## **PREAMBLE**

The Conway School Board and the Conway Education Association recognize that its common purpose is to strive for the best educational programs, services, and facilities for the children and youth of Conway.

To encourage and increase effective and harmonious working relationships between the Conway School Board (hereinafter the “Board”) of Conway School District (hereinafter the “District”) and its employees represented by the Conway Education Association, a voluntary Association (hereinafter the “Association”), unified with the New Hampshire Education Association (hereinafter the “NHEA”), and with the National Education Association (hereinafter the “NEA”).

## **ARTICLE I** **RECOGNITION**

- 1-1 For the purposes of collective negotiations, the Board recognizes the Conway Education Association as the exclusive representative of all teachers of the Conway School District during the term of this Agreement. Teachers shall include any individuals employed by the Conway School District, the qualifications for whose positions are such as to require them to hold an appropriate credential issued by the N.H. State Board of Education under its regulations governing certification of teaching personnel, EXCEPT that the term “teachers” or “teaching personnel” shall not include superintendents, assistant superintendents, business administrators, principals, assistant principals, director of guidance, director of vocational education, nonteaching nurses, teacher aides, tutors, substitute teachers, school volunteers, or persons employed by the State Board of Education or the North Country Education Foundation, or department heads whose school day consists of more than 50% department head duties.
- 1-2 The Association agrees to represent equally all such professional employees in the unit designated in 1-1 under Article I without discrimination and without regard to membership in the Association. However, this shall not prevent the Board from communicating or consulting with any employee or group of employees covered by this Agreement for any purpose the Board shall deem desirable in the discharge of its responsibilities.
- 1-3 Despite reference in this Agreement to the Board or the Association as such, each reserves the right to act hereunder by committee (such committee shall be reasonable in number), individual member, or designated representative, whether or not a member.
- 1-4 DEFINITIONS
- 1-4.1 The term “School” as used in this Agreement means any work location or function division maintained by the Board where instruction is offered to the children and youth enrolled in the Conway School District.
- 1-4.2 The term “Principal” as used in this Agreement means the responsible administrative head of his/her respective school.
- 1-4.3 The term “Teacher” as used in this Agreement means a person employed by the Board

included in unit defined in Article I, Section 1-1, of this Agreement.

- 1-4.4 The term “Faculty Representative” as used in this Agreement means the association faculty representative or his/her teacher designee. However, he/she shall be part of the unit defined in Article I, Section 1-1.
- 1-4.5 Wherever the singular is used in this Agreement, it is to include the plural, unless the intent of the language specifies otherwise.
- 1-4.6 The term “Teacher on Continuing Contract” shall refer to any person employed by the Board who fits the descriptions set forth in RSA 189:14-a I (b) and 14-a II, amended.
- 1-4.7 The term “direct economic benefits” shall mean benefits provided the employee such as group life insurance, health insurance, authorized leaves absence, and the number of working days provided in a contract.
- 1-4.8 The term “strike” means the failure of one or more days or any portion thereof by concerted action with others to report for duty, the willful absence from one’s position, the stoppage of work, or the willful abstinence in whole or in part from the full, faithful and proper performance of the duties of employment, and without the lawful approval of one’s superior, or in any manner interfering with the operation of public schools, for the purpose of inducing, influencing or coercing a change in the conditions of compensation or the rights, privileges or obligations of employment.

## **ARTICLE II**

### **NEGOTIATION PROCEDURE**

- 2-1.1 Either party may demand that negotiations regarding health insurance be reopened at any time. In the event that health insurance negotiations are reopened, the performance pay part (basic, proficient, distinguished) of compensation shall also be reopened for negotiations. In the event that these negotiations are reopened, the result will not exceed the sum total of the original estimated cost increase for performance pay and health insurance. The language shall be expunged from the contract June 30, 2009. In the event that negotiations are not successful, the current language shall remain in effect.
- 2-1.2 Not later than August 15, the parties agree to enter into negotiations, in accordance with the procedures set forth herein, in a good faith effort to reach agreement on all matters raised by either party, concerning salaries, wages, hours, other direct economic benefits, other areas covered by this Agreement, and other conditions of employment other than managerial policy within the exclusive prerogative of the public employer, or confided exclusively to the public employer by statute or regulations adopted pursuant to statute.
- 2-1.3 The Negotiation Committee of the Board and the Negotiation Committee of the teachers shall have the authority to reach a complete agreement, subject to ratification by the Board and the qualified voting members of the Association covered by this Agreement.
- 2-1.4 The Board agrees to make a good faith effort to provide the Association such nonconfidential information in its possession as is reasonably requested and necessary for the intelligent development of proposals. The Board shall make available to the Association information which the Board is required by law to release to the general

public.

2-2 Any agreement reached shall be in writing and signed by the Board and the Association. Any agreement reached which requires the expenditure of public funds for its implementation shall not be binding upon the Board unless and until the necessary appropriations have been made by the voters of the Conway School District. The Board shall make a good faith effort to secure the funds necessary to implement fully said agreements.

2-3.1 If an impasse is declared, a mediator, mutually acceptable to both parties, will be selected, first by consultation, and thereafter from a list provided by the New Hampshire PELRB. If after ten (10) days from the receipt of the list the parties have not agreed upon a mediator, the PELRB shall appoint one.

2-3.2 If either party so chooses, or if mediation does not result in agreement within fifteen (15) days after the first mediation session, a fact finder, mutually acceptable to both parties, shall be selected, first by consultation, and thereafter from a list provided by the New Hampshire PELRB. If after ten (10) days from the receipt of the list the parties have not agreed upon a fact finder, the PELRB shall appoint one.

2-3.3 The neutral party shall divide the issues into cost and non-cost items. On non-cost items the neutral party shall make findings which shall be binding on both parties. Such findings shall attempt to reflect concerns and interests of both negotiating parties.

On cost items the neutral party shall be limited to the issues still in dispute. When more than one cost item is submitted, the neutral party shall compute the total cost of each party's last offer and then provide recommendations best supported by comparability, equity, cost of living, and such other meaningful criteria.

All findings of facts and recommendations shall be made public thirty (30) days after receipt of these by the parties, provided that no agreement has been reached.

2-3.4 If either negotiating team rejects the neutral party's recommendations on cost items, his/her recommendations shall be submitted to the full membership of the employee organization and to the board of the public employer, which shall vote to accept or reject so much of his/her recommendations as otherwise permitted by law.

2-3.5 If either the full membership of the employee organization or the board of the public employer rejects the neutral party's recommendations, his/her findings and recommendations shall be submitted to the legislative body of the public employer, which shall vote to accept or reject so much of his/her recommendations as otherwise permitted by law.

2-4 If the impasse is not resolved following the action of the legislative body, negotiations shall be reopened. All items still in dispute shall be renegotiated. If agreement still cannot be reached within fifteen (15) days, mediation and fact finding may be requested by either party, using procedures outlined in 2-3.1, 2-3.2, 2-3.3, 2-3.4 and 2-3.5

2-5 The costs for the services of the mediator and/or neutral party including per diem expenses, if any, and actual and necessary travel expenses shall be shared equally by both

parties.

- 2-6 Either party may, if it so desires, utilize the services of outside consultants and may call upon professional representatives to assist it in negotiations.
- 2-7 The Board and the Association shall negotiate any change in the terms and conditions of employment. This is to include any impact on the terms and conditions of employment brought about as a result of the Board exercising its managerial policy within the exclusive prerogative as a public employer.

### **ARTICLE III** **GRIEVANCE PROCEDURE**

- 3-1 A “Grievance” shall mean an alleged violation, misinterpretation, or misapplication with respect to one or more teachers, of any provision of this agreement governing teachers. A grievance to be considered under this procedure must be initiated by the teacher within twenty (20) work days of its occurrence.
  - 3-2.1 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step, except at the Board level. The Board must give its decision within fifteen (15) work days. Failure by the grievant at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
  - 3-2.2 It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
- 3-3 **PROCEDURE**
  - 3-3.1 Any teacher who has a grievance shall state this is a grievance when first discussing it with his/her principal (or immediate supervisor or department head, if applicable) in an attempt to resolve the matter informally at that level.
  - 3-3.2 If as a result of the discussion, the matter is not resolved to the satisfaction of the teacher within five (5) work days, he/she shall set forth his/her grievance in writing to the principal specifying: (a) the nature of the grievance and the article of agreement allegedly violated; (b) the nature and extent of the injury, loss or inconvenience; (c) the results of previous discussions; (d) his/her dissatisfaction with decisions previously rendered; (e) the remedy sought. The principal shall communicate his/her decision to the teacher in writing within five (5) work days of receipt of the written grievance.
  - 3-3.3 The teacher, no later than five (5) work days after receipt of the principal’s decision, may appeal the principal’s decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal, as specified above, and the teacher’s dissatisfaction with decisions previously rendered. The Superintendent shall meet with the teacher to attempt to resolve the matter, as quickly as possible, but within a period not to exceed ten (10) work days. The Superintendent shall communicate his/her decision in writing to the teacher and the

principal.

- 3-3.4 If the grievance is not resolved to the teacher's satisfaction, he/she, no later than five (5) work days after receipt of the Superintendent's decision, may request a review by the Board. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, or upon request of the grievant, hold a hearing with the teacher and render a decision in writing within twenty (20) work days of receipt of the grievance by the Board or of the hearing with the teacher, whichever comes later.
- 3-3.5 If the decision of the Board does not resolve the grievance to the satisfaction of the teacher grievant, and he/she wishes review by a third party, he/she shall so notify the Association within ten (10) work days of receipt of the Board's decision. If the Association determines that the matter should be reviewed further, it shall, in writing, so advise the Board through the Superintendent within fourteen (14) work days of receipt of the Board's decision. Either party will then initiate a request for arbitration under the procedure set forth herein within fourteen (14) work days of the Association's decision.

#### 3-4 GRIEVANCE ARBITRATION PROCEDURES

- 3-4.1 No matter shall be considered a proper subject for arbitration or be subject to the arbitration provision set forth herein, if it pertains to (a) any matter for which a specific method of review is prescribed by law or (b) any rule or regulation of the State Commissioner of Education or (c) any by-law of the Board pertaining to its internal organization or (d) any matter which according to law is either beyond the scope of Board authority or limited to unilateral action by the Board alone or (e) a complaint of a teacher not on a continuing contract which arises by reason of his/her not being reemployed or (f) a complaint by any certified personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which a continuing contract is either not possible or not required.
- 3-4.2 An arbitrator mutually agreeable to the parties shall be selected from a list provided by the Public Employee Labor Relations Board or provided by each party. If after ten (10) calendar days from receipt of this list the parties are unable to reach agreement on the appointment of an arbitrator, an arbitrator shall be selected utilizing the services of the American Arbitration Association.
- 3-4.3 The arbitrator shall be limited to the issues as submitted at the School Board level, and shall consider nothing else. He/she may add nothing to nor subtract anything from the Agreement between the parties. The findings of the arbitrator shall be final and binding. Only the Board and the aggrieved and his/her representative shall be given copies of the arbitrator's report. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearing.

#### 3-5 RIGHTS OF TEACHERS TO REPRESENTATION

- 3-5.1 The aggrieved person may be represented at all stages of the grievance procedure, at his/her option, by himself/herself, or by his/her representative, or by a representative selected by the Association.

- 3-5.2 When a teacher is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance to the Superintendent, or any higher level, be notified by the Superintendent that the grievance is in process. The Association shall have the right to be present and present its position in writing at all grievance sessions at the stage described in 3-3.2 and beyond held concerning such grievance and shall receive a copy of all decisions rendered.
- 3-5.3 The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his/her appeal with respect to his/her personal grievance.
- 3-6 COSTS
- 3-6.1 The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel expenses shall be shared equally by the parties.
- 3-7 MISCELLANEOUS
- 3-7.1 If, in the judgment of either party, a particular grievance shall affect a group of teachers, the Association may join in the processing of the grievance and become a party thereto at the stage described in 3-3.2 and beyond.
- 3-7.2 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 3-7.3 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations will be jointly prepared by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

**ARTICLE IV**  
**PEACEFUL RESOLUTION OF DIFFERENCES**

- 4-1 In consideration of this Agreement and its terms and conditions, the Association, its officers, representatives and members shall not, during the term of this Agreement, engage in or condone any strike, slowdown, work stoppage or other concerted refusal to perform any professional assignment on the part of any teacher(s) represented hereunder, nor shall the Association or its members take part in or condone sanctions against the Board or the District.
- 4-2 The Board shall not engage in or sponsor any lockouts.

**ARTICLE V**  
**TEACHER EVALUATION**

- 5-1 The evaluation of teachers shall be conducted in accordance with the Professional Evaluation System mutually developed by the Association and Board, adopted by the Board on 10/23/00, and adopted by the Association on 11/3/00.
- 5-2 The Professional Evaluation System may be modified at any time by a committee established for such a purpose and including an equal number of both CEA and

management. Such modifications are effective when ratified by a vote of the Association membership and adopted formally by the Board.

- 5-3 Any evaluation that does not adhere to the procedures set forth in the Professional Evaluation System shall be subject to the grievance procedure with such being the issue. The judgment exercised in the evaluation, if based on accurate information, is not grievable.
- 5-4 Team leaders, department heads and mentors, while fully willing to assist teachers, will not be held responsible for evaluating them.

## **ARTICLE VI**

### **PERSONNEL FILE**

- 6-1 Upon written request, each teacher shall have the right to review, at a time mutually convenient, the contents of his/her file in the central office, excepting, however, any confidential references. At the teacher's request, a witness of his/her choice may accompany the teacher in such review. The review shall be made in the presence of the administrator responsible for the safekeeping of such files. The teacher may use the copy machine in the business office and pay base machine cost per copy of such contents and records as concerns his/her work or himself/herself.
- 6-2 While the School Board recognizes its obligation to be available to the public at all times, it also believes that individual complaints can usually be resolved most effectively by the parties directly concerned. The Board, therefore, will not ordinarily hear complaints from parents and/or members of the public until such complaints have been raised first with the teacher, and if not resolved successfully, with the department head (where applicable), principal, and superintendent, and receive such complaint in writing. It is understood that parents, members of the public, and teachers may request a third party to be present during any discussion of a complaint. If this provision causes any undue hardship, parents or community members may place any complaint in writing, and after presentation to the teacher and the Board, may address the Board in Executive Session. The teacher will be given the full right of reply in Executive Session which, depending on the case, can be simultaneous with the complainant's session or follow it immediately.
- 6-3 A teacher shall have the right to answer in writing any complaints filed in his/her personnel file and the answers shall be attached to the complaint and reviewed by the Superintendent of Schools or his/her designated representative. Any unsubstantiated complaints shall not be placed or noted in a personnel file.

## **ARTICLE VII**

### **ASSIGNMENT OF PROFESSIONAL PERSONNEL**

- 7-1 The Board will assign personnel on the basis of their qualifications, the needs of the district, and their expressed desires. When it is not possible to meet all three conditions, personnel shall be assigned first in accordance with the needs of the district, second where the administration feels the teacher is most qualified to serve, third as to expressed preference of teachers. Under no circumstances will a professional teacher be assigned to a position for which he/she is not qualified and certifiable by the State Department of Education Bureau of Certification for Educational Personnel.

## 7-2 REDUCTION IN FORCE

- 7-2.1 The School Board has the right to decrease the number of members of the bargaining unit because of a decrease in enrollment or the discontinuation or reduction of a program. The performance history of teachers, as recorded by the District's performance evaluation procedure, will be used in making decisions regarding which teachers will be laid-off within a teaching classification. To determine performance, the District will use the last 3 years of evaluations, or less if a teacher has not been employed for that length of time. Seniority will be defined as most years of experience (as per date of hire) in the District within the certification and service area. Reductions in staff will be made first from the group of teachers determined to be unsatisfactory by the professional evaluation System with teachers having the most seniority going last. If further reductions are needed, they will be made from the group of teachers determined to be basic by the professional evaluation system with teachers having the most seniority going last. If further reductions are needed, they will be made from the group of teachers determined to be proficient or distinguished by the professional evaluation system with teachers having the most seniority going last. The following tiebreaker shall apply: 2 years at proficient, 1 at basic – any order – seniority will determine. 2 years at basic, 1 at proficient – any order – seniority will determine. Seniority will determine; i.e., 2 years at proficient, 1 at basic vs. 2 years only, both at proficient or 2 or 3 years at proficient vs. 1 year only at proficient.
- 7-2.2 For the purpose of this article, the following teaching classifications shall be considered: K-3, 4-6, 7-12 in certification area and service in the District in that certification area.
- 7-2.3 During a three year period after a lay-off due to a reduction in force, such members of the bargaining unit who were evaluated Proficient or Distinguished in his/her last year with the District in order of greatest seniority shall be renominated and elected. The recalled individual will have 2 weeks from date of notification to notify the District that they will return. Such renomination shall not result in the loss of credit for prior years of service, and all years of service shall be considered consecutive. Teachers unemployed under this clause shall be given preference on substitute lists in the district. Any bargaining unit member to be laid off will be given notice of the reduction in force on or before April 15<sup>th</sup> of the year prior to the reduction taking effect.
- 7-2.4 An updated seniority list shall be provided to the President of the Association at the beginning of each school year.

## **ARTICLE VIII** **TIME REQUIREMENTS**

- 8-1 Each teacher has a professional responsibility to provide the best possible quality instruction to the students. This responsibility extends beyond the classroom and the school day and includes being available to: (a) students and parents for assistance and conferences; (b) for attendance at department and other staff meetings designed to provide meaningful professional growth or to clarify school business in general; and (c) to participate in other school related activities at the request of the administration.
- 8-2 (A) Except for faculty or professional meetings, the duty day for teachers shall be a

maximum of seven and one-half hours (7:30) consecutively, provided that this shall not apply to those employees contracting for less than full time duty. Teachers will normally be on duty 10 minutes before and 20 minutes after school except that the duty day may be adjusted as appropriate by the principal so long as it does not exceed the maximum. *These time periods before and after school shall not be included when calculating duty free preparation time for elementary school teachers.*

- (1) Modification of the contract shall include: Kennett High School teachers shall begin their workday up to thirty (30) minutes before the start of the student day (in no event shall the day begin before 7:00 a.m.) one day a week in order to institute the Professional Learning Community model. There will be no change in the length of the current duty day (7.5 hours).
  - (B) The work day for employees assigned to a school during pre-school, post-school, and non-student attendance days shall be from 8:00 a.m. to 3:30 p.m. with one hour for lunch unless otherwise adjusted within this maximum by the principal.
  - (C) Leaving the Building - At times when an employee does not have scheduled instructional responsibilities, conferences, or other assigned duties, the employee may, upon approval of the principal, leave the building for personal reasons. Such approval by the principal shall be equitably applied. Any employee who is away from the building under this provision shall not be considered to be carrying out the responsibilities of his/her position, and the Board shall not be liable for injury to the employee or damage to the employee's property.
- 8-3
- (A) Faculty Meetings - In addition to the regular work day, employees, upon request of the administration, shall be required to spend time before or after a regular workday without additional compensation or compensatory time for the purpose of attending faculty, staff development, school self-study, and principal approved department meetings for an average of three days per month. Faculty meetings shall be consecutive with the regular work day. Employees shall not be required to remain longer than 60 minutes beyond the regular student day for such meetings.
    - (1) Modification of the contract shall include: Kennett High School employees, upon request of the administration, shall be required to spend time before or after a regular workday without additional compensation or compensatory time for the purpose of attending faculty, staff development, school self-study, and principal approved department meetings for an average of one day per month.
  - (B) Meetings Prior to Holidays - Meetings prior to holidays will not be scheduled unless an emergency exists or it is in the best interests of the school to do so. Required meetings will not be scheduled on a day which does not require employee attendance.
  - (C) Notice of Meetings - The notice of any meeting shall be given to the employees at least two days prior to the meeting except in extenuating circumstances.

- 8-4 Any increase in the student day that would require an increase in the employee's work day will cause this contract to be reopened in regard to salaries.

**ARTICLE IX**  
**TEACHER WORK YEAR**

- 9-1.1 The teachers' work year shall be no more than 187 days. There shall be three work days immediately prior to students beginning school, but the Friday before Labor Day will not be a scheduled work day. Students will be scheduled for 180 days, and will begin no sooner than the day after Labor Day. Work days will be scheduled for at or near the end of the first and third quarters, and parent conferences will be the priority for elementary teachers on those days. Under normal circumstances, the final work day (187<sup>th</sup>) will occur on the first regular work day immediately following the last student attendance day.
- 9-1.2 Any teacher required to work additional time or days beyond the teacher's contract work year shall be compensated for any approved additional days at the daily rate of the individual's contract salary for that year.
- 9-2 The number of pupil days school shall be in session shall occur between September 1 and June 30 the year following, inclusive. The School Board shall solicit the opinion of the Conway Education Association, through its president, for the formulation of the school calendar and for the rescheduling of any postponed days.
- 9-3 New teachers should have an opportunity for an orientation that would include information about benefits, responsibilities, and procedures.

**ARTICLE X**  
**PROFESSIONAL LEAVE AND ABSENCES**

- 10-1 The School Board agrees to pay reasonable expenses incurred for educational conferences or for the trips involving school business which shall include, where applicable, mileage reimbursement at the State level when teachers are requested to use their own vehicles for such activities, food and hotel room not to exceed \$50 per diem, highway, parking fees, and bridge tolls. Applications for such activities and expenses must be submitted in advance to the Superintendent of Schools for his/her action concerning approval or disapproval. Any teacher wishing such reimbursement must complete a travel expense voucher and file it with the Superintendent of Schools within fifteen (15) calendar days of his/her return from the trip. No loss of pay will result from the granting of this approved activity.

**ARTICLE XI**  
**HUMAN SERVICE LEAVE**

- 11-1 The School Board may grant two (2) year leaves of absence without pay or other benefits to teachers wishing to work with the Peace Corps or similar organizations.
- 11-2 Requests for such leave must be made by March 1 of the academic year preceding the

year for which such leave is requested. The application must be made in writing to the Superintendent of Schools, who will recommend to the School Board the action which he/she feels would best further the interests of the educational program of the School District.

- 11-3 Such requests will be considered in the context of the overall educational program of the School District.
- 11-4 The teacher, during the first year of employment after the leave, would receive the performance increase earned before the leave.

## **ARTICLE XII** **LEAVE OF ABSENCE**

The School Board believes the best interest of the school will be served if staff members are encouraged to undertake graduate study, relevant and pertinent travel, exchange teacher programs, and/or relevant and pertinent work experience.

- 12-1 Leave may be granted to a teacher after each five years of service to the School District. Teachers will be granted leave on the basis of the merit and potential benefit to the District, current needs of the District, date of submission, and seniority.
- 12-2 The purposes of this leave may be additional relevant and pertinent academic graduate study at an accredited institution of higher learning, for the opportunity to participate in a teacher exchange program, for approved pertinent and relevant travel, for pertinent and relative work experience, for health purposes, or personal reasons.
- 12-3 Upon returning to service, the teacher shall be assigned to the same duties, or those of a similar nature, as determined by the School Board, as were performed prior to the beginning of the absence.
- 12-4 The School Board reserves the right to limit the number of persons on leave and, in a given year, may not grant any requests.
- 12-5 Written application must be made to the Superintendent of Schools no later than March 1 of the academic year prior to the academic year in which the leave will be taken. Before a leave is granted, approval of the application is required by the Superintendent of Schools and the School Board.
- 12-6 In the case of leave for academic study, the School District will compensate the teacher at half salary and full benefit levels.
- 12-7 The teacher may opt to stay on the medical plan at the cost of the teacher.
- 12-8 The teacher must remain in the District at least one (1) year after the leave has ended. In the event the teacher chooses to leave before that time, the teacher will be required to reimburse the District for the salary received during the leave and the cost of benefits paid by the District.

**ARTICLE XIII**  
**PERSONAL LEAVE**

- 13-1 Three (3) days paid personal leave is allowed each year for all full-time employees. Such leave allocations will be prorated for bargaining unit members who work more or less than the full contracted year. Personal leave shall not be cumulative.
- 13-2 Except in extenuating circumstances, employees shall give notice of personal leave 48 hours in advance.
- 13-3 Personal leave requests immediately before or after a holiday (vacation breaks, long weekend, state and federal required school closing) shall be considered only under extenuating circumstances and shall require the approval of the Superintendent on an individual basis. Appropriate documentation may be required.

**ARTICLE XIV**  
**LEGAL**

- 14-1 If it is necessary for any teacher of the School District to serve as a juror or as a witness, the teacher shall be reimbursed the difference between his/her regular pay and jury pay.
- 14-2 In case of a required appearance in a court of law involving no moral turpitude on the part of the teacher, he/she shall be reimbursed his/her pay, and the day or days shall not be deducted from sick leave.

**ARTICLE XV**  
**ILLNESS**

- 15-1 All teachers employed on a ten month basis shall be entitled to thirteen (13) days sick leave per year with full pay. Unused sick leave shall be accumulative from year to year up to a maximum of one hundred and fifty (150) days. Up to thirty (30) days per immediate family member per school year of sick leave may be used to attend to an ill family member. The definition of the immediate family for the purposes of this policy shall be as follows: the immediate family includes father, mother, wife, husband, children, brothers, sisters, grandparents, mother and father-in-law, sister and brother-in-law. If, in the opinion of the supervising principal, a relationship exists similar to that of the family relationship, this leave may be granted.
- 15-2 After a teacher has accumulated the maximum number of sick days, teachers will be paid \$20.00 for each unused day past the maximum at the end of the school year.
- 15-3 A stipend of two hundred dollars (\$200) shall be paid at the end of the school year to any full-time bargaining unit member who has used no sick leave or personal leave during that year. A stipend of one hundred dollars (\$100) shall be paid at the end of the school year to any full-time bargaining unit member who has used no sick leave and one (1) personal day during that year. A stipend of fifty dollars (\$50) shall be paid at the end of the school year to any full-time bargaining unit member who has used no sick leave and two (2) personal days during that year. For part-time employees, the stipend shall be prorated accordingly.

- 15-4 Previously accumulated unused leave days will be restored to all teachers returning from a Board approved leave of absence.
- 15-5 All salaried teachers shall be given annual sick leave on the above basis, with proportionate amounts of leave granted to those who work less/more than a 10 month year, or those who work less than full time.
- 15-6 A certificate from a physician, certifying that the illness was incapacitating, may be required for all absences of five or more consecutive days resulting from illness. However, if the Superintendent of Schools has reason to believe the use of sick leave has not been used for a bonafide illness, he/she may investigate the alleged abuse.
- 15-7 The Conway School Board agrees to provide forty-five (45) days per year with full pay to be used collectively by teachers in the event of a disabling illness. In order for a teacher to qualify for the use of these days, the teacher must have exhausted all of his/her accumulated sick leave and must produce medical verification of disability. These days shall not accumulate from year to year and shall not be replenished within the contract year.

The Disabling Illness Leave Bank shall be administered by a committee composed of three (3) members of the Association appointed by the President of the Association. This committee shall hereinafter be called the Disabling Illness Leave Bank Administrative Committee (Administrative Committee). The Administrative Committee will promptly notify the office of the Superintendent, in writing, of any benefits duly approved by the Administrative Committee, and such approved days will be posted to and deducted from the total accrued days available in the Disabling Illness Leave Bank.

### **CHILD CARE LEAVE**

- 16-1 Child care leave up to two years shall be granted to any employee parent of a child, born or adopted, upon application to the Superintendent of Schools. Such leave may be terminated by the Board prior to its expiration upon written request of the teacher. At the expiration of the leave, the teacher is expected to return to duty or submit a letter of resignation. Upon returning to service, the teacher shall be assigned to the same duties, or similar duties, as were performed prior to the beginning of the leave. Upon returning from leave, the teacher's salary will be at least the same as when he/she took the leave plus any performance pay to which he/she is entitled (see 11-4). If the employee has worked at least 94 days of the school year, advancement in salary will be in accordance with their rating on the CATE.
- 16-2 For nonprobationary teachers, any contribution toward medical benefits which the district pays would be continued for the first year of the leave. After, the teacher may opt to stay on the medical plan at the cost of the teacher. The teacher must return to the District for at least one (1) year following the leave. In the event the teacher leaves the District before that time, they will be required to reimburse the District for the District's contribution to medical and dental benefits. Probationary teachers may opt to stay on the medical plan at the teacher's expense.

**ARTICLE XVII**  
**MILITARY LEAVE**

- 17-1 Any regular teacher who is a duly qualified member of the Reserve components of the Armed Forces will receive, in addition to his/her normal vacation, a leave of absence with pay, minus the salary of a substitute teacher, not to exceed fifteen consecutive calendar days in any one calendar year, in order to receive military training with the Armed Forces of the United States under the following conditions.
- 17-2 He/she shall give evidence defining the date of departure and date of return for purposes of military training thirty days prior to the date of departure.
- 17-3 He/she shall give evidence of satisfactory completion of such training immediately upon his/her return.
- 17-4 In time of war, or state of national emergency, any full-time regular contract teacher ordered to active duty in the Armed Services of the United States, including overseas service of the Red Cross, shall, upon application, be granted a specific leave of absence.
- 17-5 This leave shall continue for the duration of the period of actual military service, and for thirty (30) days immediately following discharge of the teacher. Additional time may be granted upon Board approval.
- 17-6 Within thirty (30) days following discharge, each person desiring reinstatement shall so notify the Board and shall furnish evidence of physical fitness and mental competence for the type of work in which he/she was engaged at the time leave was granted, or such other work as may be available.
- 17-7 Reinstatement of such teacher shall be made within thirty (30) days after receipt of the notice that the teacher desires to be reinstated.
- 17-8 A probationary teacher returning to the employment of the public schools from military service shall be regarded as retaining the period of probationary service achieved prior to his/her entry into military service, but none of the time spent in the military shall count toward continuing contract rights.
- 17-9 All teachers on military leave shall be given the benefit of any increments and benefits which would have been credited to them had they remained in active service with the public schools.
- 17-10 The Board reserves the right to extend a leave to those remaining in military service beyond the compulsory service period.

**ARTICLE XVIII**  
**DEATH IN THE IMMEDIATE FAMILY**

**Bereavement Leave**

- 18-1 A maximum of five (5) days will be granted each teacher for each death in the immediate family. These days, if used, shall not be deducted from sick leave. The definition of the immediate family for the purposes of this policy shall be as follows: the immediate family includes father, mother, wife, husband, children, brothers, sisters, grandparents, mother and father-in-law, sister and brother-in-law. If in the opinion of the supervising principal a relationship exists similar to that of the family relationship, this leave may be granted.

### **ARTICLE XIX** **DUES DEDUCTION**

- 19-1 The Board agrees to deduct from the salaries of its teacher dues for the Conway Education Association, the New Hampshire Education Association, and the National Education Association, as said teachers individually and voluntarily authorize the Board to deduct and to transmit the monies promptly to the Conway Education Association. Teachers requesting dues deduction shall do so in the form set forth in Appendix E-1 of this Agreement or by the vehicle provided by NHEA.

### **ARTICLE XX** **COURSE REIMBURSEMENT**

- 20-1 The District shall reimburse teachers an amount not to exceed the current credit hour cost of the University of New Hampshire and in no instance more than the actual cost involved up to the maximum of nine (9) credit hours in any one school year. The credits shall be approved if they are relative to education as determined by the Principal and the Superintendent of Schools to the position held by the teacher. Teachers earning credit during the summer shall be reimbursed in September only if they continue in the employ of the district, and provided that evidence of passing grades of at least a B- or an 80 on a 100 point scale, or pass in a pass/fail option course, has reached the School Board by September 15. After September 15, payment will be made within thirty (30) days of receipt of such evidence. Teachers earning credit during the fall and the spring shall be reimbursed within forty-five (45) days of submission of evidence of passing grades in the credits to the Superintendent. The teacher will be required to stay in the district for two (2) years or reimburse the district for the cost.

The Board will establish a budgeted amount equal to 110% of the highest level of expenditures for course reimbursement for the previous three years, not to exceed \$50,000 in any one year. If the requests exceed the budgeted amount, the Superintendent shall determine whether the requests should be pro-rated, or whether funds are available from another function. In order to ensure the funds are distributed equally, the leadership of the CEA and the Superintendent's office agreed on the following:

- ◆ The first reimbursement payment of 50% of the current credit hour cost of the University of New Hampshire, and in no instance more than 50% of the actual cost involved up to the maximum of nine (9) credit hours in any one school year, shall be paid in accordance with Article 20-1 of the CEA contract.

- ◆ The second payment will be made on a cents per dollar basis, based on the funds remaining for course reimbursement. It is anticipated that these reimbursements will be made in June after the appropriate amounts have been determined.

Any teacher whose performance has been determined to be unsatisfactory is not eligible for course reimbursement unless the course has been designated by the principal as part of a specific improvement plan.

- 20-2 A teacher will be reimbursed up to \$25, but not to exceed actual costs, for required textbooks when the teacher successfully completes the approved course work. The textbooks will become the property of the Conway School District, to be used in a professional library.
- 20-3 The District agrees to provide \$27,000 per year for professional development beyond course work. The building principal shall distribute and approve funds. The dollar amount for each building shall be proportionate to the percentage of the total professional staff.

### **ARTICLE XXI** **TAX SHELTERED ANNUITIES**

- 21-1 The purchase of tax sheltered annuities is possible for all full-time teachers. Each participant authorizes the school district to withhold the premiums for the annuity from his/her salary.

### **ARTICLE XXII** **CREDIT UNION**

- 22-1 Teachers electing payroll deductions for credit union shall notify the business office on the form provided for the necessary payroll authorization. The business office will transmit credit union deductions monthly to the authorized credit union.

### **ARTICLE XXIII** **HEALTH BENEFITS**

#### 23-1.1 Effective July 1, 2007

The Board will provide health insurance for each teacher who works at least half-time on a prorated basis (teachers who are currently employed and receiving the full benefit will continue to receive the full benefit) through Harvard Pilgrim. Eligible employees may select the Harvard Pilgrim program that best meets their needs. The Board will pay 80% of the premium cost of the HMO Plan. The District will continue to offer a Point of Service and Indemnity Plan. If an employee chooses the POS or Indemnity Plan, they will be responsible for any cost above the District's share of the HMO Plan. The plans will include a prescription drug plan of \$0-\$20-\$30.

- 23-1.2 A committee of 6 members, 3 from the CEA and 3 appointed by the Conway School Board, will meet periodically during the life of this contract to review health insurance options.
- 23-1.3 The Board agrees to establish, in accordance with I.R.S. regulations, a section 125 “Salary Reduction Account” to provide for the pre-tax payment, through payroll deduction, of the teachers’ share of health insurance premiums as referenced in section 23-1.1.
- 23-1.4 The Board may, only with the consent and agreement of the Conway Education Association, obtain such insurance from a different carrier provided the benefits are equivalent to those benefits provided in section 23-1.1
- 23-2.1 The Board will provide an insurance waiver payment of 50% of the Board’s share of a single premium for a 2 tier point of service plan Effective July 1, 2003, and 50% of the Board’s share of a single premium for an HMO plan effective July 1, 2004, to any employee who certifies health insurance coverage through a spouse or other legitimate source outside of the school district, and thus waives coverage by the Board. For married couples working for the Board, one member would be eligible for this waiver. Those employees accepting an insurance waiver during their final year prior to retirement are not eligible for health insurance coverage through the School Board upon retirement, if required by the insurer. Such waiver payment will be included in the regular payroll.
- 23-3 Delta Dental Plan - The Board agrees to pay the cost of a single membership for each teacher for the following coverage: Coverage A - 100%, no deductible; Coverage B - 95%, no deductible; Coverage C - 50%, no deductible, with a contract year maximum of \$1,000.00. The Board agrees to fund the Delta Dental Family Plan for all teachers who opt to become members, effective January 1, 1989.
- 23-4 In the event a unit member signs a contract to return for the next year and resigns prior to September 15, the unit member will be required to reimburse the district for the full amount of the health and dental benefits paid by the district for the months of July and August for the unit member’s health and dental insurance.

**ARTICLE XXIV**  
**LIFE INSURANCE**

- 24-1 The School Board will pay the premium for each teacher for a group Term Life and Accidental Death and Dismemberment Insurance Policy (\$35,000 life insurance/\$35,000 accidental death and dismemberment). The selection of this Group Term Life and Accidental Death and Dismemberment Policy will be at the sole discretion of the Conway School Board.

**ARTICLE XXV**  
**TEACHER CONTRACT AND RESIGNATIONS**

- 25-1 Teachers who are part of the unit defined shall honor the conditions set forth in the Conway School District’s annual teacher contract, a copy of which is attached as Appendix C. Every teacher under renewal in the district will receive a teacher’s contract within 60 days of ratification by the legislative body at the school district meeting.

- 25-2 In the case of a retirement effective on the closing day of school of the contract year and that complies with the conditions set forth in the Conway School District's Annual Teacher Contract, the Delta Dental and health benefits shall extend to August 31 of the year the employment ends. In the case of a nonrenewal or a resignation effective on the closing day of school of the contract year and that complies with the conditions set forth in the Conway School District's Annual Teacher Contract, the teacher may remain a member of the Delta Dental and/or health group plans through August 31 of the year the employment ends by paying the group rates through the Conway School District.

**ARTICLE XXVI**  
**SALARIES**

- 26-1 The salary schedule for hiring (Appendix B) effective July 1, 2007 is for the purpose of placing new teachers on a schedule, and to assure that no new employee's salary can exceed the salary of a veteran employee with the same qualifications and experience, plus the addition of the appropriate proficient pay raise (\$1,750 in 2007-08 and \$1,825 in 2008-09).
- 26-2 Eligibility for any salary increase is based on supervisor's evaluation of teacher performance. Effective July 1, 2001, all teachers will receive performance pay increases based on their rating as measured by the Conway School District Professional Evaluation System (9-23-00) approved by the Conway School Board (October 23, 2000) and the Conway Education Association (November 3, 2000) as follows:

2007-2008 school year

Unsatisfactory (0%-42%) = \$0.00  
Basic (43%-59%) and below \$30,000 including longevity = \$1,000 (cumulative)  
Basic (43%-59%) and \$30,000 or above including longevity = \$500 (cumulative)  
Proficient (60%-84%) = \$1,750 (cumulative)  
Distinguished (85%-100%) = \$500 (one-time bonus)

2008-2009 school year

Unsatisfactory (0%-42%) = \$0.00  
Basic (43%-59%) and below \$30,000 including longevity = \$1,000 (cumulative)  
Basic (43%-59%) and \$30,000 or above including longevity = \$500 (cumulative)  
Proficient (60%-84%) = \$1,825 (cumulative)  
Distinguished (85%-100%) = \$500 (one-time bonus)

In the event a new collective bargaining agreement is not in place by July 1, 2009, the parties agree that any performance based increases over the 2008-2009 levels will only occur through further negotiations. Should negotiations fail, the status quo salary levels for the 2009-2010 contract year shall be held at the 2008-2009 levels with the exception of track changes, which will be advanced in accordance with the language of the agreement.

- 26-3 To be eligible for an increase, teachers must have been employed in a regular position for at least 94 days prior to the effective date of increase.

- 26-4 Nurses who are licensed by the State of New Hampshire and employed as “school nurse/teachers” will be placed on the same salary schedule as all other professional staff members. “School nurse/teachers” who do not have a Bachelor’s Degree will have their salary based on the non-degree schedule.
- 26-5 Effective July 1, 2003, teachers who have taught, or been employed in a professional position, continually in the Conway School District will receive a longevity payment of \$300 commencing in the 4<sup>th</sup> year, an additional \$250 (total \$550) commencing in the 8<sup>th</sup> year, an additional \$550 (total \$1,100) commencing in the 15<sup>th</sup> year, an additional \$900 (total \$2,000) commencing in the 20<sup>th</sup> year, an additional \$800 (total \$2,800) commencing in the 25<sup>th</sup> year, and commencing in the 30<sup>th</sup> year an additional \$500 longevity payment will be made in the year of the teacher’s retirement. Teachers who were employed or on leave during the 1981-82 school year have had up to ten years of experience outside the district credited to their longevity.
- 26-6 Teaching experience within the school district shall be evaluated at full credit. Teaching experience outside the school district shall be granted at full credit for experience through a maximum of ten years. However, when securing teachers where work experience is required for the position or certification, initial placement on the salary schedule shall include teaching experience as required and whatever work experience beyond that which is needed for the position or certification. Teaching experience greater than the maximum of ten (10) years can be recognized by the School Board upon the recommendation of the Superintendent of Schools. The Superintendent of Schools will inform the CEA President of the situation before making a recommendation to the School Board.
- 26-7 Once teachers are on schedule, they will remain in the same track until they qualify for another track. When they qualify for another track they proceed to the next track. If teachers expect to qualify for another track for the coming school year, they must notify the Superintendent by **November 1** of the year preceding that in which the qualification will occur. In September of each year, teachers with the appropriate number of credits for a track change will proceed to the appropriate track effective the beginning of that school year provided that the teachers affected submit proof of credits earned or the equivalent to the Superintendent of Schools by October 1 of the school year in which the track change is effective. During the remainder of the school year, one (1) additional salary track change shall be allowed and will become effective as of **February 1** of that school year, provided the teacher submits proof of credits earned or the equivalent to the Superintendent of Schools by February 1 of said school year. **Mid year track changes are pro-rated to the effective date.** To qualify for any of the “Bachelor plus” tracks, the credits beyond a Bachelor’s degree must be in the teaching field or subject matter area. To qualify for the Master’s track, a Master’s degree must be in the teaching field or subject matter area. To qualify for the Master’s plus thirty track, thirty (30) credits must be in the teaching field or subject matter area. To qualify for the Master’s plus sixty, 60 credits must be in the teaching field or subject matter area. All courses in these tracks must have prior approval of the Superintendent of Schools. No teacher on a Master’s track as of September 1, 1977, shall be removed from the track because of the above language, nor will anyone enrolled in an educational program as of December 1, 1977, be prevented from achieving placement on the Master’s track that they would have achieved upon completion of the program if the above language hadn’t been adopted. Placement

other than that mentioned in the previous exception will be determined by the above language.

- 26-8 A course grade higher than B- or 80 on a 100 point scale, or pass in a pass/fail option course, will be considered when granting credits toward a track change.
- 26-9 All teaching positions, including those that are subsidized by Federal Funds, will be hired and compensated in the same manner as classroom teachers.
- 26-10 Teachers recommended by the building administrator shall be appointed by the School Board to work during vacation periods or during the summer when school is not in regular session shall be compensated at: their per diem rate pro-rated to hours assigned if employed to teach or perform duties similar to those assigned for a majority of their time during the regular year; \$24.00 per hour if appointed to participate in curriculum development, revision or related committee work such as required IEP related meetings.
- 26-11 Teachers have the option of receiving their salaries in either 22 or 26 biweekly installments. The teacher shall notify the Superintendent of his/her preference by the opening of the school year. If no notice is received by that date, the teacher will be paid in the same installments as the previous year, or in the case of newly employed teachers, in 26 installments.
- 26-12 The Board shall make a good faith effort to obtain ratification of this agreement.
- 26-13 Effective July 1, 2006, the following compensation plan will be instituted for all coaches listed in Appendix D (Co-curricular Activities Schedule).
- The dollar value for each bracket will be adjusted accordingly (see accompanying 2006-2007 figures).
    - Bracket 1 - \$3,900.00
    - Bracket 2 - \$3,275.00
    - Bracket 3 - \$2,675.00
    - Bracket 4 - \$2,265.00
    - Bracket 5 - \$1,850.00
    - Tennis/Volleyball - \$800.00
    - Staff Development - \$400.00
  - Any individual presently serving in a position and returning to that position for the 2006-07 year will receive a 2% increase in compensation, or the new bracket placement figure, whichever is greater.
- 26-14 Co-curricular activities and positions are established and placed in brackets through school board policy as shown in Appendix D. However, decisions regarding establishment and placement must be recommended to the board by a co-curricular committee to include a board member, the superintendent or designee, a principal, high school athletic director, and three co-curricular representatives, one of which is to be an athletic coach, one a club or activity sponsor, and one an elementary representative.

The co-curricular committee will meet at least once annually between March 1 and May 15 to address any appropriate proposals. The Superintendent shall be responsible for setting the date of the annual meeting and will provide notification to committee members. Any recommendations from this committee should be made by May 31.

- 26-15 Effective July 1, 2005, Team Leaders who teach a regular teaching load will receive a 3% increase over the 2004-05 stipend. Department Heads will receive a stipend of \$3,000 and will be provided with 30 to 90 minutes of supervision time (depending on teaching assignment) and 90 minutes of preparation time. Department Heads will also teach at least 3 hours per day. The principal may ask Department Heads to teach up to 4 hours per day if the Department Head supervises 8 staff members or less and up to 3.5 hours per day if the Department Head supervises more than 8 staff members. Department Heads have the right to decline the principals' request to teach more than 3 hours.
- 26-16 Staff Development representatives will be placed on the cocurricular schedule in accordance with 26-14.
- 26-17 Teachers who agree to volunteer to cover a class and/or period when a substitute is not available, will receive \$18.00 for a full 90 minute block and \$12.00 for a block less than 90 minutes.

## **ARTICLE XXVII**

### **RIGHTS OF THE PARTIES**

- 27-1 The Board reserves to itself sole jurisdiction and authority over matters of policy and retains the right, in accordance with applicable laws and regulations (a) to direct teachers of the school district; (b) to hire, promote, assign, and retain teachers in positions with the school district, and, with just cause, to demote, suspend, discharge, or take other disciplinary action against teachers, except that the just cause provision shall not apply to nonrenewal of teachers not on continuing contract as defined by contract; (c) to relieve teachers from duties because of lack of work or for other legitimate reasons; (d) to maintain the efficiency of the school district operations entrusted to them; (e) to determine the methods, means, and personnel by which such operations are to be conducted; and (f) to take whatever actions which may be necessary to carry out the mission of the school district in situations of emergency.
- 27-2 There shall be no reprisals by either the Board or the Association against any teacher by reason of his/her membership or lack of membership in the Association or participation or reprisals be taken against a teacher as a result of his/her participation in the grievance or arbitration procedure provided by this Agreement.
- 27-3 The Board agrees to make available to the Association one copy of the minutes of Board meetings.
- 27-4 Those members of the bargaining unit so designated by the Association shall be permitted to place notices, circulars, and other materials in the teachers' mailboxes after first submitting a copy of such material to the principal for his/her information and approval.
- 27-5 For so long as the Association legally represents, for the purposes of collective

negotiations, the members of the bargaining unit, the Board agrees not to negotiate salaries and direct economic benefits with any teachers' group other than the Association. (Provided, however, that this shall not prevent the Board from communicating or consulting with any individual teacher or group of teachers for any purpose the Board shall deem desirable in the discharge of its responsibilities.)

- 27-6 The Board agrees to provide copies of this Agreement to all teachers employed in the District.
- 27-7 The parties understand that the Board may not lawfully delegate the power or authority which, by law, is vested in it, nor may the Superintendent lawfully delegate the power or authority which, by law, is vested in him/her; and this Agreement shall not be construed so as to constitute a delegation of the power or authority of either.

## **ARTICLE XXVIII** **EMPLOYMENT**

### 28-1 EQUAL OPPORTUNITY EMPLOYMENT

- 28-1.1 It shall be the policy of the School Board to recruit and select for employment the best qualified applicant for each position without regard to race, color, creed, sexual orientation, or national origin; nor shall any person be denied employment solely because of age, sex, handicap, or marital status. Age shall be considered only with respect to minimums set by law and retirement as specified by the State or policies of the Board.

### 28-2 STAFF PROTECTION

- 28-2.1 The school district will be vigorous in its protection of all teachers from physical abuse. Any teacher who is threatened with harm is to notify his/her principal or supervisor immediately, and steps are to be taken at once to protect the teacher's safety. Further, the school district shall protect its teachers through a comprehensive liability insurance program, and the school district shall hold harmless and defend any district teacher from claims for damages caused or alleged to have been caused in whole or in part by that teacher while performing assigned duties as a teacher of the district under the provisions of the district's liability policy, whether or not that person is employed by the district at the time the claim is made, provided that the district shall not be obligated to assume any costs or judgment held against the teacher when such damages are proved to be due to the teacher's willful negligence, violation of law, or criminal act as determined by a court of law.

### 28-3 PROMOTION

- 28-3.1 When administrative positions become vacant, the School Board and the Superintendent of Schools will give careful consideration to members of the staff who might be qualified for the position. The Superintendent shall see that vacancies are announced to the staff and that job qualifications accompany the announcement.

### 28-4 RESIGNATION

- 28-4.1 Any teacher wishing to resign shall give 30 days written notice to the Chairperson of the School Board and the Superintendent. Any teacher not providing a 30 day notice of resignation shall have the sum of \$200 deducted from their final pay.
- 28-4.2 Any teacher who resigns after July 20 may be required to teach in the next academic year

until the Superintendent of Schools can find a qualified replacement.

## 28-5 WORK LOAD

- 28-5.1 No junior high school or high school teacher shall have more than four (4) preparations per day or teach more than 275 minutes per day. All teachers may be asked to have more than four (4) preparations per day, but it is not required. Any teacher's workload is dependent to a great extent on the size of the class and the subject matter.
- 28-5.2 During each school day, each teacher shall have a 25 minute duty free lunch period.
- 28-5.3 Each teacher at the elementary school level shall have two hundred and fifty (250) minutes per week of duty free preparation time, such time to be during the school day.
- 28-5.4 Each teacher at the junior high school shall have two hundred (200) minutes per week of duty free preparation time and two hundred (200) minutes per week dedicated to team planning and conferences, such time to be during the school day.
- 28-5.5 Each teacher at the senior high school shall have three hundred and fifty (350) minutes per week (minimum of 54 continuous minutes) of duty free preparation time, such time to be during the school day. Passing time shall not be considered prep time.

## 28-6 CONTROVERSIAL ISSUES

- 28-6.1 American academic tradition stresses the free contest of ideas as a vital element both in the development of curriculum and in classroom teaching. Training in reflective and responsive thinking, though incorporated in course offerings at all grade levels, is the special responsibility of the social studies. This training is impossible, or at least severely hampered, if the community does not respect the principles of freedom and recognize that dissent does not necessarily mean disloyalty.

However, one form of dissent which is absolutely incompatible with freedom is that which attempts to end freedom. Irrational fears do just this, and thereby may block the school in its effort to handle controversial issues in an atmosphere of freedom and thoroughness.

- 28-6.2 It is the responsibility of the schools to make a provision for the study of controversial issues. (a) The policy on controversial issues should be defined in terms of the rights of pupils rather than in terms of the rights of teachers. (b) The study should be emphasized in the senior high school, when most pupils are mature enough to study the significant controversial issues facing our citizens. (c) The study should be objective and scholarly with a minimum emphasis on opinion and a maximum emphasis on facts.
- 28-6.3 In the study of controversial issues the pupil has the following rights: (a) the right to study any controversial issue which has political, economic, or social significance and concerning which (at his/her level) he/she should begin to have an opinion; (b) the right to have free access to all relevant information; (c) the right to form and express his/her opinion on controversial issues without thereby jeopardizing his/her relationship with his/her teacher or the school; and (d) the right to study under competent instruction in an atmosphere free from bias and prejudice.

- 28-6.4 The teacher employs the same methods in handling areas of controversy as characterize his/her best teaching at any time. The teacher, in selecting both the content and the method of instruction, is mindful of the maturity level of the students. The teacher has assured himself/herself that the controversial subject to be discussed belongs within the framework of the curriculum to be covered, that the subject is significant as well as meaningful for the pupils, and that through the discussion pupils will have some opportunity to grow. The teacher handles the classroom presentation in ways which will ensure a wide range of information and interpretation for the pupils' consideration. He/she strives to present a balance among many points of view. The teacher does not use his/her classroom as a personal forum. He/she does not employ the techniques of the demagogue or the propagandist for attention, for control, or simply for color. The teacher has the right to identify and express his/her own point of view in the classroom as long as he/she indicates clearly that it is his/her own. The teacher emphasizes keeping an open mind, basing one's judgment on known facts, looking closely at facts to evaluate them in terms of the subject under discussion, and being ready to change one's opinion should new facts come to light. The emphasis always is on the method of forming an opinion as much as on the opinion formed.
- 28-6.5 Any faculty member may invite speakers to address his/her class on subjects which are within the framework of his/her curriculum and which are not prohibited by law. It has always been the policy that when outside speakers have been invited into Kennett High School, they are always introduced to the Principal or Assistant Principal. This policy shall continue in force.

## **ARTICLE XXIX**

### **EARLY RETIREMENT**

- 29-1.1 Any full-time teacher hired prior to June 30, 2000, and who has taught a minimum of twenty (20) years, of which at least ten (10) have been within the Conway School District, may submit a request for early retirement to the Board. This request for early retirement shall be dated and signed by the teacher submitting it, shall be submitted by November 15 (i.e., November 15, 1998 for retirement in June of 1999) of the year preceding the year in which the retirement shall commence, and shall specify the date selected by the teacher for retirement, which shall be at the end of a teaching year (June). The Board shall act upon the request no later than December 31 of the year submitted.

Employees hired after June 30, 2000 must have taught in the Conway School District at least fifteen (15) years to be eligible for the same benefits as above.

- 29-1.2 All requests for early retirement will be placed on a list in order of seniority in the Conway School District. The Board shall approve the first three (3) on the list and may approve others in order of seniority.
- 29-1.3 If approved, the District shall pay teachers granted early retirement on the following schedule:

Teachers ages 55-58 years, 30% of the teacher's last salary annually for a five year period.

Teachers ages 59-63 years, 25% of the teacher's last salary annually until age 65.

29-1.4 Early retirement shall be treated as a voluntary separation, and the teacher shall have no right to continue teaching in the District after that date.

29-2 Retirement - In recognition of a teacher's years of service to the District, the Board has established the policy of providing a system of severance pay. A teacher must retire from the School District in order to receive this benefit. Teachers who opt for Early Retirement or who leave for employment elsewhere will not qualify for severance pay. Severance pay will be paid to the teacher on the following formula: Number of years of service in the School District x ¾ of one percent (1%) of the base salary at the time of retirement.

Example:	BASE Salary -----	\$23,216.00
	Years of Experience in Conway -----	30
	¾ of 1% of \$23,216 =	\$174.12
	\$174.12 x 30 years =	\$5,223.60

29-3.1 Retirement Health Insurance - All employees hired prior to June 30, 2000 and who have taught in the Conway School District for at least ten (10) years and retiring after June of 1997 will be eligible for the health insurance plan available to active employees consistent with the terms of the collective bargaining agreement at the same co-pay as active employees. If the retired teacher is eligible for and desires to have two-person or family coverage rather than single coverage, the retired teacher is responsible to pay any difference in cost which an active teacher must pay for the additional coverage. This difference is the co-payment. The retiree's share of the insurance premium is to be paid to the district office in advance of the due date of payment to the health insurance carrier. If the retiree fails to pay the retiree's share as specified, the coverage will lapse without liability to the Conway School District. Coverage will continue to age 65, after which the Board will pay on the same basis toward membership in the appropriate Medicare Supplemental program offered by the District's insurance carrier. Any who retired prior to July 1, 1989 and are ineligible for this benefit, will become eligible if the state laws are altered to permit participation by these persons.

Employees hired after June 30, 2000 must have taught in the Conway School District at least fifteen (15) years to be eligible for the same benefits as above.

29-3.2 Disability Health Insurance - The Board agrees that for disability retirement, any teacher who has served ten (10) or more years as a teacher or other professional certified position in the Conway School District shall be eligible for an insurance subsidy equal to four percent (4%) of the single premium payment for each year of employment in the Conway School District to the limit of the Board's co-payment obligation for health insurance coverage in a plan offered to active employees. Coverage would continue to age 65, after which the Board would pay in the same manner toward membership in the appropriate Medicare Supplemental coverage offered by the insurance carrier.

**ARTICLE XXX**  
**MISCELLANEOUS PROVISIONS**

30-1 If any provisions of this Agreement or any application of this Agreement to any teacher or group of teachers shall be found contrary to law by a court of competent jurisdiction,

This Agreement shall not be extended orally, and it is expressly understood that it shall expire on the date indicated. Any extension shall be mutually agreed upon in writing by the parties to the Agreement, and unless such extensions are agreed upon, the contract shall expire on the date indicated herein.

### **ARTICLE XXXII** **ADVISOR/ADVISEE PROGRAM**

The Homeroom/Advisor-Advisee program will be implemented as follows: Homeroom will be 6 minutes per day. When the faculty or administration decides to address an issue through the advisor/advisee program, homeroom will be extended. The extension of homeroom periods will be no more than 2 hours per month, except during standardized testing. Where possible, the homeroom/advisor-advisee will be held in the classroom in which the teacher normally teaches.

Advisors will be responsible for ...

- ◆ taking daily attendance and reporting information accurately to the discipline/attendance office
- ◆ communicating information to students through daily announcements

- ◆ understanding the master schedule and communicating important information about scheduling to students
- ◆ communicating information about college and career choices to students, particularly information prepared for dissemination by the guidance department

In addition, for teachers who are comfortable, the advisor will act as a caring adult for students who are faced with difficult personal choices. When issues are addressed through the advisor/advisee program for which teachers are not comfortable, support will be offered through the guidance department.

For agreeing to this additional responsibility, the following conditions of employment will exist:

1. Teachers will have no after school detention duty.
2. The last day of the teacher workshop days prior to the opening of school will be given entirely for teachers to prepare for the opening of school.
3. Teacher workshop and early release days will be used for the District’s Continuous Improvement effort and department priorities, at the junior/senior high school.
4. Additional time will be given for the preparation of grades. Specifically, teachers will be required to submit grades on the Wednesday morning following the Friday closing the marking term, except during the fourth marking period when teachers will have until 3:00 p.m. on the second day after the students’ last day before grades are due.

**ARTICLE XXXIII**  
**WORKER’S COMPENSATION**

If a Worker’s Compensation claim has been accepted by Worker’s Compensation Insurance, he/she will continue to receive his/her regular pay and will reimburse the Conway School District the amount he/she receives from Worker’s Compensation Insurance. During the time missed from school that is covered by Worker’s Compensation Insurance, ½ day of sick leave will be deducted for each day of his/her absence.

**APPENDIX A**  
**NEGOTIATIONS BARGAINING MEETING PROCEDURE**

**A1-1 PRIVILEGES**

A1-1.1 A teacher organization which has been recognized by the School Board as the sole negotiating agent for the public school teachers will be granted certain privileges which might not be granted to other organizations. The negotiating organization for the teachers may use school facilities for their meetings as long as it does not interfere with or hamper the educational process or the normal working operations of the district. The negotiating organization for the teachers may use school equipment (not school buses), but must use their own supplies.

**A1-2 USE OF SCHOOL TIME**

A1-2.1 The officers and other members of the negotiating organization representing the public school teachers may not use school time for any of their activities.

**A1-3 BARGAINING MEETING PROCEDURES**

A1-3.1 It is important to the success of the negotiating process that the bargaining meetings shall be well organized. It is vital that each meeting, especially the first, should have a well planned agenda. The agenda for all meetings, including the first session, shall be determined in advance by the head of the negotiating unit for the teacher organization and the Chairperson of the School Board, or their representatives. No item shall be included on any agendas which are not within the scope of the negotiations as defined in adopted School Board Policy HAB. The time and place of the first meeting shall be determined in advance by the head of the teachers' negotiating unit and the Chairperson of the School Board. The time of other meetings shall be determined by those present at the first meeting; at all meetings the parties shall have the right to caucus or recess.

**A1-4 TIME LIMITS**

A1-4.1 The School Board does not wish to put time limits on the negotiating process, but due to the need to present a budget at the Municipal Budget Committee meeting in January, the Board must insist that an Agreement be signed by January 5. The Board hopes that negotiating will always go smoothly, but realizes that an impasse may be reached and require time for mediation, fact finding, and arbitration. In order to allow time for such circumstances, the Board feels it is necessary to set a time limit on the commencement of negotiations. The organization representing the teachers must give to the Superintendent written notice of their desire to negotiate. The first meeting will be held within ten (10) days of the receipt of such notice. The notice of the teachers' desire to negotiate must be received by the Superintendent of Schools no later than August 15. If such notice is not received by the Superintendent during this period. It will be assumed that the teachers waive their rights to negotiate for that year.

**A1-5 NOTIFICATION**

A1-5.1 The time of the first bargaining meeting shall be determined by the head of the teachers' negotiating unit and the Chairperson of the School Board in their preliminary meeting, or by their representative at such meetings. It shall be the responsibility of the head of the teachers' negotiating unit to notify the other members of his/her bargaining team and the Chairperson shall notify the other members of the Board and the Superintendent of Schools.

## A1-6 DISTRIBUTION OF INFORMATION

A1-6.1 Any nonconfidential information available at the office of the Superintendent of Schools is at the disposal of the members of the negotiating unit representing the public school teachers.

## A1-7 QUORUM

A1-7.1 A quorum shall be considered to be present at a meeting if a majority of each bargaining unit (excluding the Superintendent of Schools) is present.

## A1-8 RULES OF ORDER

A1-8.1 Unless otherwise specified, the bargaining meetings shall be run under Robert's Rules of Order, Revised.

## A1-9 MINUTES

A1-9.1 The minutes of the first meeting shall be kept by a secretary appointed by the Superintendent of Schools. At the first meeting a permanent secretary shall be chosen.

## A1-10 PROGRESS REPORTING

A1-10.1 It is important to the success of the negotiations that the teachers and public should be aware of the progress of the bargaining meetings. It shall be the responsibility of the negotiating unit representing the teachers to keep the teachers informed of the progress. Reports of progress will be made to the press jointly by the negotiating units. The drafting of such reports shall be the responsibility of one member from each unit, who shall work together. No report shall be released until it has been approved by a majority of the members of both negotiating units.

## A1-11 RATIFICATION PROCEDURES

A1-11.1 Any agreement reached at the bargaining meetings may be ratified by a majority vote of the School Board. The ratification procedures adopted by the teachers is obviously not determined by the School Board. The Board does, however, insist that the ratification procedure adopted by the teachers must be one which will assure the Board that the majority of the teachers approve the Agreement.

## A-1-12 ANNOUNCEMENT OF AGREEMENT

A1-12.1 The announcement of the Agreement shall be made jointly by the head of the negotiating unit representing the teachers and by the Chairperson of the School Board.
