

**Memorandum of Agreement**

**between**

**Local #1801 American Federation of State, County and Municipal Employees  
AFL-CIO  
Administrative Support Staff**

**and**

**Town of Derry, New Hampshire**

Whereas the Town of Derry Public Works, Code Enforcement Department, wishes to upgrade the position of part-time Building Inspector to full time status; and

Whereas the Building Inspector's responsibilities and skill requirements closely align with that of the Assistant Building Inspector previously represented by AFSCME Administrative Support Staff; and

Whereas Grade H historically held only the position of Assistant Building Inspector, a position eliminated by the Town Council in FY11; and

Whereas the salary range below is adequate to attract and retain qualified candidates, and the Town Council has appropriated funding commensurate with this recommendation;

now

Therefore the Town and Union agree to:

- 1.) Amend the prior position title to Building Inspector; and
- 2.) Assign the non-exempt position to Grade H with the following Wage Scale effective June 11, 2014.
