ARTICLE III

GRIEVANCE PROCEDURE

A. GRIEVANCE

A “grievance” shall mean a complaint by a teacher or a group of teachers that there has been an alleged violation of a term or provision of this Agreement. Provided the notice required by RSA 189:14-a is given, the non-renewal of a teacher’s contract is not grievable under this Agreement; however, the teacher may pursue all rights afforded by RSA 189:14-a and 189:14-b. A grievance must be initiated within twenty (20) school days after the grievant knew or should have known of its occurrence. Grievances related to events during the school year shall be initiated no later than ten (10) calendar days after the last day of student attendance

B. GRIEVANCE PROCEDURE

1. Level One (Informal)

A grievant will first discuss the grievance with the building principal or immediate superior, either directly or through the Union’s Representative, with the objective of resolving the matter informally. Failure to reach a mutually satisfactory resolution may be cause for the teacher to refer the grievance to Level Two.

2. Level Two—Principal (Formal Written)

A grievant wishing to process a grievance at Level Two will do so in writing to the Principal or immediate supervisor within eight (8) school days from the conclusion of the discussion at Level One. The grievance shall be specific in nature and shall state the remedy requested. The Principal or immediate supervisor shall establish a formal conference on the matter, and whenever a grievance is filed by a teacher without the Union’s Representative, the Principal or immediate supervisor shall notify the Union and shall give the Union the opportunity to be present and to state the views of the Union. The aggrieved teacher and the Union shall be given at least two (2) school days notice of said conference. The Principal or immediate supervisor shall respond in writing eight (8) school days from the date the formal grievance is filed. The Principal’s decision shall be presented in writing to both the teacher and the Union.

3. Level Three—Superintendent

If the grievant is not satisfied with the Principal’s decision rendered at Level Two, the grievant may, within eight (8) school days of receipt of that decision, appeal that decision to the Superintendent of Schools. The grievance must be submitted in writing stating the specific nature of the grievance and remedy requested and shall include a copy of the Level Two decision. The Superintendent may schedule a meeting at a mutually convenient time to discuss the grievance with the teacher and the Union. Both parties reserve the right to include consultants in any such meeting. The Superintendent shall respond in writing together with supporting reasons to the teacher, Union, and Principal within

ten (10) school days from the date the grievance is filed at Level Three. This period may be expanded to twenty (20) school days if the Superintendent is unable to address the matter because of previous commitments.

4. Level Four—School Board

If a grievance remains unsettled after having been processed through Level Three, the grievant may, within eight (8) school days from the date the decision is rendered at the previous level, submit the grievance to the School Board, in which case, the grievance is to be submitted in writing and shall specify the nature of the complaint and the remedy requested. Copies of the previous decisions are to be included with the grievance. Within eight (8) school days from the date the grievance is filed at Level Four, the School Board will establish a mutually convenient date and time for a meeting to discuss the matter. Both parties reserve the right to include consultants in any such meeting. The School Board shall render its decision in writing together with supporting reasons to the teacher, Union, Principal, and Superintendent's office within twenty (20) school days from the date the grievance is received.

C. ARBITRATION

1. Any grievance which remains unsettled after having been fully processed pursuant to the provisions of the grievance procedure as stated herein may be submitted to arbitration by the Union by filing with the School Board and the American Arbitration Association a request for arbitration within twenty (20) school days after the final decision of the School Board has been given to the Union.
2. A request for arbitration shall state in reasonable detail the specific nature of the dispute and the remedy requested. The dispute as stated in the request for arbitration shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties mutually agree to modify the scope of the hearing. Only one request shall be scheduled for the same arbitration hearing except by mutual agreement of the parties.
3. In the conduct of an arbitration hearing, the applicable provisions of the Voluntary Labor Arbitration Rules of the American Arbitration Association shall apply.
4. The arbitrator shall issue a decision no later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The decision shall be in writing and shall set forth the arbitrator's opinion and conclusion on the issue submitted. The decision of the arbitrator shall be final and binding except that any decision of the arbitrator which requires the School Board to expend more than one thousand dollars (\$1,000) shall be advisory to the School Board which shall, in such cases, make a final decision within twenty (20) school days after receiving the arbitrator's decision.
5. Both parties agree the arbitrator shall be prohibited from modifying or adding to this Agreement.

6. Each party will bear the total cost incurred by themselves. The cost of the arbitrator shall be shared equally by the parties to the dispute.

D. ADDITIONAL PROVISIONS

1. The grievant may be accompanied by a local Union representative at conferences held at either Level One or Level Two.
2. The grievant may be accompanied by a local Union representative or a state or national Union representative at Level Three and Level Four.
3. Any complaint which is filed with any agency or court may not also be filed as a grievance under the Agreement.
4. The Union President may on behalf of the Union file grievances affecting the contractual rights of the Union. The Union may not grieve on behalf of an employee when said employee opts not to grieve.
5. The time limits in this article may be reduced or extended by mutual agreement of the parties at each and any level.
6. Failure to refer a grievance to the next level within the specified time shall be considered an acceptance of the decision rendered.
7. Failure at any level of the grievance procedure to render a decision within the specified time limits shall permit the grievant to proceed to the next level.
8. The School Board and the Union shall guarantee the individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal with respect to his/her personal grievances.
9. All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

ARTICLE IV

WORKING CONDITIONS

A. IN-SCHOOL WORK YEAR

1. The work year for teachers (other than personnel who may be required to attend additional orientation sessions and those teachers whose individually negotiated teacher contracts so state) will begin on the Monday preceding Labor Day. 2. The work year for teachers shall consist of one hundred eighty (180) student days plus a maximum of four (4) days for the purpose of orientation, conference day, and/or any other day on which teacher attendance is required. The District shall allow teachers in grades K-6 to spend

one full non-student day performing parent conferences and shall schedule no other mandatory activities on that day.

4. Teacher attendance shall not be required whenever student attendance is not required due to inclement weather, except as is otherwise provided by this Agreement.

B. SCHOOL DAY

1. The existing instructional workday for teachers shall not be increased without prior notification and consultation with the Union.
2. Teachers may be required to be present in the school building for a maximum of twenty-five (25) to be divided by the Principal before and after the instructional work day, but in no case shall a teacher be required to arrive more than twenty (20) minutes before the instructional work day or required to stay more than twenty (20) minutes after the instructional work day. All assigned duties will be performed within the time periods described in the preceding sentence except when the Principal declares inclement weather duty which may extend beyond the regular before- and after-school duty periods. Except when on duty teachers may leave the building five (5)* minutes after the instructional work day on Fridays and the day preceding a holiday or vacations.

*Time may be reduced at the discretion of the Superintendent.

3. Teacher on-site time shall not exceed seven (7) hours and fifteen (15) minutes per school day.

C. EVALUATION OF STUDENTS

Teachers shall be prepared to substantiate the method and work used in determining grades that are understandable to most parents. First grade teachers shall establish an appropriate student evaluation process approved by the elementary principals, and specialty area teachers shall establish an appropriate student evaluation in consultation with the curriculum advisor and approved by the building principal. No grade shall be changed without good cause and without consultation with the teacher.

D. LUNCH PERIOD

Teachers shall be provided a thirty- (30) minute, duty-free, lunch period except during periods of inclement weather.

E. PREPARATION PERIODS

1. The School Board will not change existing preparation period allowances and practices in the Middle School and Senior High unless such changes result from changes in the overall school schedule. However all teachers who currently have preparation time in their schedules will have at least one (1) preparation period equal to one (1) class period (or an equivalent arrangement) under any new school schedule.
2. Elementary teachers may be excused from their classrooms during such time as classes are receiving instruction in art, music, or physical education. If the art, music, or physical education teacher is absent, the School Board will provide a substitute. There will be a daily forty (40) minute preparation period at the elementary level.
3. The District and the Union shall form a committee to study the feasibility of extending elementary preparation periods to fifty (50) minutes daily, to recommend implementation steps, and to estimate the cost. This committee shall complete its work by the end of the 2007-08 school year.

F. MEETINGS

1. Teachers may be required to remain after the end of the regular workday, without additional compensation, no more than two (2) days per month, except up to three (3), inclusive, in September, to a maximum of twelve (12) days per year for the purpose of attending faculty or other professional meetings involving total staff. Such meetings shall run for no more than sixty (60) minutes.
2. Meetings other than emergency which take place after the regular in-school work day and which require attendance shall not be called on Fridays or any day immediately preceding any holiday or vacation period.
3. The written notice of any meeting shall be given to the teachers involved at least twenty-four (24) hours prior to any meeting, except in an emergency. The Principal shall set the agenda for said faculty meetings. However, teachers shall have the opportunity to suggest items for said agenda.
4. Teachers may be required to attend no more than two (2) evening assignments or meetings each school year without additional compensation.

G. PARENT CONFERENCES

Parent conferences shall be conducted by prior arrangement and mutual agreement between the parent and the teacher. Both parties recognize the possible need for teachers to be available outside of regular school hours for such conferences.

H. LEAVING THE BUILDING

1 a. During their duty-free lunch, teachers may leave the building by signing out noting the time that they shall return.

1 b. During their preparation periods, teachers may leave the building only for educational purposes or with the permission of the building principal. The teacher shall sign out and note the time that the teacher shall return.

2. Absence from duty (except in cases of emergency) shall result in proportional loss of pay.

I. SCHOOL CALENDAR

The school calendar shall be established by the School Board and made available to the Union and the general public eight (8) months in advance of the school year affected. No changes in the school calendar shall be made without agreement between the Union and the School Board. School shall not be in session on the Wednesday preceding Thanksgiving.

J. CERTIFICATION

- 1.** The School Board agrees to give priority in hiring teachers certified by the State Board of Education.
- 2.** In defining certification, provisional certificates shall be accepted as certification as defined in the *Certification Standards for Educational Personnel in New Hampshire*.
- 3.** Teachers shall not be required to teach outside their area of certification.

K. INSTRUCTIONAL MATERIALS

- 1.** Teachers with the appropriate requisitions may purchase materials and be reimbursed for said materials provided said materials are consistent with the instructional program.
- 2.** Teachers shall have access to available duplicators, computers, audio and video equipment, and other such materials for their use in preparing and using instructional materials for their classroom.
- 3.** Every attempt will be made to see that photocopiers will be available for either teacher use, or materials will be copied for teachers, within a reasonable period of time.

L. TEACHER FILES

- 1.** A teacher shall have the right, upon request, to review the contents of the teacher's personnel files and to make copies of any documents contained therein. A teacher must have a witness of the teacher's choice present during such review.

2. At least once every three (3) years, a teacher shall have the right to indicate those documents and/or materials in the teacher's file which the teacher believes to be obsolete or otherwise inappropriate to retain.
3. No teacher or administrator shall cause documents to be removed from the personnel file unless said action is approved by mutual agreement.
4. Although the district agrees to protect the confidentiality of personal references, academic credentials, and other similar documents received prior to the teacher's initial employment, it shall not establish any separate personal file which is not available for the teacher's inspection.
5. Each teacher shall acknowledge that an opportunity has been given to see such material by signing the filed copy, with the express understanding that such signature in no way indicates agreement with the contents thereof. The teacher shall have the right to submit a written response to such material, and the teacher's response shall be attached to the original material.
6. Material will be removed from the files and destroyed when a teacher's claim that it is inaccurate, untrue, or unproven is sustained.

M. TEACHER EVALUATION

The parties recognize the importance and value of a procedure for assisting and evaluating the progress and success of both newly employed and experienced personnel for the purpose of improving instruction. Therefore, to this end, the following procedure has been agreed to in an effort to accomplish the goals.

1. Both parties recognize the responsibility to assist new teachers. During the first three (3) weeks of school, the Dover School Board through its administration shall orient all new teachers regarding evaluative procedures and instruments and School Board policies.
2. All monitoring or observation of the performance of a teacher shall be conducted openly and with the full knowledge of the teacher.
3. When a supervisor enters the classroom of a teacher engaged in teaching, it will be assumed the teacher is being observed for purposes, which may include evaluation.
4. All evaluations will be in accordance with evaluation forms and procedures adopted by the School Board or the Superintendent prior to the start of a school year.
5. When a supervisor makes and signs a written evaluation of a teacher, a copy will be given to the teacher who will acknowledge receipt thereof in writing; a copy will be given to the evaluator; and one copy will be filed in the Superintendent's office. The teacher will be presented a copy of the evaluation no later than ten (10) school days after the observation. If the teacher disagrees with any or all parts of the evaluation, the teacher may file written comments in the teacher's personnel file.
6. Teacher conferences may be requested by either the administration or the teacher. The conference will occur within ten (10) school days after the request for conference unless mutually agreed otherwise.

7. Assistance shall be provided as soon as possible to teachers upon recognition of difficulties.
8. Beginning immediately with the conference after the classroom observation, direction shall be offered to guide the individual toward the solution to his/her particular difficulties.

N. TEACHER RIGHTS

1. The dismissal notification required by RSA 189:13 shall be in writing stating just cause. Teacher non-renewals shall be governed solely by RSA 189:14-a and 14-b. Teachers shall be notified of non-renewal no later than April 15. All other types of formal discipline and reprimands shall be in writing stating just cause.
2. The School Board agrees that whenever a teacher is required to appear before a Principal, the Superintendent, the School Board, or any Board thereof concerning a matter which could reasonably be assumed to lead to formal disciplinary action, prior written notice shall be provided of the reasons for such a meeting, and the teacher shall be entitled to have a Union representative present to advise and represent the teacher during such meeting. Any suspension of a teacher pending charges shall be with pay.
3. Any complaints regarding a teacher, which may have an effect on the teacher's evaluation or continued employment, that are made to the administration by any parent, student, or other person shall be in writing whenever possible and shall be promptly called to the teacher's attention.
4. The teacher shall have the right to answer any complaints, and the teacher's answer shall be reviewed by the administrator and attached to the filed complaint. An informal meeting shall take place if requested by the teacher and/or parent.

O. ACADEMIC FREEDOM

1. Each teacher is entitled to freedom of discussion within the classroom on all matters, which are relevant to the subject under study, and within the teacher's area of competence. Teachers shall accept responsibility for their statements.
2. The teacher shall be free of administrative censorship and/or discipline when the teacher speaks or writes as a citizen outside the school.
3. The private and personal life of a teacher outside the school is not within the appropriate control of the School Board.

P. DUTIES

All duties shall be fairly and equitably assigned on a rotating basis where practicable.
