15.2 The parties acknowledge that it is more desirable for an employee and his/her immediate supervisor to resolve problems through free and informal communication. Grievances which are not satisfactorily resolved informally shall be placed in writing and processed under this Article.

15.3 An employee covered by this Agreement shall have the right to have an Association representative upon timely request.

15.4 Except as otherwise indicated, the term "days" when used in this Article shall mean "school days" pursuant to the annual Epsom school calendar, except after the final day of the school year and prior to the beginning of the next school year when it shall mean Monday through Friday, excluding holidays. In the event that a grievance is processed during the months of July and August, a waiver of the time line in Step 1 through 4 may be permitted by mutual agreement of the parties.

15.5 A grievance must be filed within fifteen (15) days following the time when the alleged grievable event could reasonably have been known to have occurred.

STEP ONE

At Step One, the grievance must be presented to the employee's immediate supervisor. The grievance shall be filed on a grievance form which is attached hereto as Appendix B and must include the nature of the grievance including names, dates and other related facts which will provide a sound basis for a complete understanding of the grievance; the provisions(s) of the Agreement alleged to have been violated; and the specific remedy sought. Within ten (10) days of the receipt of the grievance, the supervisor, grievant and Association representative shall meet to discuss the grievance. If the grievance is not resolved at this meeting, the supervisor, within ten (10) days of the meeting, shall forward a written answer to the grievance to the grievant, with a copy to the Association.

STEP TWO

If the grievance is not resolved at Step One, within ten (10) days of receipt of the Step One answer, the grievant may present the grievance at Step Two. At this step, the grievant will present the grievance to the Superintendent. Within ten (10) days of the receipt of the grievance at this Step, the Superintendent or his/her designee shall meet with the grievant and a Association representative to discuss the grievance. If the grievance is not resolved at this meeting, the Superintendent, or his/her, designee, within ten (10) days of this meeting, shall forward a written answer to the grievance to the grievant, with a copy to the Association.

STEP THREE

If the grievance is not resolved at Step Two, within ten (10) days of receipt of the Step Two answer, the grievant may present the grievance at Step Three. At this Step, the grievant will present the grievance to the Board. Within twenty (20) days of receipt of the grievance, the Board, the Superintendent or his/her designee, the grievant and an Association representative shall meet to resolve the grievance. At their discretion, either the Board or the Association may have other parties in interest attend the hearing as well. If the grievance is not resolved at this meeting, the Board, within fourteen (14) days of the meeting, shall forward a written answer to the grievant, with a copy to the Association.

STEP FOUR

- a. Within fourteen (14) days of the receipt of the Step Three answers, the Association shall advise the Board in writing through the Superintendent if it wishes to submit the dispute to arbitration.
- b. The arbitrator shall be selected by mutual agreement between the Association and the Board. Should the parties be unable to agree upon an arbitrator within ten (10) days of the Association acting under Article XVII, Step Four, Item a, then arbitration shall be requested of the American Arbitration Association by the Association. The arbitrator shall then be selected in accordance with the rules of the American Arbitration Association.
- c. The scope of the arbitrator's authority shall be limited to interpretation and application of this Agreement, and related issues of substantive or procedural arbitrability. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
- d. The arbitrator shall issue a written decision in every case and shall delineate findings of fact and his/her rationale for reaching the final conclusions.
- e. The arbitrator's decision shall be advisory and nonbinding.
- f. Each party shall bear the expense of preparing and presenting its own case. The compensation and expenses of the arbitrator shall be shared equally by the parties.
- g. The parties agree that prior to the opening of the hearing, the arbitrator shall first meet with the parties and explore a mediated solution to the grievance. If such efforts are not fruitful, the arbitrator will hear and decide the case; however, it is specifically understood that nothing said in mediation shall be considered by the arbitrator in reaching his/her decision and he/she will be confined to the evidence and arguments presented in arbitration.

15.6 It is understood that an employee pursuing a grievance shall, during the pendency of the grievance, continue to observe all assignments, rules and directives of the Board until such grievance and any effect thereof shall have been duly determined. The filing or pendency of a grievance under the provisions of this article shall not prevent the board or its representatives from taking the actions complained of.

15.7 Failure of the grievant to comply with the time limitations of this grievance procedure at any step shall preclude any further processing of the grievance.

15.8 All time limits may be altered by mutual agreement.

ARTICLE XVI: DURATION

16.1 This Agreement shall be effective as of July 1, 2016 and continue in full force and effect until June 30, 2017.
