I. Grievance Procedure

A. Definition

1. A "grievance" is a claim based upon the interpretation, meaning or application of any of the provisions of this Agreement. Only claims based upon the interpretation, meaning or application of any of the provisions of this Agreement shall constitute grievances under this Article.
2. An "aggrieved" person is the person [s] making this claim or the Association.
3. A "party in interest" is the person[s] making the claim and any person[s] who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Procedure

1. An employee with a grievance shall first discuss it with his/her immediate supervisor in an attempt to mutually resolve the matter at that level. A written decision shall be rendered by the supervisor within five (5) work days.
2. If the employee is not satisfied with the resolution of the grievance following his or her discussion with the immediate supervisor, the employee with a grievance shall first submit it in writing through the Association's Grievance Representative to the immediate supervisor within five work days. The immediate supervisor shall meet with the employee and the Association's Grievance Representative within five (5) work days after receiving the written grievance.
3. If the aggrieved person is not satisfied with the disposition of the grievance by the immediate supervisor or if no decision has been rendered within five (5) work days after his/her meeting, the employee shall file the written grievance with the president of the Association and/or the Association's grievance committee within five (5) work days if he/she wishes to proceed with the grievance. If the Association feels that the grievance should be appealed, a written grievance shall be filed with the Director of Human Resources or his/her designee within five (5) work days.
4. If the Association is not satisfied with the disposition of the grievance by the Director of Human Resources or his/her designee, or if no written decision has been rendered within five (5) work days, the Association may file a written grievance with the Superintendent or his/her designee within ten (10) work days.
5. If the Association is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no written decision has been rendered within ten (10) work days, the Association may request a hearing with the School Board. The School Board hearing will be held within twenty (20) work days of receipt of the written request and a written decision rendered within ten (10) work days.

6. If the decision of the Board does not resolve the grievance, the grievance may be appealed to arbitration in the following manner: The Board shall be notified in writing within twenty (20) calendar days after the date of its decision that the grievance is being submitted for arbitration.

6.1 The following procedure shall be used to secure the services of an arbitrator:

6.1.1 The parties will attempt to agree upon a mutually satisfactory third party to serve as arbitrator. If no agreement is reached within ten (10) calendar days, the American Arbitration Association (AAA) will be notified and requested to submit a roster of at least seven (7) persons qualified to function as arbitrator.

6.1.2 If the parties are unable to determine a mutually satisfactory arbitrator from the submitted roster within ten (10) calendar days, they shall request the AAA to submit a second roster of at least seven (7) names.

6.1.3 If the parties are unable to determine, within ten (10) calendar days of the receipt of the second list, a mutually satisfactory arbitrator, the AAA shall submit a third roster with three (3) names. If an arbitrator cannot be mutually agreed upon within ten (10) calendar days, the parties shall arrange a conference telephone call with the Chairman or designee of the AAA during which each party shall be given an opportunity to establish good cause as to why any individual on the roster should not be appointed. The Chairman shall then designate an arbitrator from said roster.

6.1.4 The arbitrator shall limit him/herself to the issues submitted to him/her. The arbitrator shall be bound by and must comply with all of the terms of this Agreement. The arbitrator shall have no power to add to, delete from, or modify in any way any of the provisions of this Agreement. The decision of the arbitrator shall be binding.

6.1.5 The arbitrator shall issue and mail the arbitrator's report to each party within thirty (30) calendar days of the completion of the arbitrator's hearing.

6.1.6 The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence, and any other relevant expense shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

7. No reprisals of any kind will be taken by the District or by the Association against any employee, District staff member, or any other participant in the grievance procedure.

8. A grievance which is not filed within forty-five (45) working days of the event(s) underlying the alleged grievance shall be waived regardless of whether the employee knew or should have known of the act or the condition on which the grievance is based.

9. Time limits for the processing of grievances may be extended by mutual agreement, in writing, by both parties.

10. Forms for the grievance procedure will be jointly prepared by the Superintendent or his/her designee and the Association, and will be given appropriate distribution.

II. Evaluation

A. Evaluations for each employee shall be conducted on an annual basis at a date not later than June 1 of each year. Any employee who receives an acceptable evaluation shall be determined to be an employee in good standing.

B. An employee who receives an unacceptable evaluation will not be eligible for salary increases or job promotions until all deficient areas of job performance have been eliminated. Prior to receiving an unacceptable evaluation, the parties agree that the employee shall receive:

1. specific, verbal and written information regarding the areas of deficient performance;
2. verbal and written instructions as to what the employee must do to eliminate deficit performance;
3. reasonable opportunities (at least two) to meet with the supervisor to discuss progress towards improved performance, excluding discipline issues.

C. **Probationary Period** - All newly hired employees shall be placed on a six (6) month probationary period of employment. For the first two (2) months of the probationary period, newly hired employees shall not receive health insurance and leave benefits as specified in this Agreement. If the individual hired is currently an employee of the District and member of the bargaining unit on contract and in good standing, with more than sixty (60) days of employment, the probationary period described above shall not apply. If at the end of the six (6) month period the employee's performance is rated as unacceptable, then the employee shall be terminated without regard to the evaluation procedures described above. If the employee is rated acceptable, then he/she will be given a contract and benefits in accordance with this Agreement for the balance of the work year and shall receive leave benefits in accordance with this Agreement retroactive to their date of hire.

D. **Physical Examinations** - Physical examinations may be required by the District after a conditional offer of employment has been extended to an applicant and thereafter. An offer of employment is conditional upon the results of the physical examination. The District will be responsible for the cost of any physical examination or medical procedure it requires, including a tuberculin test. The physical examination shall include a tuberculin skin test which shall be administered in accordance with Concord School Board policy.

III. Temporary Employees

Temporary employees include all personnel hired by the District for six (6) months or less. Temporary employees shall not be considered members of the Association. A vacancy caused by an employee taking an approved leave of absence shall be filled by a temporary employee unless the leave exceeds six (6) months. If the leave exceeds six (6) months, the vacancy will be filled by an employee on a contract with a defined period of employment who will be subject to the probationary period in Article II.C.

IV Reduction-In-Force

When a reduction-in-force is necessary, based on budget constraints, reorganization of staff, or any other reason deemed appropriate by the School Board, the following reduction in force procedure will be used:

- A. As soon as it is determined that a reduction-in-force becomes necessary the President of the Association will be notified in writing, specifying the nature of the proposed reduction.
- B. Reductions will first be accomplished by attrition (resignations, retirements, refusal to contract).

- J. If a position for which the laid off employee is qualified becomes available, the Director of Human Resources will contact that employee with an offer of employment.
- K. The employee will have ten (10) business days to accept or decline the offer of employment.
- L. If the employee refuses the offer, he/she will be removed from the recall list.
- M. If the employee accepts the offer, he/she will assume their original date of hire with no loss of credit for previous years of service. Employees shall retain previous seniority.

VII. Wages

- A. The salary and classification schedule for all employees covered by this Agreement is set forth in Appendix A, which is attached hereto and made a part hereof. New hires may be placed on the salary schedule at a level determined by the District provided that the District's placement does not exceed the employee's relevant job experience.
- B. **Call in Pay** - Any employee called in or called back to work by the District for emergency reasons at any time other than regular shift shall receive a minimum of three (3) hours pay at their prevailing rate.
- C. **Overtime** - It is the expectation of the District that employees of the bargaining unit will make themselves available for overtime in emergency situations and on an as needed basis. The District will provide cell phones and pagers to certain employees to facilitate communication and availability in the event of an emergency

without restricting the employee's ability to engage in alternative activities when they are not at work in the District. Overtime is defined as authorized work in excess of forty (40) hours in one week. Paid holidays, vacation, and bereavement time shall count as hours worked. Employees shall be paid one and one-half (1.5) times their hourly rate of pay for all hours worked in excess of forty (40) in one week. Work performed on Sunday shall be paid at twice their hourly rate of pay.

Employees eligible for insurance and their civil union partners will have a choice of medical insurance plans as outlined in this Article VII above and will contribute toward the cost of their elected benefit plan at the rates set out in Paragraphs b-d above.

j. Each year the District will conduct a study of actual costs of health insurance claims and administrative costs to the medical benefits plan provider and will make an accurate determination of the actual premiums that would have otherwise been adequate to cover the costs. The Union has the right to participate in this audit and shall receive a copy of the audited analysis.

k. The employee's contribution for medical benefits will be provided through payroll deduction in equal installments through the individual employee's elected pay periods. The District shall file with the Internal Revenue Service to qualify these medical benefit contributions as pre-tax deductions pursuant to Section 125 of the Internal Revenue Code. As early as possible, but not later than January 1, 1995, the District will file with the Internal Revenue Service to qualify all other allowable benefit contributions as pre-tax deductions pursuant to Section 125 of the Internal Revenue Code.

Bonus pay will be paid at the conclusion of each six (6) month period. In lieu of bonus pay, employees may choose to add to their vacation accrual the same amount of days that they would be eligible to be paid for. Newly hired employees may earn one (1) bonus day for using zero sick days during the first three (3) months of employment, which may be added to their vacation accrual, but may not receive any bonus pay except at the intervals described above. Said agreement will provide for reduced payments to the employee from his/her salary. The Director of Human Resources is authorized to approve such agreements on behalf of the District and to establish the amount of the reduction which will, in turn, be remitted to an annuity program selected by the employee. The program will be for a non-forfeitable annuity account maintained on contracts qualifying under Section 403(b) and issued by such District-approved investment providers. SIDE BAR AGREEMENT

The Concord School District ("District") and the Maintenance/Transportation Association (MTA) agree:

- 1.) To establish and participate in a health insurance study committee to educate District stakeholders in current District health insurance programs and to research additional health insurance options in order to provide input to the District; and
- 2.) To establish a committee of CSD and MTA representatives to review the outdated wording in the current collective bargaining agreement between the parties for possible mutually-acceptable housekeeping corrections.
