Appendix C

Personal Sickness and Accident Disability provision from the July 1, 2014 – June 30, 2017 Collective Bargaining Agreement:

A regular full-time employee or regular part-time employee on pro-rata basis will be eligible for Personal Sickness and Accident Disability benefits beginning with the sixth regular scheduled workday of absence upon presentation of a physician's certificate based on the following schedule:

6 months but less than 2 years:	6 wks. full pay
2 years but less than 5 years:	12 wks. full pay
5 years but less than 10 years:	20 wks. full pay
10 years but less than 15 years:	36 wks. full pay
15 years but less than 20 years:	48 wks. full pay
20 years +:	52 wks. full pay

Short term disability payments are calculated using the net of Workers' Compensation benefits provided by an outside employer.

An employee having grandfathered sick leave under the provisions of ARTICLE XVI, Section 2(f), Personal Sickness or Injury Leave, may utilize such accruals to supplement the provisions of ARTICLE XVI, Section 3, in the event the term of a disability exceeds the employee's eligibility schedule provided in this section. Maintaining eligibility for the term of the absence will require ongoing evidence that the employee is under the ongoing care of a physician and following an approved, recommended treatment program. Reinstatement from a disability absence will require a physician's certificate verifying the employee's fitness for work.

Second and Third Medical Opinions. The City may, at its expense and discretion and as such a condition for continued coverage or reinstatement, schedule an employee absent under this Article to see a second physician of the City's choosing if it has reason for concern relative to either the employee's treatment program or expected recovery period. In the event that there is a difference of opinion between the Employees treating physician and the City's second opinion physician, the City may, at its expense and discretion and as a condition for continued coverage or reinstatement, schedule the employee for a third medical opinion with a physician mutually agreed upon by the treating and second opinion physicians to resolve any discrepancy between treating and second opinion physicians. The City will rely on the above process in determining the eligibility for continued coverage or

reinstatement. An employee who refuses to provide evidence of ongoing treatment, and/or refuses to submit to second and third medical opinion diagnosis and/or to modify the treatment program as determined appropriate through second/third medical opinion process shall not be eligible to continued benefits under the Article and may be subject to disciplinary action. If, after receiving benefits for a medically certified disability absence, an employee returns to work for less than two weeks and becomes disabled again for the same or another disability, benefits will resume on the first day of absence. If an employee returns to work for two, but less than twelve weeks, benefits will not start again until the sixth regularly scheduled workday. In either case, the duration of benefits paid during the previous absence is counted in determining the amount and duration of benefits regardless of whether the absences are due to the same or a different cause.

Partial Disability. In the event an employee is determined fit to return to work on a part-time basis, benefits for the difference between the part-time and full-time hours will be paid in accordance with the schedule provided for above. In no case shall the application of full and/or partial benefits extend beyond the benefit schedule provided in Article XVI, Section 3.
