All rights which ordinarily vest in and are exercised by the public employers which are not specifically relinquished in this Agreement are reserved to and remain vested in the Employer. The Employer possesses the sole right to operate Town government, subject to applicable law, and to exercise managerial policy within its exclusive prerogative, to manage its affairs efficiently and economically including, but not limited to, the use of technology, and the Employer's organizational structure, selection, promotion, transfer, assignment, number, direction, and discipline of its personnel. Further, the Employer retains the right to adopt, change, enforce, or discontinue any rules, regulations, or procedures, to direct employees in their duties, to establish reasonable work rules, to take whatever action is necessary to comply with State or Federal law, to introduce new or improved methods or facilities, to change existing methods or facilities, and to take whatever action is necessary to carry out the functions of the Employer in an emergency situation.

4.2 For the purposes of this Agreement, "emergency" is defined as a condition or situation unexpected and out of the ordinary which requires immediate action to avoid danger to life or property.

ARTICLE V Association Rights

5.1 The Association, or committees of the Association may be allowed the use of the facilities of the Town for meetings when such facilities are available subject to the approval of the Town Manager under existing policy as determined by the Employer. If the Association wishes to use any of the facilities of the Town, it shall request such use at least one week in advance and the Town shall provide the requested facility, if available.

5.2 Staff representatives of the Association may, upon request to the Town Manager, be allowed to visit the work areas of employees during working hours and confer on conditions of employment to the extent that such visitations do not disrupt the work activities of the area being visited.

5.3 The Town shall provide reasonable space on bulletin boards in non-public work areas for the exclusive use of the Association in communicating with employees in the bargaining unit.

5.4 The Town shall, within thirty (30) days after effective date of this Agreement, furnish to the Association an alphabetical listing of the names of the employees in the bargaining unit. Upon reasonable request, the Town shall furnish updated lists to the Association. The Association agrees to limit such requests to not more than once per month.

The chief may modify the schedule for up to fourteen days to cover assigned schools.

All unit employees shall work permanent shifts based on schedules posted on a quarterly basis to commence annually on the first full week in April, July, October, and January. Shift assignments shall be accomplished by seniority bidding. Seniority shall be based on the time in grade for the position of rank affected except that no employee who may have worked in more than one position, at the same pay grade, prior to October 7, 1992 shall lose seniority in their present position. After first year	five work days annually
------------------	-------------------------

After second year	ten work days annually
After fifth year	fifteen work days annually
After tenth year	twenty work days annually
After fifteenth year	twenty-five work days annually

Accumulation. Effective January 1, 2011, employees will be credited with their earned vacation leave on the last day of each full calendar month of service, up to their maximum vacation accrual cap. Employees may carry over a total of ten (10) earned vacation days in addition to their accrual cap. At no time will an employee's vacation allotment equal more than their maximum annual accrual plus ten (10) days.

Accrual Rate. Unit employees shall be entitled to annual leave with full pay on the basis of the following schedule:

Length of Continuous Service	Monthly Accrual Rate	Annual Equivalent	Maximum Carryover
Less than 1 years	3.33 hours/.417 days	5 days	80 hours

5 to 10 years	10 hours/1.25 days	15 days	80 hours
10 to 15 years	13.33 hours/1.67 days	20 days	80 hours
15 years	16.66 hours/2.08 days	25 days	80 hours

Once the cap has been reached (annual equivalent plus 10 days) employees will no longer continue to accrue vacation. An employee will continue to accrue vacation under the above schedule when, and to the extent that, his or her total accumulated vacation time falls below his or her maximum vacation accrual cap.

For clarification, employees working 10 hours per day, on a four-day on, three day off shift, must use one and one-quarter (1 ¼) days of leave (10 hours) per work day off on annual leave.

Employees may borrow up to his/her maximum annual equivalent against their pending accruals. Upon termination of employment negative vacation accruals must be paid back to the Town.

Vacation leave accrual rates will be adjusted on the first day of the month in which an employee will be eligible for additional vacation leave on the 2nd, 5th, 10th, and 15th anniversary of hire subject to the adjustment in accordance with this section.

Termination of Employment. Upon termination of employment, regular full-time employees will be paid for any unused accumulated annual leave at their regular rate of pay. In the event of death of an employee, a sum equal to the number of days of annual leave remaining shall be paid to his/her estate.

12.1.2 Except in an emergency, every employee shall be afforded the opportunity to receive at least two consecutive weeks of annual leave if earned leave time is adequate.

12.1.3. Vacation administration: A two-week notice shall be considered sufficient notice for using annual leave. The two week notice may be waived by the chief or his designee in the event of an unforeseen circumstance. Any request for vacation will be based on a seniority first basis. Seniority for purposes of vacation leave shall be defined as length of service of the employee at his/her present rank. In the event a unit employee's scheduled days off fall between two vacation days or are taken in conjunction with other contractual leave time, management will use its best efforts not to force the employee to work, with the understanding that exigent circumstances or conditions may require management to call the employee in.

Up to two (2) vacation days may be taken with a minimum of twenty-four (24) hours notice. If the vacation request cannot be covered by "paging out" the vacation days(s) shall be denied.

Vacation leave may be taken in four (4) or five (5) hour blocks depending on an eight or ten hour shift, at the beginning or end of each shift, unless otherwise approved by a department head and subject to the provisions of section 12.5.6. All vacations must be taken prior to December 31st of the vacation year. A full vacation must be taken each year by each eligible employee. It is the policy of the Town not to grant payment in lieu of vacations.

12.1.3.2 Divided Vacation: A divided vacation may be approved by the Department Head and/or Town Manager provided it is taken within the vacation year. Such a decision will consider the following factors:

(a) Departmental work schedule and/or schedule for shut down.

12.1.4 Seniority for vacations shall be determined by the length of service in the position or rank affected.

12.1.5 Upon termination of employment, a permanent employee will be paid for any unused accumulated annual leave at his/her regular rate of

pay. In the event of death of an employee, a sum equal to the number of days of annual leave remaining shall be paid to his/her estate.

(f) For medical appointments or procedures. The Member shall attempt in good faith to schedule such appointment or procedure outside of his/her schedule. If this is not possible, the member shall schedule the appointment or procedure at the beginning or the end of the shift and the member will use sick time in one (1) hour increments as needed for the appointment or procedure. If, because of the appointment or procedure, the member is not able to return to work for at least half of his/her shift, the member will be permitted to use sick leave for the entire shift.

Employees absent for the above reasons shall report such absence to their supervisor immediately together with the reasons for the absence. A statement may be required from a qualified physician (designated by the Town Manager and at town expense) certifying the condition of the employee or a member of the family who has been reported ill.
