7.1 Upon application of the employee, an unpaid maternity leave of absence shall be granted to permanent full-time calendar year employees who have been employed at least one (1) year before said application, said leave to commence at the time recommended by the doctor, and to extend for a period not to exceed six (6) months after the birth of the child. - B. The employee shall give written evidence of satisfactory completion of the training immediately upon returning to school district duties. Evidence shall be in the form of a pay voucher.

Military reserve organizations sometimes require their members to obtain approval of their employers to take part in the "Ready" components as opposed to the "Standby" components. Such approval indicates a willingness to release the employee on short notice for active duty. The Superintendent shall approve or disapprove each such request to take part in "Ready Reserve" activities. Such approval shall not be unreasonably denied. The Superintendent's decision shall be nonreviewable in any forum and nongrievable.

7.4 Any member of the bargaining unit covered under this Agreement who, during time of declared war, joins or is drafted into active duty in the United States Armed Forces, shall be on leave of absence from the date of induction to the date of discharge from active duty, plus thirty (30) days. - B. Within thirty (30) days following discharge from active duty, the employee shall furnish to the Superintendent evidence of physical fitness and mental competence for the type of work in which the employee was engaged at the time leave commenced, or for such other similar work as may be available.
- C. Upon timely notice of intent to return and timely furnishing of evidence of physical fitness and mental competence, the employee shall be allowed to return to work within the District within thirty (30) days of the notice and furnishing of evidence.
- D. If an employee who has been granted a military leave of absence for active duty in accordance with this provision shall fail to give the above-described notice of intent or evidence of physical fitness and mental competence within the time periods described above, the employee shall be deemed to have voluntarily terminated employment.

7.5 All leaves of absence defined and discussed in this Article shall be unpaid. Seniority shall be frozen and not forfeited as of the date of commencement of such leaves of absence and shall remain frozen and not

forfeited until such time as the leave of absence or the employee's employment terminates. Health insurance coverage shall be continued at the employee's option and expense during any leave of absence defined and discussed in this Article. Employees on maternity leave may utilize sick leave.

## **ARTICLE 8** **JURY DUTY**

8.1 An employee called as a juror will be paid the difference between the fee received for such service and the amount of straight-time earnings lost by reason of such service. Satisfactory evidence of such service must be submitted to the employee's supervisor.

8.2 All time spent on jury duty will be counted as hours worked up to but not in excess of the number of hours that constitutes that employee's normal work day.

## **ARTICLE 9** **WORKMEN'S COMPENSATION**

9.1 The purpose of Workmen's Compensation Insurance purchased by the District is to provide an employee the opportunity to receive their regular salary on those occasions when an absence occurs because of a work-related injury and the claim is accepted by the insurance carrier. 9.4 The differential between Workmen's Compensation and the regular salary shall cease when the employee's cumulative sick leave is exhausted.

9.5 An employee absent from work due to work-related injury may be terminated after the Workmen's Compensation benefits have been exhausted, or after one year of continuous absence, whichever occurs first. A decision to terminate will be made prior to the time that the Workmen's Compensation benefits have been exhausted, or one year of continuous absence has occurred, whichever occurs first.

9.6 In order to verify the Workmen's Compensation payments, the school district will be advised by the insurance carrier of all nonmedical payments to the employee. Based on the option chosen above, the payroll clerk shall make the appropriate adjustments in district payments and sick leave records.

The District reserves the right to contract with a third-party administrator for the processing and reimbursement of these allowed expenses.

- Employee Only: up to \$500 per contract year
- Employee plus one: up to \$1,000 per contract year
- Employee plus two or more: up to \$1,500 per contract year

In addition, the Board will create a \$3,000 deductible insurance pool for the purpose of reimbursing any unit member who experiences more than one (1) \$500 deductible. Such reimbursement will require documentation of the additional \$500 deductible and will be made on a prorated basis should all \$3,000 be used (administered as per the attached Appendix E).

The summer co-pay due for insurance shall be taken out of the last two pay checks of the school year.

#### Health Insurance After Retirement

The Board agrees that upon retirement on or after age 55 or for disability at any age, any employee who has served ten (10) or more years in the Conway School District shall receive four (4) percent of the cost of membership for a health insurance plan currently provided for active members, for each year of service with the Conway School District to a maximum of what the current active employee receives. The value of this benefit may be applied to any of the Harvard Pilgrim plans of other types of coverage (2-person or family), with the retiree paying any additional cost.

Employees hired July 1, 2014 and after must have served in the Conway School District at least twenty (20) years to be eligible for the same benefits as above.

Coverage would continue until age 65, after which the Board would pay toward the Harvard Pilgrim Plan, or its equivalent, as a supplement to Medicare Part B on the same basis as the previous coverage.

Employees hired prior to January 1, 1990 will receive the old benefit of 4% of the cost of membership for a single person health insurance plan currently provided for active members or its equivalent for each year of service with the Conway School District.

This means that a person with 25 years of service in the Conway School District would receive full payment of a single person health insurance plan currently provided for active members, or its equivalent, to the age of 65, and full payment of a single membership as a supplement to Medicare Part B after age 65.

Payment for additional coverage must be received in advance of the due date of payment. Further, if the retired employee does not pay his/her portion as specified, the policy would lapse and the Conway School District would not be held responsible.

21.2 Evidence of a full physical examination shall be submitted to the Superintendent by September 1st of each year; except for verification of sick leave, which shall be conducted by a physician(s) of the District's choice and shall be paid at the District's expense.

21.3 Delta Dental Plan - The Board agrees to pay 95% of the premium cost of a single, two person, or family membership for each bargaining unit employee for the following coverage. The employee will be responsible for the remaining 5% of the premium cost.

Coverage A - 100%, no deductible

Coverage B - 95%, no deductible

Coverage C - 50%, no deductible

Only those who are regularly scheduled to work 32 or more hours per week or more will qualify for dental insurance, except those employed under the contract ending June 30, 1996. Employees who are currently employed and receive the full benefits will continue to receive the full benefit provided they work at least 30 hours per week.

Maximum Contract Year Benefit - The maximum amount which your plan will pay is \$1,000 per person per Contract Year.

21.4 Section 125 - The School District shall establish, as provided by Internal Revenue Service regulations, a Section 125 account for premiums only.

21.5 In the event that an employee elects not to participate in the medical insurance program in Section 1 of this article, the School District shall provide an insurance waiver payment of 50% of the Board's share of a single premium for an HMO plan to any employee who certifies health insurance coverage through a spouse or other legitimate source outside of the school district, and thus waives coverage by the Board. For married couples working for the Board, one member would be eligible for this waiver. Those employees accepting an insurance waiver during their final year prior to retirement are not eligible for health insurance coverage through the School Board upon retirement, if required by the insurer. Such waiver payment will be included in the regular payroll.

21.6 AFSCME has no objection to the district entering into an agreement with unit members stating the following. Any individual who signs a contract to return for the next year and resigns prior to September 15 will be required to reimburse the district for the full amount of the health and dental benefits paid by the district for the months of July and August for the unit member's health and dental insurance.

21.7 In the event that, as of January 1, 2017, or any date thereafter, the health insurance plan under this agreement is projected to trigger the so-called "Cadillac Tax," the parties agree to exchange proposals limited only to identifying a health insurance plan that complies with the Affordable Care Act and that does not result in the imposition of the so-called "Cadillac Tax" no later than February 15<sup>th</sup> of the affected year. The parties acknowledge that coverage and benefits available under the plans they propose may modify and/or reduce coverage and benefits currently available. If the parties are not able to agree on one of these two proposed plans, the plans will be submitted to binding arbitration no later than March 15 of the affected year with a mutually acceptable arbitrator. In the event the parties cannot agree on an arbitrator, the NH PELRB will select an arbitrator. After hearing from both parties, the arbitrator will choose one of the two proposed plans by June 15<sup>th</sup> of the affected year and that plan will be implemented on July 1 of the affected year. The District agrees to continue to contribute the same percentage rate of the yearly premium cost for the single, 2-person or family plans.

**ARTICLE 22**  
**EDUCATIONAL INCENTIVE REIMBURSEMENT**

22.1 The School Board agrees to reimburse employees the reasonable cost incurred for education conferences or courses required or approved by the Superintendent of Schools. Applications for such activities and estimated expenses must be submitted in advance to the Superintendent of Schools to be used in part for his/her action concerning approval or disapproval. Wages and travel expenses for required educational conferences or courses will be included. The courses must be successfully completed. The decision of the Superintendent of Schools is final and not grievable. Any member may apply for up to no more than four (4) credits per year. The amount reimbursed shall be limited to no more than the cost of the UNH cost per credit.

**ARTICLE 23**  
**BEREAVEMENT LEAVE**

23.1 Bereavement leave of up to five (5) working days per occurrence with pay between the date of death and the date of the funeral, inclusive, shall be granted an employee in the event of a death in the immediate family. The definition of the immediate family for the purpose of this policy shall be as follows: the immediate family includes father, mother, wife, husband, children, brothers, sisters, grandparents, and grandchildren. Bereavement leave of up to three (3) working days per occurrence with pay between the date of death and the date of the funeral, inclusive, shall be granted an employee in the event of a death of the following relations; mother and father-in-law, sister and brother-in-law, aunt, uncle, daughter and son-in-law, and relative or ward residing in the same household.

**ARTICLE 24**  
**SICK LEAVE**

24.1 Sick leave with full pay will be granted to all eligible employees at the rate of one and one-quarter (1 1/4) work days for each one (1) month of service. Credit for each additional accumulated sick leave day will be awarded on the first day of each month. Earned sick leave is computed on a continuous basis and may be accumulated to a maximum of 130 days. The employee shall notify his/her supervisor of his/her inability to work four (4) hours prior to the time set for his/her regularly scheduled working hours. A medical certificate may be required at any time from an employee requesting compensation for sick leave. If a medical certificate is required by the employer during the first five (5) days of absence, it will be done at the District's expense. However, if the administration has reason to believe that the use of sick leave has not been for a bonafide illness, the employee's supervisor will investigate the alleged abuse. The School Administrative Unit office will maintain a record of all credits and debits to the sick leave account of each employee. These sick leave accounts are available for inspection by the employee. Sick leave can be used for immediate family (spouse and child) up to ten days annually. For leave purposes, one day of leave is equal to the number of hours an employee normally works per day.

24.2 Sick Leave Cash Out - After 10 years of continuous service in the District, an employee may cash out all accumulated sick leave over 30 days on an annual basis. Cash out to be with the following formula - Accumulated Sick Days (ASD) ) 3 X hours worked per day X Current Hourly Rate (CHR). For those employees beginning the cash out with more than 60 days accumulated, a maximum of 30 days may be cashed out annually. After 20 years of continuous service in the District, an employee may cash out all accumulated sick leave over 30 days on an annual basis. Cash out to be with the following formula - Accumulated Sick Days ) 2 X Current Hourly Rate (CHR). For those employees beginning the cash out with more than 60 days accumulated, a maximum of 30 days may be cashed out annually.

The District shall pay the qualified sick leave cash out benefit by the first pay period in November in a separate check

After 20 continuous years of service in the district, and upon retirement, all accumulated sick days may be cashed out with the following formula -  $ASD \div 2 \times \text{hours worked per day} \times CHR$ .

The District will make reasonable efforts to pay qualified retirees their cash out benefits by the second pay period following the date of retirement.

## **ARTICLE 25** **PERSONAL BUSINESS LEAVE**

25.1 Personal business leave shall be available to all bargaining unit employees on a prorated basis. Personal leave shall be granted for hardships or other pressing needs and will be granted in situations which require absence during school hours for the purpose of transacting or attending to personal or legal business, or family matters. Personal leave shall not be cumulative. Except in extenuating circumstances, employees shall give notice of personal leave 48 hours in advance. Personal leave requests immediately before or after a holiday (vacation breaks, summer vacation, long weekend, state and federal required school closing), or after May 31, shall be considered only under extenuating circumstances and shall require the approval of the Superintendent on an individual basis. Appropriate documentation may be required. Personal business leave will be granted for not more than three (3) days per year, and may be taken in increments of not less than one hour, subject to the following guidelines.

- A. The situation must be suddenly precipitated, or must be of such a nature that preplanning is not possible, or such that preplanning could not have eliminated the need for leave.
- B. The situation must be one which is serious and unavoidable and of major importance, not one of mere convenience.
- C. The employee must complete a leave report and submit it for approval to his/her immediate supervisor.

## **ARTICLE 26** **LONGEVITY**

26.1 Effective July 1, 2016, employees who currently receive longevity will continue to receive longevity payments frozen at the 2015-16 rate. Employees who did not receive longevity during the 2015-16 school year and new employees will not receive longevity.

26.2 Longevity bonuses shall be paid to employees the first pay period in December in a separate check.

## **ARTICLE 27** **WAGE RATES** **Effective July 1, 2016**

27.1 For the 2016-17 school year, the appropriate performance pay will be awarded as follows:

Commendable, 3%; Proficient, 2.5%; Basic, 1.5%; Unsatisfactory, 0% as rated on the Conway School District Support Staff Evaluation Form (see Appendix D). The average of the November and May evaluations shall be used to determine the performance pay rate.

For the 2017-18 school year, the appropriate performance pay will be awarded as follows:

Commendable, 3%; Proficient, 2.5%; Basic, 1.5%; Unsatisfactory, 0% as rated on the Conway School District Support Staff Evaluation Form (see Appendix D). The average of the November and May evaluations shall be used to determine the performance pay rate.

In the event a new collective bargaining agreement is not in place by June 30, 2018 the parties agree that any increases over the 2017-18 levels will only occur through further negotiations. Should negotiations fail, the status quo salary levels for the 2018-19 contract year shall be held at the 2017-18 levels.

27.2 The classification of positions and wage rates shall be in accordance with the Position Classification and Compensation Plan of the Conway School District which is hereby made a part of this Article (Appendix A).

27.3 It is expressly understood that should any provisions of this Agreement be in conflict with the Position Classification and Compensation Plan, the provisions of this Agreement shall prevail.

27.4 Should the District change the current job descriptions for employees covered by this Agreement, the Union retains the right to impact bargaining should such changes require bargaining.

## **ARTICLE 28**

### **STABILITY OF AGREEMENT**

28.1 Should any article, section, or portion thereof of this Agreement be in violation of a State or Federal Law or be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specific article, section, or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated article, section, or portion thereof.

## **ARTICLE 29**

### **PERFORMANCE EVALUATIONS**

29.1 The Superintendent will provide the Union with a copy of the current evaluation form in a timely manner. The Superintendent of Schools, or his/her designee, shall have the right to annually evaluate the job performance of each bargaining unit member covered by this Agreement. Evaluations will be completed on a semi-annual basis in November and May of each school year. All evaluations shall be written and according to such form as the Superintendent shall determine. No evaluation, whether favorable or unfavorable, shall constitute a reprimand; but evaluations may take note of and make reference to reprimands. Each evaluation shall clearly state the source of the information upon which the evaluation is based. Each evaluation shall be provided to the employee within ten (10) calendar days after the date of the Superintendent's, or his/her designee's, signature on the evaluation. Any employee may, within twenty (20) days after receipt of an evaluation, provide the Superintendent or his/her designee with a written response to the evaluation. Within his/her discretion, the Superintendent or designee may evaluate an employee more than once annually. No evaluation shall be grievable; however, the employee may appeal an evaluation after meeting with the evaluator to the next immediate supervisor within five (5) days for another objective review.

29.2 Employees in the same job category shall be evaluated by the same supervisor with the principal's input.

29.3 For the purposes of performance pay, an average of the two (2) semi-annual evaluation scores from the applicable year shall be used. In the event an employee is hired after November 1<sup>st</sup> of any year, only the following May evaluation shall be used.

29.4 A union/management committee of 4 union members and equal representation from management will be established to review and/or redevelop the present evaluation instrument when it is determined by either Management or the Union that the need to do so exists.

### **ARTICLE 30** **PRIVATIZATION**

Should the District decide to explore privatization of any services provided by union employees, the District will confer with the Union, and will permit the Union to submit a proposal or bid for those services.

### **ARTICLE 31** **TERMINATION**

31.1 This Agreement shall become effective as of July 1, 2016, and shall continue in effect until June 30, 2018, subject to the Union's right to negotiate a successor Agreement. This Agreement shall not be extended orally, and it is expressly understood that it shall expire on the date indicated. Any extensions shall be mutually agreed upon in writing by the parties to the Agreement, and unless such extensions are agreed upon, this contract shall expire on the date indicated herein.

### **ARTICLE 32** **RESIGNATIONS**

Any employee wishing to resign shall give 14 days written notice to the Chairperson of the School Board and the Superintendent.

IN WITNESS WHEREOF, the parties hereto have caused these present to be signed by their duly authorized officers and representatives of either, this 23<sup>rd</sup> day of May, 2016.

Add \$.50 per hour across the board for all food service employees in the first year (2016-17) only.

For new employees, the beginning salary will be as listed, but may be adjusted by the Superintendent for direct or related experience so long as the rate does not exceed the rate paid to current employees with the same or similar experience. Management will inform the Union if any employee is hired at a rate greater than the "starting salary/no experience" level.

An addendum is agreed to for three food service employees who work split positions under the agreement that expired June 30, 1996 (see attached addendum).

The individual currently serving as ala carte cashier will retain that title until she terminates employment with the district or voluntarily changes to another position, at which time the position title is eliminated.

Any change that affects current staff members will not reduce their salary. Salary will remain at the higher level until performance and/or other salary increases move them beyond that level.

In order to receive a performance pay increase, an individual must be hired by approved election of the School Board before January 1 of the year in which performance pay is to be applied.

Activity Bus Trips – 1.0 x regular hourly rate

**APPENDIX B**  
**POSITION CLASSIFICATION AND COMPENSATION PLAN**

Unit members who are regularly scheduled to work a consecutive eight-hour shift that begins after 2:00 p.m. or who work a shift of at least six hours and ends after 6:00 p.m. shall be paid twenty cents (\$0.20) per hour over and above his/her hourly rate. All custodians required to work the second shift shall receive an additional twenty-five cents (\$0.25) per hour over and above their current hourly rate. Custodians required and assigned to act as head custodian in any school shall receive an additional sixty cents (\$0.60) per hour over and above the custodial rate.

For each route that is established, the amount of driving time and the amount of waiting time will be calculated by the Director of Administrative Services. This calculated time will be a set time for that route for the duration of the school year, with the exceptions of inclement weather, heavy traffic, or for any unforeseen circumstances. The time will be used to determine the route rate that will be paid and will depend upon the driver's wage classification.

Regular bus drivers will be assigned all trips that do not interfere with their regular routes. Regular bus drivers may also be assigned to trips instead of their regular routes if the assignment results in a cost savings to the district and a reasonable replacement for the regular route can be obtained. Assignments will be made by seniority on a rotating basis. Any special trips that would interfere with regular routes will be offered at the discretion of the Conway School District. Regular transportation of students home at the end of each day following Project SUCCEED should be assigned to regular employees as part of their regular route.

Any driver who takes an activity trip that occurs during the regular route time will be paid at the activity rate for all time over and above the regular route time.

No employee may volunteer to do a "free trip" more than once a year, and this would be only for trips that are of an unusual nature, not done on a regular basis year-to-year.

**APPENDIX C**

## APPENDIX E

### THE DEDUCTIBLE POOL

If necessary, you will incur deductibles on high-ticket items such as MRI's, CAT scans, in-patient and day surgery hospital bills.

#### Single Subscriber:

You'll receive a pre-loaded \$500 debit MasterCard. This card can be used for *any* FSA eligible expense, including deductibles.

As an example, if you incur a deductible in July, August or September then you've met your deductible for the 2012 calendar year.

If you don't have any deductibles for July-September but have one in October, November or December, just give them your debit card and your deductible will have been met for all of 2012 AND all of 2013.

If you have a deductible expense, but have already used the card for some other FSA eligible expenses, you will be responsible for the balance of the deductible.

**WHERE THE POOL COMES IN:** If you have deductible expense in July-September then you've met your deductible for 2012 (and expended your entire MasterCard debit card). If you have *another* deductible expense after January 1, 2013 then you would normally have to pay that expense out of pocket.

**IF** you already used your \$500 debit card on a 2012 deductible, then incur another deductible in 2013, that second deductible would be submitted to the POOL for payment (you would have to pay the invoice, and get reimbursed). Your 2013 deductible would be reimbursed after August 1, 2013 on a prorated basis depending on how many other claims have been submitted. Regardless, by paying any deductible after January 1, 2013, you have met your deductible for the entire 2013 calendar year, but will still be given *another* \$500 debit card on July 1, 2013.

It's important to note the POOL is only there to cover any potential "double deductibles." If someone chooses to use their card for other FSA eligible expenses then those expenses would not be eligible for the POOL.

## 2-Person Subscriber:

You'll receive a pre-loaded \$1,000 debit MasterCard. This card can be used for *any* FSA eligible expense, including deductibles.

As an example, any *individual* that incurs a deductible in July, August or September then *that person* has met their deductible for the 2012 calendar year.

If neither of you has a deductible met for July-September but one of you meets it in October, November or December, then *that person* just gives the provider your debit card and *that person's* deductible will have been met for all of 2012 AND all of 2013. The same would hold true if the second person has a deductible during the same period.

If you have already used the card for some other FSA eligible expenses, you will only have that balance available on your card to cover *both* potential deductibles.

If person A has deductible expense in July-September then that person has met their deductible for 2012. If that same person has *another* deductible expense after January 1, 2013 then you could use the balance of the debit card to cover the "double deductible" (\$500 deductible in 2012 & \$500 deductible in 2013 = \$1,000 from the debit card)

### WHERE THE POOL COMES IN:

Person A has deductible expense in July-September then that person has met their deductible for 2012. If person B has a deductible expense in July-September then person B has also met their deductible for 2012 (for a total cost of \$1,000).

If either A &/or B has *another* deductible expense after January 1, 2013 then that second deductible would be submitted to the POOL for payment (you would have to pay the invoice, and get reimbursed). Your 2013 deductible would be reimbursed after August 1, 2013 on a prorated basis depending on how many other claims have been submitted. Regardless, by paying any deductible after January 1, 2013, that person has met their deductible for the entire 2013 calendar year, but you will still be given *another* \$1,000 debit card on July 1, 2013.

It's important to note the POOL is only there to cover any potential "double deductibles." If someone chooses to use their card for other FSA eligible expenses then those expenses would not be eligible for the POOL.

Family Subscriber:

You'll receive a pre-loaded \$1,500 debit MasterCard. This card can be used for *any* FSA eligible expense, including deductibles.

SCENARIO #1 (Individual deductibles)

As an example, any *individual* that incurs a deductible in July, August or September then *that person* has met their deductible for the 2012 calendar year.

If nobody has a deductible met for July-September but someone meets it in October, November or December, then *that person* just gives the provider your debit card and *that person's* deductible will have been met for all of 2012 AND all of 2013. The same would hold true for up to 3 people in your family who might use a deductible during that same period (\$500 deductible x 3 people = \$1,500 available on the card).

If you have already used the card for some other FSA eligible expenses, you will only have that balance available on your card to cover *any* potential deductibles.

SCENARIO #2 (One person "double deductible"-balance available)

If person A has deductible expense in July-September then that person has met their deductible for 2012. If that same person has *another* deductible expense after January 1, 2013 then you could use the balance of the debit card to cover the "double deductible" (\$500 deductible in 2012 & \$500 deductible in 2013 = \$1,000 from the debit card). That would leave the balance on the card (\$500) for any other FSA use including up to one other deductible expense, prescriptions, dental needs, etc.

WHERE THE POOL COMES IN:

In Scenario #1 above, if more than three individual deductibles are met.

In Scenario #2 above if one person has a double deductible, and more than one other person has an individual deductible met.

In either case, any deductibles beyond the three paid, would be reimbursed after August 1, 2013 on a prorated basis depending on how many other claims have been submitted. Regardless, you will still be given *another* \$1,500 debit card on July 1, 2013.

It's important to note the POOL is only there to cover any potential deductibles beyond the three. If someone chooses to use their card for other FSA eligible expenses then those expenses would not be eligible for the POOL.

## APPENDIX F

### Reduction of Force (AFSCME)

1. Review current staff. The review process will look at each school and will include the date of hire, hourly rate, position number and job assignment.
2. The list will be sent to the Principals for their review and input.
3. According to Article 19 in the AFSCME contract, the District reserves and shall have the right to decide who shall be laid off or reduced, primarily on the basis of ability and performance of duty. Performance will be considered by categories (commendable, proficient, etc on the average of the last three year evaluations). Within that category, lay off shall be governed by seniority.
4. If seniority is the determiner, the person with the least seniority in the District will be laid off first.
5. Laid-off employees will be rehired in the reverse order of layoff. All employees who have been laid off will be kept on a recall list for a maximum of one (1) year. Refusal to accept a position resulting from a layoff or recall from layoff shall result in loss of seniority. Laid-off employees who opt to continue health insurance for the months of July and August will pay full premiums. If rehired for the next school year, they shall have the district's share reimbursed to them providing the employee work the full school year. Reimbursement will be paid in the last check in June. Any employee rehired for the next school year shall not be required to undergo a waiting period for insurance whether or not they have continued insurance coverage on their own.
6. Laid-off employees will be rehired on the basis of performance level and seniority within the specific AFSCME positions.
