscribed to by the bargaining unit member.
- (6) Effective July 1, 2021, the District will contribute 85% and the bargaining unit member will contribute 15% of the annual cost (premium) of a **2-person or family** plan subscribed to by the bargaining unit member
- c. The District's group health insurance coverage may be purchased by an employee who works less than thirty (30) hours per week, but at least twenty (20) hours per week. However, the Board will not contribute toward the cost of this insurance.

The Board agrees that should it provide payment of health insurance to any other District employee who works less than thirty (30) hours per week, the identical benefits and restrictions will apply to members of CEOPA who are working in positions less than thirty (30) hours per week on June 30, 2018 provided said member remains continuously employed in a CEOPA position that is less than thirty (30) hours per week. If a CEOPA member moves to a position that is thirty (30) or more hours per week, this benefit will no longer be available to that member. Likewise, any CEOPA member working thirty (30) or more hours per week on June 30, 2018 who moves into a position that is less than thirty (30) hours per week will not be eligible for District contribution to health insurance.
- d. Wellness Program. A wellness program will be offered as an element of medical benefits regardless of the specific plan chosen by the bargaining unit member. Bargaining unit members may participate in the wellness program.
- e. The unit member's contribution for medical benefits will be provided through payroll deduction in equal installments through the individual unit member's elected pay periods. The District shall file with the Internal Revenue Service to qualify these medical benefit contributions as pre-tax deductions pursuant to Section 125 of the Internal Revenue Code. Medical benefit contributions by unit members shall be equally divided among the elected pay periods and in accordance with Article XXIII.

If the Affordable Care Act is amended during the term of this Agreement to impose any fine or penalty on high-cost health insurance plans, the parties shall, upon request by either side, reopen negotiations to identify an alternative insurance plan only. The parties may agree to open additional articles for negotiation by mutual agreement.

- 2. The District will begin coverage as of the first day of the month of employment if the District is aware prior to said date that an employee is to commence work in that month and the District has received a completed health insurance form at least five (5) days prior to the first day of the month of employment. In all other cases, coverage shall begin as of the first day of the month following employment, if a completed health insurance form has been received by the District at least five (5) days prior thereto. Coverage shall continue through the last day of the month of termination.
- 3. The District will pay the following amounts to bargaining unit members eligible for health insurance who, during an open enrollment period, decline health insurance for the subsequent health insurance plan year and provide proof of health insurance coverage from a source other than the District:

\$1,400 to a bargaining unit member eligible for a family plan
\$1,000 to a bargaining unit member eligible for a two-person plan
\$700 to a bargaining unit member eligible for a single person plan

B. Retiree Health Insurance

All retirees will have access to the existing health insurance plan offered by the District at the time of retirement, provided it is still available, until they become Medicare eligible.

1. For retirees who were hired on or after July 1, 2018, there will be no District contribution to the premium costs.

For the purposes of this section of the Agreement, a "retiree" shall be defined as an employee who is at least fifty-five (55) and less than sixty-five (65) years of age at the time of retirement and has provided ten (10) or more consecutive years of service in the CEOPA bargaining unit immediately prior to retirement. Should a member leave the CEOPA bargaining unit and return at a later date, the years of service in CEOPA prior to leaving shall not count as it relates to this provision of the contract.

2. For retirees who were CEOPA members on June 30, 2018 who remain continuously employed in the CEOPA bargaining group, the District shall pay 65% of the premium for a single or two-person plan with the retiree paying the remaining costs. A retiree wishing to purchase a family plan will pay the difference or "buy-up." The parties agree to adhere to the rules of the health insurance provider.

For the purposes of this section of the Agreement, a the definition of "retiree" shall be defined as a current CEOPA bargaining unit employee who is at least fifty-five (55) and less than sixty-five (65) years of age at the time of retirement and has provided ten (10) or more consecutive years of service to the District immediately prior to retirement.

C. Disability

The District will purchase long term disability and accident insurance coverage on employees who work a minimum of twenty (20) hours each week during the regular school year exclusive of vacation time. Disability coverage will provide 66 2/3 % of basic monthly earnings. (See Schedule F)

D. Liability

The District agrees that employees will be covered by the same liability insurance furnishing protection against suits resulting from student accidents as is afforded to other District employees.

E. Worker's Compensation

The District agrees to purchase worker's compensation insurance at no cost to the employee. An employee injured in a covered accident who receives worker's compensation insurance payments will also receive from the District, the difference between such payments and the individual employee's regular gross salary for the balance of his/her accrued sick leave, so as to reduce accumulated sick leave at the rate by which it is applied by the District, at full value of accumulated sick leave. Such use of sick leave to compensate for loss of net wages shall be subject to the employee's approval and shall be applied as set forth in this article unless the employee has provided written objection that it not be applied.

F. Dental Insurance

The District will offer bargaining unit members a single, two person, or family dental plan, A, B, & C (100% of coverage A, 100% of coverage B, 50% of coverage C) or equivalent. The District will contribute 100% of the cost of the monthly premium. (See **Schedule E**)

G. Life Insurance

The District will purchase \$50,000 of term life insurance for each member during each year of the Agreement. The amount of life and accidental death and dismemberment insurance reduces subject to the provisions of the policy. The life and accidental death and dismemberment insurance coverage cancels at the time of separation from employment with the District. The employee shall designate the beneficiary of this insurance.

H. Sick Leave Bank

The Board agrees to establish a sick leave bank to cover employees in the event of long term illness. The sick leave bank shall be administered by a committee composed of five (5) members of the Association appointed by the Association President. Rules for membership and participation in the sick leave bank shall be established by the Association and shall be supplied to the Board upon request. Any rules established by the Association shall include the following:

1. That the sick leave bank shall be funded at the start of each school year to reach a maximum of two hundred (200) days. The sick leave bank may be supplied with additional days only at the start of each school year to bring it up to the two hundred (200) maximum.
2. That no one may contribute more than ten (10) days in any school year to the sick leave bank; and that any days contributed shall be deducted from that year's sick leave entitlement for the person making said contribution.
3. That the Association shall notify the Board by September 15th of each year of the individuals who have donated days to the sick leave bank so that said days may be deducted from the individual's yearly entitlement.
4. That individuals may not elect to receive sick leave benefits in lieu of disability benefits. Eligibility for sick leave bank benefits shall terminate when an individual is eligible for disability benefits.
5. That no employee shall, under any circumstances, be entitled to sick leave bank benefits until said employee has exhausted all accrued sick leave available to that employee.
6. That no one shall, under any circumstances, be entitled to receive sick leave and disability benefits at the same time.

I. Personal Property Insurance

The District will reimburse an Administrative Assistant up to \$350 to cover the deductible for non-insured loss and/or damage to the Administrative Assistant's automobile per incident in the course of job-related responsibilities.

XXII. PHYSICAL EXAMINATION

Physical examinations may be required by the District after a conditional offer of employment has been extended to an applicant and thereafter. An offer of employment is conditional upon the results of the physical examination. The District will be responsible for the cost of the physical examination to the extent it is not covered by insurance. Extra laboratory and x-ray procedures not normally included in a routine physical will not be paid by the District.

XXIII. RETIREMENT AND SEPARATION PAY

Employees who transfer or leave the District shall receive 100% of accumulated annual and bonus leave.

The calculation of separation pay shall be based on consecutive years of service in the CEOPA bargaining unit immediately prior to separation. If a member leaves the CEOPA bargaining unit and returns to the bargaining unit at a later date, the prior years of service in the bargaining unit shall not apply, nor will they be taken into account for the purposes of this benefit. Employees who transfer out of CEOPA or leave the District with eight (8) to fifteen (15) consecutive years of service in the CEOPA bargaining unit, except those employees terminated for just cause, shall be entitled to payment for 35% of the sick leave that they have accumulated at the rate they receive at the time of their separation. After fifteen (15) years of service in the CEOPA bargaining unit, employees shall be compensated for 100% of their unused sick leave.

For employees who are CEOPA members on June 30, 2018 and who remain continuously employed in the CEOPA group, the following language applies. Employees who transfer out of CEOPA or leave the District with eight (8) to fifteen (15) consecutive years of service to the District, except those employees terminated for just cause, shall be entitled to payment for 35% of the sick leave that they have accumulated at the rate they receive at the time of their separation. After fifteen (15) years of service to the District, employees shall be compensated for 100% of their unused sick leave. This provision is not intended to adversely affect current CEOPA staff members employed as of June 30, 2018.

In the event of any penalty assessed against the District by the New Hampshire Retirement System pursuant to RSA 100-A:16, III-A, the amount of compensation which results in said penalty shall be paid to a 403(b) plan on behalf of the employee in lieu of direct compensation.

XXIV. PAY PERIODS

All employees will be paid in equal, bi-weekly installments. Employees who are scheduled/contracted to work twelve (12) months per year, will be paid in twenty-six (26) equal, bi-weekly installments. Employees who are scheduled/contracted to work less than twelve (12) months may elect to be paid in either twenty-one (21), twenty-two (22) (21 or 22 is dependent on the school payroll calendar), or twenty-six (26) equal, bi-weekly installments, however, regardless of the employee's election, all contractual wage obligations will be satisfied by June 30th each year. Those electing to be paid in twenty-six (26) equal, bi-weekly installments will receive the balance of their annual contractual wage in June of each year.

XXV. PROFESSIONAL IMPROVEMENT

- A. Upon approval of the immediate supervisor, reviewable by the Superintendent, employees shall be granted up to three (3) days with pay to participate in activities that promote professional improvement. Such days shall not be arbitrarily denied.

- B. The District agrees to budget \$3,000 for each year of the Agreement to pay for courses and workshops that are work related and approved by an employee's supervisor and the Director of Human Resources. Payment for each course or workshop shall be made to the institution on the employee's behalf at the time of enrollment. At the time of enrollment, the employee must provide the District a) satisfactory documentation from the institution to include course/workshop name, dates of enrollment and associated costs to attend and b) a completed "*Voluntary Payroll Deduction Authorization*" form. In the event the employee does not attend the course or workshop or fails to receive a passing grade, the tuition or fees paid by the District at the time of enrollment shall be deducted in equal installments from the employee's remaining paychecks, or as specified on the *Voluntary Payroll Deduction Authorization* form. Satisfactory proof of course or workshop completion is required and shall be submitted to the Human Resources Dept. within thirty (30) days of completion of the course or workshop. The administration of the reimbursement provision will be managed by the District's Professional Staff Development Director or Superintendent's designee.

The actual amount of reimbursement will be at the existing credit hour cost at the Concord campus of the New Hampshire Technical Institute (NHTI). An individual is limited to reimbursement for up to three (3) classes or workshops in a fiscal year.

- C. The District agrees to fund the attendance of up to ten (10) members of the bargaining unit in order that they might attend the annual NHAEOB Conference, (namely, organizational meals excluding liquor, lodging at double occupancy room rate, registration fee and travel). Upon the request by the employee, the District will advance to the employee funds for registration, room fees and any other appropriate expenses that can be specifically determined prior to the conference.

An employee may request of his/her supervisor the opportunity to attend work related workshops. Requests shall not be unreasonably denied. The employee shall not be required to expend his/her own funds for registration costs relating to said workshops.

XXVI. GRIEVANCE PROCEDURE

A. Definition

1. A "grievance" is a claim based upon the interpretation, meaning or application of any of the provisions of this Agreement. Only claims based upon the interpretation, meaning or application of any of the provisions of this Agreement shall constitute grievances under this Article.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Procedure

1. An employee with a grievance shall first submit it in writing to his/her immediate supervisor within thirty (30) working days of the date he/she knew or should have known of the grievance. The supervisor shall meet with the employee within five (5) working days after receiving the written grievance.
2. If the aggrieved person is not satisfied with the disposition of the grievance by his/her supervisor, or if no decision has been rendered within five (5) working days after his/her first meeting, the written grievance may be filed with the Director of Human Resources. The Director of Human Resources shall meet with the employee within five (5) working days after receiving the written grievance and shall communicate his/her

decision in writing to the aggrieved person and the Association within five (5) working days after the meeting.

3. If the employee is not satisfied with the disposition of the grievance by the Director of Human Resources, he/she shall notify the Association within five (5) working days after receipt of the Director of Human Resource's decision. If the Association determines that the matter should be arbitrated, it shall advise the Director of Human Resources in writing within ten (10) working days of the receipt of the employee's request. If the parties fail to agree upon an arbitrator within fourteen (14) days after the employee has requested arbitration, then either party may apply to the American Arbitration Association for designation of an arbitrator.

The arbitrator shall proceed forthwith to make a final and binding disposition of the grievance by such means and methods as he/she may determine to be necessary. The arbitrator is limited in his/her authority to interpreting the contract in the resolution of this issue submitted to him/her by the parties and has no authority to alter, change or modify any provision of this Agreement.

If either party fails to abide by the provisions of this Section (XXVI, B3), the other party may apply to Merrimack County Superior Court under the provisions of RSA 542 for enforcement of this Agreement.

The cost of arbitration, including arbitrator's fees and reasonable expenses, shall be borne equally by the District and the Association. Any additional cost attendant with the hearing shall also be borne equally, subject to the agreement of both parties.

4.
 - a. No reprisals of any kind will be taken by the District or the Association against any party in interest or other participant in the grievance procedure.
 - b. Any party in interest may be represented by counsel or by a representative selected by the Association. The Association may appear to be heard at any stage of the grievance procedure.
5. Forms for the grievance procedure will be jointly prepared by the Director of Human Resources and the Association and given appropriate distribution.
6. A grievance involving a group of employees from different buildings or departments may be submitted in writing by the Association directly to the Director of Human Resources. The Director of Human Resources may, in his/her sole discretion, process the grievance as if (1) it constituted a single grievance, or (2) as if it were a group of individual grievances, all of which had been processed through the preliminary steps described in this Agreement.

XXVII. DISCRIMINATION

The Board and the Association agree that there shall be no discrimination and that all practices, procedures and policies of the school district shall clearly exemplify that there is no discrimination in the hiring, training, assignment, promotion, transfer or discipline of secretarial or clerical employees or in the application or administration of this Agreement on the basis of race, creed, color, religion, national origin, sex, sexual orientation, gender identity, marital status, disability or age.

XXVIII.OVERTIME

- A. Overtime is authorized work performed in excess of the employee's established work week which is assigned, suffered or permitted by the employer.
- B. Actual hours worked, annual leave, compensatory time, and holiday time will constitute "time worked" for the purpose of determining the "established work week" required to establish eligibility for overtime compensation.
- C. If an employee's supervisor requests the employee to return to the office/building after the employee has left for the day, the employee will be paid for a minimum of two (2) hours or the actual hours worked, whichever is greater.
- D. Overtime shall be compensated at one and one-half (1.5) times the employee's regular wage for work performed in excess of forty (40) hours per week, unless the rate of the position assigned is higher, in which case the employee shall receive overtime pay computed at the higher rate after forty (40) hours. In the event an employee refuses overtime, the administrator will contact the Director of Human Resources to confirm the need for emergency overtime. In the event the Director of Human Resources determines that there exists an emergency need for overtime, the administrator requesting the overtime shall solicit volunteers from within the bargaining unit who possess the necessary skill level(s) before ordering involuntary overtime.
- E. Compensatory time shall be administered in accordance with the relevant provisions set forth in this Article XXVIII. Compensatory time earned under this Article shall be taken on days to be determined by mutual consultation between the bargaining unit employee and his/her supervisor.
- F. An employee may receive compensatory time off at the rate specified in Section C of this Article XXVIII in lieu of overtime pay if the employee agrees to work for compensatory time. Compensatory time must be given within ninety (90) days. However, it may be extended an additional ninety (90) days if mutually agreed by employer and employee.

XXIX. MISCELLANEOUS

- A. The provisions of the Agreement are severable, and if any provision is found to be unlawful by any court of competent jurisdiction for any reason, it shall not affect the validity or enforceability of the remaining provisions of the Agreement.
- B. It is agreed that personnel policies, practices and matters affecting working conditions which are within the scope of the employer's authority will not be changed or implemented without prior negotiations when they are in conflict with this Agreement except as provided in RSA 273-A, et seq.
- C. Administrative Assistants in the bargaining unit shall not be required to perform job responsibilities outside the scope of those customarily associated with school Administrative Assistant positions except in emergency situations.

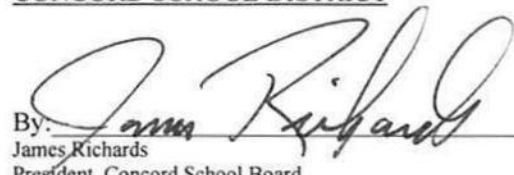

XXX. SUMMER HOURS

- A. Summer hours will be six and one-half (6.5) hours per day. Summer hours will begin July 1 and will end ten (10) working days before students return to school for the fall term.
- B. The Superintendent may require bargaining unit members to work at Central Office until 4:00 p.m. on a rotating schedule for coverage.

- C. The District will continue the past practice of offering compensatory time for the performance of this extra duty and will continue to assign such non-unit employees who have in the past been assigned.
