When restored to a job, the member shall be entitled to have returned to them the balance of their Sick and/or Personal Leave that was on the books at the time they went out on LTD. Upon reinstatement, members that were eligible for the retiree health insurance benefit shall continue to be eligible for the benefit. All new employees hired after July 1, 1999 shall not be eligible for this benefit but will have the option of participating in an employer sponsored 457 program allowing for a 50% matching City contribution capped at \$1,500/year per employee. Effective July 1, 2022 the City contribution shall increase and be capped at \$1,800/year per employee. Current employees eligible for the paid retiree health insurance coverage will be provided the option to forgo such future paid health coverage by electing to enroll in the employer sponsored 457 savings program and also receiving the 50% matching City contribution capped at \$1,500/year per employee. Effective July 1, 2022 the City contribution shall increase and be capped at \$1,800/year per employee. City contributions shall be paid weekly.

6.1 For those employees retaining the paid health insurance coverage for retirees benefit, the City shall pay the monthly health insurance premium up to an amount equal to that paid for active members of the bargaining unit for a retiree with twenty years continuous employment with the City. This retiree health benefit shall be available to the retiree for the remainder of his/her natural life and shall be limited to the group health insurance benefit plan available to active

members of the bargaining unit. In the event no group health insurance is available to the active members of the bargaining unit, the City's sole obligation is to tender to the retired employee an amount equal to the premium paid by the City for such retired employee when coverage was available.

Surplus eligibility is determined by employee participation in the health and/or dental plan for the surplus plan year and for employees having a premium cost share through payroll deductions. Employees opting for the health and/or dental buyout during the surplus plan year or employees not having a cost share of the premium, are not eligible for a portion of the surplus rebate. Surplus rebates are provided to active employees through the City's payroll system and to retirees through Accounts Payable.

If a surplus has been identified, a list of potentially eligible employees is provided to Human Resources with a surplus dollar amount for each.

Health Insurance rebates are determined as follows:

Percent of employee contribution (if any) x the total surplus amount for member

(Example: Access Blue 5% Employee Contribution x \$1,100 [surplus amount] = \$55 rebate to employee/retiree).

Dental Insurance rebates are determined as follows:

Amount of Employee Annual Contribution (if any) / Total Annual Cost of Premium = Percent

Percent x the total surplus amount for member

(Example: \$176 / \$570 = .308 x \$100 = \$30.80 rebate to employee/retiree).

- Section 10 Tools Lease to Purchase Program: Regular full-time Heavy Equipment Mechanics in a non-probationary status shall be allowed to participate in a lease to purchase program for tools of their trade. This program will allow a \$3,000 rolling annual limit per employee classified as a Heavy Equipment Mechanic. Special requests to exceed the maximum will be considered on a case by case basis. Eligible employees may lease such tools from the City and acquire ownership of the tools at the termination of the lease.

Eligible employees will be responsible for the total lease amount and will make subsequent lease payments through payroll deductions each regular pay period, beginning with the first pay period in July. The number of payments may not exceed one (1) fiscal year. Employees may arrange to make additional payments to reduce the amount of the payments or the number of payments to complete the lease.

Should employment terminate with the City of Dover prior to the completion of the lease period, the employee agrees to pay the balance of the lease payments either through deductions from the final paycheck or through an additional payment if the final paycheck is insufficient to pay the balance.

In order to participate in the program, the employee must complete a "Request to Participate" form. The Fleet Services Supervisor will review the information and notify the employee of approval. Upon approval, the employee must complete the lease purchase agreement and may then purchase the tools and submit detailed

receipts for reimbursement. No reimbursement will be made for tools purchased prior to approval by the Fleet Services Supervisor.

Section 11 Heavy Equipment Mechanics, in a non-probationary status, shall be reimbursed up to \$300.00 annually for the purchase of the replacement of non-functioning or damaged tools with the approval of the fleet services supervisor. Such approval shall not be unreasonably denied.

However, the above sequence need not be followed if an infraction is sufficiently severe to merit immediate suspension or discharge.

Section 4 No employee shall be penalized, disciplined, suspended or discharged without just cause.

Section 5 The personnel record of an employee will be cleared of written reprimands after a period of one (1) year from the date of the reprimand provided there are no similar infractions committed during the intervening period.

The remainder of the course reimbursement, not to exceed \$325, will be paid to the employee upon presentation of a certificate of satisfactory completion of the course.

Section 5 Not more than \$650 will be paid to any employee in any calendar year for course reimbursement. Additional continuing education reimbursement shall be made available to those employees who complete an application process to establish a line of course work or degree program. Such process shall be subject to individual approval by the City. Employees shall be reimbursed up to \$400 per credit hour. Each member eligible for reimbursement shall not exceed \$1,000 per fiscal year and is subject to fund availability and Department Head approval. Members shall receive one-half of the reimbursement up front and one-half of the reimbursement upon completion of the course showing proof of a grade of "C" or better. In the case of a "Pass/Fail" grading system, proof of a "Pass" grade.

Section 6 Approval for courses will be considered on the basis of relevancy of the course, number of employees applying and funds available.

Section 7 If a course is paid for in whole or part through a Federal or State program, then the City will not reimburse for such amount, it being the intent of this section to eliminate double payment for a course.
