WHEREAS The members of the teaching profession are particularly qualified to assist in the formulation of policies and programs designed to improve educational standards in an advisory capacity; and,

WHEREAS The Board, under the laws of the State of New Hampshire, has the exclusive responsibility to determine the policies of the Fall Mountain Regional School District; and

WHEREAS The Board has an obligation to bargain under the provisions of RSA 273-A;

and,

WHEREAS The parties have reached certain understandings which they desire to confirm in this Agreement;

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I

RECOGNITION

1.1 For purposes of collective negotiations, the Board recognizes the Association as the (exclusive) representative of all teachers of the Fall Mountain Regional School District as certified by the State of New Hampshire Public Employee Labor Relations Board, hereinafter referred to as the PELRB. The term "teacher" shall include all classroom teachers, librarians, guidance counselors, and nurses, but shall exclude administrative employees and supervisory employees as defined in RSA 273 A-8 II, and excluding all other employees.

1.2 Unless otherwise indicated, the term "teacher" when used hereinafter in this Agreement shall refer to all professional employees represented by the Association in the negotiating unit as above defined, and reference to male teachers shall include female teachers.

1.3 Unless otherwise indicated, the term "administrator" when used hereinafter in this Agreement shall refer to those professional employees who serve in an administrative and/or supervisory capacity full-time or more than half-time.

ARTICLE II

SCOPE OF AGREEMENT

2.1 Except as otherwise provided in this Agreement or otherwise agreed to in writing between the parties, the determination of educational policy, the operation and management of the schools, and the control, supervision and direction of the staff, are vested exclusively in the Board, and this Agreement shall not be so construed so as to limit or impair its respective statutory powers, discretions or authorities.

ARTICLE III

UNIT OF CERTIFICATION

3.1 The Board agrees to negotiate with the Association using the procedure defined in Article IV, so long as the Association is certified as the exclusive bargaining agent by the New Hampshire Public Employee Labor Relations Board and until such time the Association is decertified.

ARTICLE IV

NEGOTIATION PROCEDURES

4.1 The parties shall meet, confer and negotiate in a good faith effort to reach a mutual understanding and agreement per NH State Law, RSA 273-A: 3.

4.2 The Negotiating Committee of the Board and the Negotiating Committee of the Association shall have authority to reach a complete agreement, subject to ratification by the Board and the qualified voting members of the Association covered by this Agreement. Both committees shall attempt to make a good faith effort to secure ratification.

4.3 The Board agrees to supply the Association with such non-confidential information as is in the Board's possession and is requested by the Association.

4.4 Any agreement reached shall be reduced to writing and signed by the Board and the Association. Any agreement reached which requires the expenditure of public funds for its implementation shall not be binding on the Board, unless and until the approval of cost items and necessary appropriations have been made by the Annual School District Meeting. The Board shall make a good faith effort to secure the approval and funds necessary to implement said agreements.

4.5 If the cost items and appropriation of funds for implementing the agreement reached by both parties as set forth in Article IV, Sec. 4.4 are not approved at the Annual School District Meeting or at any specially called School District Meeting in any one (1) fiscal year and/or after full compliance with Article IV, Section 4.1 through Section 4.4, negotiations may be reopened on any and all issues. Mediation may be requested by either party.

4.6 If, after discussion of all negotiable matters proposed by either party, the parties fail to reach agreement, either party may declare an impasse. In the event of an impasse, the provisions set forth in RSA 273-A:12 Resolution of Disputes shall establish such procedures in resolving disputes.

4.7 Determination and/or recommendations under the provisions of Section 4.5 and 4.6 of this Article IV will not be binding upon the parties.

4.8 The cost for the services of the mediator and/or fact finder including per diem expenses, if any, will be shared equally by the parties.

4.12 The parties may, by mutual agreement, pass over mediation and go directly to fact finding.

ARTICLE V

ASSOCIATION RIGHTS

5.7 Rights granted to the Association under this Article V shall not, in the judgment of the Board, be disruptive or injurious to the Fall Mountain education system, its students, the faculty, or administration, nor in violation of any of the provisions of this Agreement. In making judgments under this Section, the Board shall not be arbitrary or capricious.

5.8 Representative(s) of the New Hampshire Education Association shall be allowed

to conduct Association business on school property at all times provided such business does not interfere with the scheduled teaching or supervisory duties of the District's employees. In any event, the representative shall inform the building principal of their presence and whom they wish to see.

5.9 Association representative(s) shall be free to conduct Association business at all times, provided such business does not interfere with the representative's scheduled teaching or supervisory duties, or that such business does not interfere with the scheduled teaching or supervisory duties of other teachers.

5.10 Upon notification by a teacher (see Appendix D attached hereto,) the Board will deduct for professional association dues.

5.11 The Association shall be granted an aggregate total of up to three (3) days off per year with pay so that officers may attend official Association events such as the annual State Delegates Assembly and the National Representative Assembly or to conduct official Association business.

ARTICLE VI

EVALUATION AND PERSONNEL FILES

6.1 The parties agree that a sound evaluation of teacher performance and effectiveness is a valuable asset in improving and building the educational community. All formal observations shall be conducted openly and with the full knowledge of the teacher. Teachers will be evaluated in accordance with the Fall Mountain Regional School District Teacher Evaluation Model.

6.2 Each experienced teacher in the Fall Mountain Regional School District shall be made aware if they are in a formal evaluation cycle no later than October fifteenth (15th) of each year. Supervisory personnel responsible for the evaluation of teachers shall be trained for that purpose.

6.3 Teachers are under observation and evaluation by the Administration on a daily basis. Written evaluations done by the evaluator or principal shall be conducted openly and with full knowledge of the teacher.

6.4 The teacher will acknowledge that he/she has had an opportunity to review such material by affixing his/her signature to the copy to be filed, with the expressed understanding that such signature in no way indicates agreement with the contents

thereof. The teacher will also have the right to submit a written answer.

6.5 Following a formal observation, the administrator/evaluator shall hold a post-observation conference with the teacher; such a conference shall be held within five (5) school days. From that conference, a final written copy of the observation will be completed and provided to the teacher within 15 school days, unless extended by mutual agreement between the administrator and teacher.

6.6 No material derogatory to a teacher's conduct, service, character, or personality shall be placed in their personnel file unless the teacher has had an opportunity to review the material. A teacher will have the right, upon request, to review the contents of his personnel file, during regular office hours and to make copies of such at their expense. The provisions of this Section shall not apply to material of a confidential nature acquired by the Board when initially employing a teacher.

6.7 The parties recognize and agree that, subject to the provisions of this Article VI, teacher evaluation is a supervisory function and the sole responsibility of the Board.

6.8 Teachers should practice professional courtesy and shall be encouraged to address any concerns about another teacher directly with that teacher. If the complaining teacher feels that the concerns are of a serious or potential legal nature or if they are uncomfortable in addressing that teacher, they shall notify their building administrator. Any formal complaint against a teacher or person for whom the teacher is administratively responsible by any parent, student or other person will be promptly called to the attention of the teacher. Persons making a formal complaint against a teacher shall be encouraged, but not required, to provide a written and signed statement detailing the concern to the individual(s) designated by the District to receive such concerns or complaints. Complaints will be documented and the nature of the complaint shall be provided to the Teacher whom the complaint is against. The Teacher whom the complaint is against shall be provided with the name of the person making the complaint, unless determined detrimental to the investigation or prohibited by State or Federal law. Complaints shall not be incorporated into the teacher's evaluation or personnel file unless the teacher has been informed and the complaint has been investigated and a notation of the results of the investigation made.

ARTICLE VII

CONSULTATION ON EDUCATIONAL PROGRAMS

7.1 The Board desires the participation of its professional educational personnel in the development of sound educational programs for the school children of the district. In connection with making major changes in educational programs, including any new system of teacher evaluation, the Superintendent shall notify the President of the Association and shall consult with the Association's President (or their designee), if requested to do so. The President of the Association may submit to the Board through the Superintendent any recommendations for major changes in the educational programs. The Board shall give due consideration to such recommendations of the Association. Action by the Board under this Article VII shall not be subject to the Grievance Procedures of this Agreement.

ARTICLE VIII

TEACHER EMPLOYMENT

8.1. The Board agrees to employ only those teachers who hold at least a bachelors degree from an accredited college or university and are certifiable by the New Hampshire State Department of Education. This provision shall not apply in the instance where the availability of personnel is critical and an appropriate waiver is granted by the New Hampshire State Department of Education.

8.2 Teachers shall not be assigned outside the scope of their teacher certification and major or minor field of study except temporarily and for good cause.

8.3 For purposes of this Agreement, the period of service shall not be more than one hundred eighty-nine (189) days, including a maximum of 180 teaching days. Non-teaching days will include at least the following:

Pre-School Year Faculty Meetings	1
Parent-Teacher Conferences	2
Teacher In-Service	3
Teacher Planning Days	2
Professional Development Day	<u>1</u>
Total Contract Days	9

The agenda for the Teacher Planning Days will be set by the teaching staff in each building, and shall be used for teachers to plan curriculum and/or curriculum development only. The Teacher Planning Days will be scheduled either immediately prior to the first day of school, during the school year, and/or after the last day of school, but no later than

June 30. The Professional Development Day shall be scheduled in the fall and devoted to any activity that furthers the individual teacher's Professional Growth Plan. Parent-Teacher Conferences will be scheduled to accommodate and meet the needs of parents. Two (2) weeks notice will be given for make-up days.

Teachers new to the District may be required to report one extra day.

8.4 Teachers employed by the District will be given an individual contract (See Appendix C-1 and C-2 attached hereto) each year of their employment. The contract will include teaching assignment, years of service, continuing contract status and annual salary. Continuing contract status will be issued according to NH RSA 189:14-a. The notice of employment shall require that teachers certify they hold a valid New Hampshire certificate, license, or permit to teach. The Board agrees to reimburse for half of the State mandated recertification fee.

The individual contract shall be subject to and consistent with the terms and conditions of this Agreement.

8.5 The workday shall begin for those teachers who have assigned duties at a time consistent with the individual schedules of each building. Those teachers who do not have duties before the start of the school day shall be required to report twenty (20) minutes prior to the first scheduled homeroom or class in their building each day. The workday for teachers will end at such time as necessary to carry out their professional duties including, but not limited to, faculty meetings, conferences with parents or students, extra help, open house, or conferences with administrators as required. Such meetings shall be of reasonable duration with end of day faculty meetings being no more than one (1) hour. Otherwise, the teacher workday shall end ten (10) minutes after the last period or class in their building each day, except for those teachers who have assigned duties consistent with the individual schedule of each building. In-service activities or workshops that are required of teachers by administrators will be conducted during the time regular classes are scheduled. Nurses shall not be assigned duties, such as bus duty or recess duty, before, during or after the school day. School counselors and special education teachers may be excused from such duties with the approval of the building administration.

8.6 The Board will make every effort to provide a thirty (30) minute duty-free uninterrupted lunch period. In the event that a thirty minute lunch is not available for all teachers, a committee made up of three teachers appointed by the Association and three

persons appointed by the Board shall study the situation and issue a report with recommendations as to how the thirty minute lunch period might be implemented for all teachers prior to the next annual District meeting. However, in no instance shall it be less than twenty (20) minutes. When a thirty (30) minute time period is not scheduled, teachers of self-contained classrooms will be provided a fifteen (15) minute relief period each day.

8.7 The administration will make every effort to provide at least 3.5 hours per week as preparation time for teachers in grades Pre-K – 8.

8.8 Teachers will be notified of their employment status and teaching assignments on or before April 15th, and will return their contract signed, no later than May 1st; however, a teacher's request for extension of the May 1 deadline may be granted for extenuating circumstances at the Superintendent's discretion. In the event a teacher rejects a reassignment, the teacher shall be employed to fill any open position which may then be available, provided the Superintendent recommends to the Board that the teacher is qualified and certifiable. A teacher's refusal to accept the reassignment, or any open position which then may be available shall constitute a termination of contract without prejudice. Any change in assignment after April 15th shall be considered an involuntary transfer and shall be effected only for cause.

8.9 When involuntary transfers are effected for a necessary reduction in a school's staff allocation due to reduced student enrollments or the closing and/or consolidation of a building, resignations or leaves of absence, said transfers will be made on the basis of years of service in the District; that teachers in the affected building possessing the least amount of service and applicable certification being transferred first. Such transfer due to resignation or leave of absence shall be for a period not to exceed one (1) year.

8.10 Teachers actively engaged in credited coursework and/or matriculated in degree programs, should give notice by November 1 of their intent to pursue a salary lane change in the following year. All paperwork and formal grade documentation must be filed with the Superintendent's office by August 1 in order for the salary adjustment to take effect for the upcoming contract year. Time requirements specified in this section may be extended by mutual agreement.

8.11 The Board agrees to submit to the Association for its consideration, suggestions for the school calendar on or before January fifteenth (15th) of the preceding year. The Board reserves the right to establish the school calendar and to make appropriate

changes at any time.

ARTICLE X

GRIEVANCE PROCEDURE

10.1 Definition:

"Grievance" means an alleged violation, misinterpretation or misapplication with respect to one or more teachers, the Association, or any provision of this Agreement. An "aggrieved teacher" is the person or persons making the claim. All the time limits specified in this Article X shall mean school days, except under Section 10.8 of this Article.

10.2 Purpose:

The parties acknowledge that it is most desirable for an employee and their immediately involved supervisor to resolve problems through free and informal communications. Parties also acknowledge that open communication be maintained at all appropriate grievance levels as evidenced by the grievance process forms set forth in Appendix E1-E5. Grievances which are not satisfactorily settled in an informal way shall be reduced to writing (see Appendix E attached hereto) and referred to the following formal grievance procedure.

10.3 Formal Procedure:

The grievance shall state the specific violation or condition with proper reference to the contract agreement. It shall also set forth names, dates, and any other related facts which will provide a sound basis for a complete understanding of any such grievance.

All grievances shall be filed within thirty (30) calendar days of the occurrence of the act or condition upon which the grievance is based. If said act or condition occurs between June 1 and August 31, the grievance shall be filed on or before September 30 of the calendar year in which the act or condition occurs.

Level A.

Within three (3) days of receipt of a formal grievance, the building principal, or their designee, who shall be an administrator, will meet with the aggrieved teacher. Within two (2) days following any such meeting, the principal, or their designee, shall give their

answer in writing. If the grievance is not settled at this level, then it may be referred to level B within ten (10) days of the receipt of an answer given at this level.

Level B.

Within five (5) days of a grievance being referred to this level, the Superintendent will meet with the participants of Level A and examine the facts of the grievance. The Superintendent shall give their answer within seven (7) days of any such meeting. If the grievance is not settled at this level, then within ten (10) days from receipt of the answer rendered at this level, the grievance may be referred to Level C.

Level C.

If the grievance remains unsettled, the grievance shall be referred to the School Board for consideration.

Within five (5) days of a grievance being referred to the School Board, the School Board Chairperson will appoint a Grievance Review Committee of three (3) School Board members. Within ten (10) days of the Committee's appointment, it will meet with the participants of Level (B) and examine the facts of the grievance. The Grievance Review Committee shall make its recommendations to the School Board at its next regularly scheduled monthly meeting and the School Board shall give its answer within ten (10) days of any such meeting. The Grievance Review Committee shall use its best efforts to examine the facts of the grievance, but it shall have no power or authority to do other than interpret and apply the provisions of this Agreement and it shall have no power or authority to add or subtract from, alter or modify any of the said provisions.

In the event the grievance remains unsettled, the grievance may be referred to advisory arbitration within ten (10) days of the receipt of an answer given at this level. If the grievance is referred by the Association to advisory arbitration, then the parties shall apply to the American Arbitration Association for selection of an arbitrator.

Level D.

Within five (5) days of a grievance being referred to this level, the party grieving shall apply to the American Arbitration Association for selection of an arbitrator in accordance with the American Arbitration Association rules and procedures.

The Arbitrator shall use their best efforts to arbitrate the grievance, but shall have no power or authority other than to interpret and apply the provisions of this Agreement and shall have no power to add or subtract from, alter or modify any of the said provisions. The arbitrator's decision shall not be binding on either party, but shall be

advisory only. The parties agree to share equally in the compensation and events of the arbitrator.

Level E.

Within ten (10) days following the receipt of the arbitrator's decision, the parties shall meet to take under advisement the arbitrator's award. Within ten (10) days of such meeting, each party shall indicate to the other, in writing, whether or not they will be bound by the arbitrator's award. In any event, the decision of the Board shall, after full compliance with this Article X, be final.

10.4 Time periods specified in this procedure may be extended by mutual agreement.

10.5 Upon selection and certification by the Association, the Board shall recognize an Association Grievance Committee.

10.6 Grievance(s) of a general nature shall be submitted by the Association to Level B.

10.7 A grievance, in order to be considered further, must be forwarded to the next appropriate level within the days specified in Section 10.3.

10.8 In the event a grievance is filed on or after June 1st, the parties agree to make a good faith effort to reduce the time limits set forth herein so that the grievance procedures may be exhausted prior to the end of the school term, or as soon thereafter as is practicable.

10.9 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits (unless extended by mutual agreement) shall permit the aggrieved person to proceed to the next level, except at the Board level. Failure at any level of the procedure to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

10.10 Subject to the provisions of RSA 273 A:11, 1(A), a teacher shall be given the right, upon notice to the appropriate supervisor, to have an Association representative present with respect to a grievance.

10.11 The parties agree that teachers covered by this Agreement shall enjoy freedom from restraint, interference, coercion, discrimination or reprisal in presenting or appealing any grievance(s).

10.12 Grievance(s) shall not be made a part of a teacher's personnel file or used in making employment reference.

ARTICLE XI

LEAVES OF ABSENCE

11.1 It is agreed that the use of leave days will be confined to the legitimate purposes provided in the following schedule, and that paid leave benefits will not be used for any unauthorized absence. For each day of unauthorized absence, a teacher shall lose an entire day's pay figured at 1/189th of the teacher's annual base salary.

Paid Leaves

11.2 Sick Leave

A. Sick leave shall be confined to a disabling physical condition of the teacher or a member of his/her immediate family, including the employee's spouse, child, parent or a relative or ward living in the employee's household. A disabling condition shall exclude work-connected disability covered by New Hampshire Workman's Compensation Law. Under this Section 11.2 the immediate supervisor and/or the Superintendent may request medical evidence at the Board's expense from the teacher's physician and/or the Board's physician when it is deemed necessary to confirm the nature and extent of the disabling physical condition. In those instances when a teacher's health or physical condition warrants, continued employment will be permitted as long as the teacher is able to adequately perform their duties, and can supply the Board sufficient medical evidence to insure their health and safety.

B. Full time teachers will begin the school year with a credit of twelve (12) days sick leave at their applicable salary rate. Teachers contracted for less than full time will receive a prorated number of days based on their percent of FTE. The Board agrees to permit unlimited accumulation of sick leave to anyone hired on or before June 30, 1995. Anyone hired after this date will be allowed to carry over up to one hundred and ten (110) sick days. Anyone having accrued more than 110 days prior to June 30, 2013 will be grandfathered at the June 30, 2013 accrued rollover amount.

11.3 The Board will grant up to three (3) days paid personal leave per year to each full time teacher. Teachers contracted for less than full time will receive a prorated number of days based on their percent of FTE. Written notification shall (except in emergencies) be presented to the Principal at least forty-eight (48) hours prior to any such leave. The paid personal days shall not normally be taken consecutively or immediately before or after a holiday or vacation.

11.4 A teacher who is absent due to a work-connected illness or accident (Workman's Compensation) may, at their request, receive the net difference between Workman's Compensation payments and their full pay at their applicable salary rate and such payment by the Board shall continue until any such teacher has used any and all of the sick leave to which they are entitled. Thereafter, they shall continue to receive only those monies paid to them under the provision of the Workman's Compensation Law of the State of New Hampshire. Amounts paid by the Board, under the provisions of this Section, shall be subject to usual and customary payroll deductions (taxes, et cetera).

Unpaid Leaves

11.5 Leaves of absence of up to one (1) year without pay or benefits will be granted by the Board for those requests submitted in writing to the Superintendent of Schools between September 1 and June 30 of any year to become effective with the beginning and for the entirety of the ensuing school year. Such requests shall include a representation that the teacher intends to return to the Fall Mountain Regional School District upon completion of said leave. Requests for a leave of absence submitted between July 1 and August 31 for the entirety of the ensuing school year may be granted at the sole discretion of the Board. Extensions or renewals shall also be at the sole discretion of the Board upon the recommendation of the Superintendent. Leaves for less than a school year shall be requested under the provisions as set forth in Section 11.10 of this Article XI.

11.6 A teacher who is granted a leave of absence by the Board under this Article XI shall be granted re-employment to their former position if such position is available, If not, then any such teacher will be offered a position for which they are qualified and can be certified. The sick leave benefits to which any such teacher was entitled prior to said leave shall upon return be restored. The Board will make good faith effort to hire replacements for teachers under this Section 11.6 so as to promote the availability of any such teacher's former position at the end of any such teacher's granted leave of absence. In any event, the criteria for applying provision of this 11.6 shall be continuity of quality education for the children.

11.7 A teacher who, while on unpaid leave, served in a full-time teaching capacity shall be placed at a salary level recognizing the years' experience upon reemployment. Otherwise the period of a time for which a teacher is on a leave of absence shall not be recognized as an experience factor upon reemployment.

Temporary Leaves

11.8 Teachers required by official orders to attend National Guard Duty, other military reserve duty, or jury duty during the contract year and for a period not to exceed fourteen (14) contract days shall receive pay for such period equal to their regular pay, less the amount received for the services performed. Extended time requirements under this section may be granted by the School Board after application, in advance, to the Superintendent.

11.9 After the Superintendent has been notified, a maximum of five (5) days per year, non-cumulative, will be granted because of death in the immediate family. Immediate family, for purpose of this Section 11.9, shall mean parent, spouse, sibling, child, foster parents, step-parents, stepchildren, grandparents, or foster children of a teacher or a teacher's spouse or a close personal friend of the teacher.

11.10 Temporary leave for any and all other reasons, paid or unpaid, shall be granted at the discretion of the Superintendent. A leave granted under this Section 11.10 shall be in compliance with Section 11.6 of this Article XI. Requests for leaves of absence shall not be denied arbitrarily and the teacher shall be provided with the reason(s) for a denial. Leaves required to be granted by state or federal law will not be covered by this contract. The decision of the Superintendent is not subject to grievance.

Sick Leave Bank:

11.11 The Board agrees to continue the sick leave bank for teachers covered by this Agreement. When such sick leave bank falls below two hundred (200) days, then each teacher who has completed at least two (2) years in this bargaining unit agrees to donate, at the beginning of the next school year, one (1) day from the twelve (12) days set forth in Section 11.2 of Article XI to be deposited in said "bank." No Teacher may be required to contribute more than two (2) days in any school year to fund the sick leave bank at the start of each school year. To become eligible for extended benefits from the sick leave bank, a teacher must:

- A. Have exhausted all of their accrued sick leave under Section 11.2 of this Article XI; and,
- B. Submit a sick leave bank application along with satisfactory medical evidence of serious injury or illness of over 3 consecutive calendar days (excluding work-connected accident) to the Superintendent or Superintendent's designee for appropriate payment. A teacher may draw up to sixty (60) days from said "bank"

in any one (1) contract year. Any teacher on sick leave due to illness in the immediate family shall not be eligible to receive sick leave bank days. Eligibility for sick leave bank benefits shall terminate when an individual is eligible for disability benefits. No one shall be entitled to receive disability benefits and sick leave benefits at the same time. Surgeries which are not deemed medically necessary by a physician will not be eligible for sick bank coverage.

11.12 Each teacher shall be granted up to two (2) professional days per year to be approved at the discretion of the principal in the attendance area. Further days may be granted pursuant to Section 11.10.

Sabbatical Leave

11.13 A. A teacher who has completed at least six (6) full years employment as a teacher in the Fall Mountain Regional School District may make written application to the Superintendent for sabbatical leave; provided, however, that such application shall be in writing, shall be submitted to the Superintendent on or before November 1st of the year prior to the beginning of the school year for which the teacher requests the sabbatical, and shall not exceed one (1) teacher for the year in which the application is made. Such application shall describe the work to which the teacher is to devote himself during the sabbatical year, the value of the work to the professional development of the teacher, and the benefits which will accrue to the School District and pupils as a result of the teacher's work during the sabbatical year. The Superintendent shall consult with a committee of two members, one member to be appointed by the School Board and one member appointed by the Teachers Association, created for the purpose of reviewing the relative merits of the application(s). The Superintendent shall forthwith review the application(s) and shall thereafter, prior to December 15th, forward the application(s) together with their recommendation in writing that the application(s) be granted or denied, to the School Board. In making the recommendation, the Superintendent shall take into consideration the relative merits of the application and of any other application(s) received from teachers in the School District. Thereafter, the School Board, in its sole discretion, may grant a teacher sabbatical leave.

The School Board shall notify the teacher in writing of its decision within ten (10) days following the School District's Annual District meeting. The action of the School Board in granting or denying a teacher's application for sabbatical leave shall be final.

B. The Superintendent in making the recommendation and the School Board

in granting or denying an application shall take into consideration the following criteria:

1. length of service in the School District;
2. general experience;
3. educational attainment;
4. major and minor fields of study;
5. certification endorsements;
6. performance evaluations;
7. the extent to which the teacher has participated in programs of educational advancement in the years of their employment in the School District;
8. the quality and completeness of their application;
9. the value of the work to which the teacher is to devote himself during the sabbatical period to the School District and professional development of the teacher;
10. the relationship of the work to which they are to devote himself during the sabbatical period to the teacher's present and anticipated future teaching assignments;
11. the benefits which can be expected to accrue to the School District as a result of the teacher's completion of the work to which they are to devote himself during the sabbatical period;
12. economic considerations of the District.

In the event a sabbatical leave application is denied, the applicant may request and shall be provided with a written statement explaining how the Board and Superintendent applied the criteria to decide to deny the application, and the basis of the denial in terms of the criteria listed, hereinabove. The Board Chairperson or a designee from the School Board upon request, shall meet with the teacher to discuss the application and the decision not to approve. The Board's application of the criteria in denying a sabbatical leave request is not subject to the grievance procedure.

In the event that a teacher is granted sabbatical leave, the School District shall pay eighty percent (80%) of the teacher's annual salary and the full cost of their insurance benefits, as hereinafter provided for their sabbatical leave; provided, however, that the payment of salary and benefits shall be conditioned on the teacher's immediate return to

their teaching duties in the School District upon the completion of the sabbatical year. In addition, a teacher that is granted sabbatical leave shall, as a condition thereof, execute a teaching contract for a period of one year immediately following completion of the sabbatical leave. The contract shall provide that, in the event that the teacher does not return to teaching duties in the School District immediately following the completion of the sabbatical period, the teacher shall refund to the School District all payments made by the School District on account of the salary and benefits paid during the sabbatical period. In the event of the teacher's death, physical disability, or upon Board consent, a refund shall be waived. In the event that the teacher is unable to return to teaching duties as provided in the contract by virtue of physical disability, the teacher shall return to teaching duties immediately following the termination of their period of disability. All benefits under this Agreement shall accrue to said teacher as though the teacher had been present and teaching during the sabbatical period, including an advancement on the salary schedule.

A teacher who has taken sabbatical leave shall not be granted another sabbatical leave for a period of six (6) years following their return to their teaching duties in the School District.

It shall be understood that an application for a period of less than a full school year will be denied by the Board.

ARTICLE XII

INSURANCE

12.1 Except as provided in Paragraph E of Appendix B, the Board agrees to maintain in effect a health insurance plan for all full time teachers so long as they remain on the Fall Mountain Regional School District payroll. A full time teacher is defined as someone who is contracted for 1 FTE in a position that falls under the teacher's contract. A summary of the benefits to be provided under said plan is set forth in Appendix B hereto. In addition, teachers who are not full time but qualify for benefits under FMRSD Board policy GCD, Health Insurance Eligibility, will be eligible to participate in health insurance benefits with district contributions made in accordance with Appendix B.

12.2 Except as provided in Paragraph E of Appendix B and in 12.3 below, the Board will not itself pay the insurance benefits referred to in Section 12.1, but will obtain policies or

contracts from insurance companies which will administer said benefits.

12.3 Should any Federal or State legislation become effective during the term of this Agreement providing benefits paralleling any of those referred to above and imposing the cost thereof on the Fall Mountain Regional School District Board, the disposition hereunder shall be subject to negotiations and to the Grievance Procedures of this Agreement.

12.4 District paid coverage for a teacher begins on September 1st and will stay in effect until August 31st of the following year, so long as the teacher completes the entire school year. Anyone terminating their position without completing the school year would be covered until the 1st of the following month. Teachers who are retiring and were participating in health insurance during their final year of employment with the District, may remain on the District's retiree group health plan provided they make timely payment of the **total** premiums. A teacher must be enrolled on the plan when retiring in order to remain eligible.

ARTICLE XIII

RESIGNATIONS

13.1 Except in a case of emergency, teachers shall provide thirty (30) days notice of their intent to resign. Within five (5) days from receiving the notice of intent to resign, the Superintendent and teacher shall meet to determine an effective date that is mutually agreeable. The effective date of termination shall be binding on both parties and so stated in writing, signed by both parties.

13.2 If a teacher who has signed an employment contract for the following school year submits a resignation after June 30 preceding the contracted school year or fails to perform the contract for the full contracted school year for any reason other than an emergency, the teacher shall be liable to the District for reasonable liquidated damages to compensate the District for expenses that it incurs by reason of the teacher's resignation or failure to perform the contract. This amount will be \$500 for resignations received in July, and \$1000 for resignations received August 1st or later. This amount may be withheld by the district from said teacher's final check. The Superintendent may waive liquidated damages at his/her discretion.

Emergency for the purpose of this Section is intended to include a physical, family,

or mental health crisis which effectively prevents the employee from fulfilling his/her contractual obligations.

ARTICLE XIV

REDUCTION IN FORCE

14.1 By every September 30th, the District shall prepare a Seniority List. Seniority is defined as length of unbroken service within the Bargaining Unit and shall be computed from the teacher's date of hire with the Fall Mountain Regional School District. All teachers shall be ranked on the list in order of their date of hire as above defined. In the circumstance of more than one (1) individual having the same date of hire, all individuals so affected will participate in a drawing to determine placement on the Seniority List. Said drawing shall take place during a necessary reduction in force where a tie needs to be broken.

14.2 The Seniority List shall be prepared by the District and verified by the Association. Said list shall be posted in all buildings of the District by October 15th of each school year. Revisions and updates of the Seniority List shall be published and posted as they are made. A copy of the Seniority List and subsequent revisions shall be forwarded to the Association.

14.3 All seniority excepting as provided below is lost when employment is severed by resignation, retirement, discharge for cause, or transfer to a non-bargaining unit position; however, seniority is retained if severance of employment is due to layoff (RIF). In cases of layoff, teachers so affected shall retain all seniority accumulated as of the effective date of layoff.

A. Administrators and Department Heads shall have their seniority grandfathered for their actual teaching time in the Fall Mountain Regional School District.

B. Department Heads performing actual teaching duties shall continue to accrue seniority.

C. Teachers transferring to a non-bargaining unit position shall have a one (1) year grace period during which their seniority shall be retained, and they may opt to return to the bargaining unit.

14.4 Seniority shall not accrue while a teacher is on leave of absence. Seniority shall

accrue while utilizing sick leave and in all situations where mandated by state or federal law.

14.5 It is hereby recognized that it is within the discretion of the Board to reduce its educational program curriculum, and staff, and that the procedures set forth in this Article shall be used in laying off personnel.

14.6 Layoff shall be defined as, but not limited to, a necessary reduction in work force beyond normal attrition due to decreased student enrollment or shortage of revenues.

14.7 In the event it becomes necessary to reduce the number of bargaining unit members through layoff for reasons as provided, the Association president shall be notified and the following procedure shall be followed:

A. The administration will make every effort to reduce the number of positions first by attrition in order to avoid unnecessary layoffs.

B. Beginning with the last name on the seniority list and in ascending order thereafter, the District shall identify the least senior teachers equal in number to the number of teaching positions being eliminated.

C. Probationary teachers shall be laid off first as follows:

1. In all cases, teachers shall be laid off and retained on the basis of their seniority, provided their certification and qualifications are relatively equal. Qualifications shall include:

a. The teacher must have taught within their area of certification within the last five (5) years.

b. Evaluations

c. Recertification requirements

d. Degree; Major, Minor hours

e. Extra-curriculars

2. In the event the Board elects to lay off a more senior bargaining unit member, a measurable differential in qualifications between bargaining unit members must be established.

D. If the reduction of teachers is still necessary, then teachers on continuing contracts shall be laid off as outlined above.

E. Seniority shall be prorated according to time worked.

F. A teacher who meets the above criteria shall have the right to be placed in a position for which they are certified and qualified to fill and which is

occupied by a teacher with less seniority.

- G. In all cases of layoff, the teacher's non-renewal notice shall state that the non-renewal was due to a reduction in force.

14.8 Recalls shall be in the inverse order of layoffs:

- A. Probationary teachers shall have recall rights for two (2) years.
- B. Teachers with continuing contract status shall have recall rights for five (5) years.

14.9 Refusal of an offer from the District of a position for which the laid off bargaining unit member is certified/licensed, failure to respond within five (5) days of receipt of written notification, or once having accepted the position via collect telephone call and written confirmation; failure to return to work within ten (10) working days shall be cause for termination.

14.10 Teachers under contract obligation to another school district may be bypassed without loss of seniority. Such action shall not in any way affect the bargaining unit member's rights as guaranteed under this Agreement.

14.11 Notifications of all recalls shall be in writing with a copy to the Association. The notification shall be sent by certified mail to the teacher's last known address. It shall be the teacher's responsibility to notify the District of any change of address.

14.12 Recalled teachers shall be entitled to all accrued sick leave benefits as provided herein.

ARTICLE XV

TEACHER RIGHTS

15.1 The employer agrees that it will not discriminate against or between employees on the basis of any class protected by state or federal law, in accordance with FMRSD board policy GBA – Equal Employment Opportunity, or by reason of his/her membership in the Association or participation in its' activities.

15.2 The private and personal life of any teacher is not within the appropriate concern or attention of the employer, provided said activities do not directly involve the school community and do not prevent the teacher from carrying out their teaching duties.

ARTICLE XVI

EMPLOYEE DISCIPLINE

16.1 No teacher shall be disciplined --- including warnings, reprimands, reductions in rank or professional advantage, furlough/layoff or other actions of a disciplinary nature without just cause. Any such discipline, including adverse evaluation of a teacher performance shall be subject to the Grievance Procedure. The specific grounds forming the basis for disciplinary action will be made available to the teacher.

16.2 Any teacher subjected to discipline as defined in Article 16.1 shall be entitled to Association representation. If a supervisor has a reasonable basis to believe any meeting with a teacher may result in discipline for that teacher, the teacher shall be advised of their right to representation prior to said meeting and shall be given a reasonable opportunity, not to exceed three (3) calendar days, to have an Association representative present before any action shall be taken.

16.3 If discharge or non-renewal of a teacher on continuing contract status under RSA 189:14-a is to be considered because of inadequacies observed in the teacher's professional work with students, such action must minimally be preceded by:

- A. Repeated observation of the inadequacies by more than one administrator through the teacher evaluation process.
- B. Clear direction that the teacher must improve and the consequences of failure to do so.
- C. Intensive assistance from administrators and school district resources to help the teacher improve.

ARTICLE XVII

POSTING

17.1 A vacancy shall be defined for purposes of this Agreement as a position presently unfilled, a position currently filled but which will be open in the future, or a new position that is currently not in existence.

17.2 During the school year vacancies shall be posted online and on a designated bulletin board in each District building. Vacancies shall be posted at least five (5) workdays prior to being filled.

17.3 A. Teachers may apply for vacancies by submitting a written application to Human Resources. When more than one presently employed teacher applies for the same position, the provisions of Policy GCK will be followed. (Policy GCK states: "Instructional personnel will be assigned on the basis of their qualifications, the needs of the District, and their expressed desire. When it is not possible to meet all three (3) conditions, personnel shall be assigned first in accordance with the needs of the District, second where the Administration feels the teacher is most qualified to serve, third as to expressed preference of teachers in order of seniority in the District; all other considerations being equal.") Annually the Superintendent shall submit to the School Board a report on the number of teachers requesting transfers within the District, the locations from which the transfers were requested, the place to which transfers were requested and the number of previous requests for transfer made by each individual; and where transfers were denied the reasons for the denial of a request for transfer. Teachers' qualifications for vacancies shall be evaluated before those of any non-employee. In the event that a teacher's request for transfer is denied, they shall be provided with the specific reasons for the denial in writing. The teacher has the option to request that they be given the opportunity to discuss the denial with the Superintendent.

B. A District teacher shall be considered for any District vacancy prior to a non-district person and provided that said teacher is qualified and provided that the District can replace the transferring teacher. Failure of the District to receive applications within thirty (30) days of advertising the position from certified teachers who accept employment shall be considered evidence of the inability of the District to replace a transferring teacher.

17.4 This Article shall not apply to temporary vacancies of one (1) year or less.

17.5 Resignations received by the Superintendent between August 1 and September 1 shall not be subject to 17.2 of this Article.

ARTICLE XVIII

NOTICE UNDER AGREEMENT

18.1 Whenever written notice to the Board is provided for in this Agreement, such notice shall be addressed to the Superintendent of Schools, Fall Mountain Regional School Board, PO Box 720, Langdon, NH 03602 or can be delivered in hand to the Superintendent's Office physical address at 122 Route 12A, Langdon, NH 03602.

18.2 Whenever written notice to the Fall Mountain Teachers Association is provided for in this Agreement, such notice shall be addressed to the President of the Fall Mountain Teachers Association at their then current address. It shall be the responsibility of the Association to notify the Superintendent when there has been a change in presidents, or whenever there is a change in the address of the president.

ARTICLE XIX

STRIKES AND SANCTIONS

19.1 The Association and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Association, therefore, agrees that it will not sponsor nor support any strike, sanction, work stoppage, or other concerted refusal to perform work by the teachers covered by this Agreement, nor any instigation thereof, during the life of this Agreement, nor shall the Board engage in any form of lockout against teachers.

ARTICLE XX

MISCELLANEOUS PROVISIONS

20.1 If any provision of this Agreement or any application of this Agreement to any teacher or group of teachers is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

20.2 An original copy of this Agreement shall be provided to the Association to include the Executive Council, Negotiating Team, Building Representatives and one (1) copy per school office in the District within thirty (30) days after the Agreement is signed. A copy of the Agreement shall also be emailed to all current teachers. The agreement will also be posted on the district website. Newly hired teachers shall be informed of where the Agreement can be found on the District's website.

20.3 Payroll deductions for additional insurance, and/or cost differences between Board contribution and the actual cost to provide any such benefit, annuities, or Credit Union payments shall be afforded each teacher with reasonable notification to the District.

ARTICLE XXI

FINAL RESOLUTION

21.1 This Agreement represents the final resolution of all matters in dispute between the parties, and shall not be changed or altered unless the change or alteration has been agreed to and evidenced in writing by the parties hereto.

ARTICLE XXII

DURATION OF AGREEMENT

22.1 This agreement shall commence on July 1, 2023, and shall continue in full force and effect until twelve (12) o'clock midnight June 30, 2026, and from year to year thereafter, unless written notice of desire to terminate or modify this Agreement is given by either party to the other party per applicable New Hampshire state law.

APPENDIX A
FALL MOUNTAIN TEACHER COMPENSATION

A. Newly hired teachers with experience, hired during the term of this Agreement, will be placed by the Superintendent within the appropriate salary ranges set forth in the applicable salary Appendix A1 based upon their education and experience. All prior work history must be able to be verified for step credit. All step placement credit for training, education and experience shall be on a one year equals one step basis with step placement equal to years of experience. For example, a teacher with no experience shall be placed on step 0, whereas a teacher with five years of experience shall be placed on step 5.

B. Extracurricular and leadership activities for which the Board currently offers and provides are not considered part of a teacher's normal duties and responsibilities and are not, therefore, treated as part of this Agreement. Qualified teachers who may now or in the future contract with the Board to perform any such extracurricular and leadership service(s) do so as individuals and are free to discuss their retrospective salaries and working conditions with the Superintendent.

C. 1. All teachers shall be placed on the appropriate step and lane on the salary schedule by the Superintendent according to the teacher's highest degree and number of post baccalaureate, graduate course credits.

2. Only graduate level courses will be considered towards lane movement. However, exceptions may be approved by the Superintendent under the following conditions:

- a. Courses taken at the request of the Superintendent
- b. Courses approved for credit as part of an approved Masters and/or Doctoral Program
- c. Courses, in the subject area assigned or certified, not offered at colleges and/or universities within or near New Hampshire.

Superintendent's decision is final.

3. Successful completion of professional study which has received prior approval of the Superintendent for reimbursement shall entitle a teacher to advanced classification on the salary schedule as follows:

a. Full 100% adjustment for the contract year provided teachers actively engaged in credited coursework and/or matriculated in degree programs, gave notice by November 1 of their intent to pursue a salary lane change in the following year and all paperwork and formal grade documentation is provided to the Superintendent's office no later than August 1st.

b. Notice shall require written proof of the satisfactory completion with a grade of "B" or better on a graded activity or a "Pass" in a non-graded activity, of said professional study.

D. Effective July 1, 2021, teachers will be eligible for longevity after completing 15 years of service in this bargaining unit (i.e., beginning in their 16th year in this unit). However, teachers who received longevity during the 2020-2021 school year shall be grandfathered to continue receiving longevity after completing 10 years of service in this bargaining unit (i.e., beginning in their 11th year in this unit).¹ Longevity will be paid in addition to their then current salary, in the longevity amount found in Appendix A-2, and will be payable over the appropriate number of pay periods during the school year. If an employee experiences a break in service, longevity will be retained for all reasons except retirement. The benefit set forth in this Paragraph D will continue to be paid to any such teacher so long as any such teacher is employed by the school district.

E. Retirement Benefits:

Teachers who began work before July 1, 1995, who choose to retire will receive an additional salary adjustment based on the following two options.

1. After ten (10) years of teaching in the Fall Mountain School District, a teacher shall be paid for twenty (20) percent of their accumulated sick leave at the per diem rate of their final contract; after fifteen (15) years, forty (40) percent; after twenty (20) years, sixty (60) percent and after twenty-five (25) years, seventy-five (75) percent. Payment of this benefit shall be made on or before July 15.

a. Accumulated Sick Leave Payment upon Retirement: Teachers, upon retirement, will receive their sick leave buy back benefit. The benefit will be paid in full at the time of retirement.

¹ Examples: The salary schedule includes 15 steps (steps 0-14). A non-grandfathered teacher who has completed 15 years in this bargaining unit will begin receiving longevity of \$3600 during his/her 16th year in this bargaining unit. A grandfathered teacher who has completed 10 years in this bargaining unit began receiving longevity of \$2500 during his/her 11th year in this bargaining unit.

b. This request for early retirement shall be dated and signed by the teacher submitting it, shall be submitted by November 1 of the calendar year preceding the year in which the retirement shall commence, and shall specify the date selected by the teacher for retirement, which shall be at the end of a teaching year (June). The Board shall act upon the request no later than first board meeting after November 1.

c. In the case of multiple applicants for sick leave buy back, the Board will have discretion to approve or deny more than three applicants per attendance area.

2. Effective on September 1, 1999, any full time teacher who has taught a minimum of twenty (20) years, of which at least ten have been in the Fall Mountain Regional School District and who is at the top of their salary track at the time of their statement of retirement, may submit a written statement of early retirement to the Board. This request for early retirement shall be dated and signed by the teacher submitting it, shall be submitted by November 1 of the calendar year preceding the year in which the retirement shall commence, and shall specify the date selected by the teacher for retirement, which shall be at the end of a teaching year (June). The Board shall act upon the request no later than first Board meeting after November 1.

If there are applicants, at least three (3) requests for early retirement per year shall be approved by the School Board. Those teachers with the greatest seniority within the District will be given first consideration. If a teacher is not granted early retirement for the year of initial request and reapplies the following year, that teacher will be placed ahead of, in order of seniority within the District, any teachers requesting early retirement at a later date.

If approved, the District shall pay teachers granted early retirement in accordance with the following:

Teachers who are at least 55 years of age on September 1 in the first year of early retirement and who are less than 63 years of age on September 1 in the first year of early retirement: 20% of the teacher's last salary for five year period or until normal retirement eligibility pursuant to Social Security rules, whichever is sooner. The approval of early retirement shall be treated as a voluntary termination and the teacher shall have no right to continue teaching in the District after that

date.

3. Teachers who began work between July 1, 1995, and June 30, 2016, who choose to retire, are eligible for the following benefit:

A full time teacher who has taught a minimum of twenty (20) years, of which at least ten have been in the Fall Mountain Regional School District and who is at the top of their salary track at the time of their statement of retirement, may submit a written statement of early retirement to the Board. This request for early retirement shall be dated and signed by the teacher submitting it, shall be submitted by November 1 of the calendar year preceding the year in which the retirement shall commence, and shall specify the date selected by the teacher for retirement, which shall be at the end of a teaching year (June). The Board shall act upon the request no later than first Board meeting after November 1.

If there are applicants, at least three (3) requests for early retirement per year shall be approved by the School Board. Those teachers with the greatest seniority within the District will be given first consideration. If a teacher is not granted early retirement for the year of initial request and reapplies the following year, that teacher will be placed ahead of, in order of seniority within the District, any teachers requesting early retirement at a later date.

If approved, the District shall pay teachers granted early retirement in accordance with the following:

Teachers who are at least 55 years of age on September 1 in the first year of early retirement and who are less than 63 years of age on September 1 in the first year of early retirement: 20% of the teacher's last salary for five year period or until normal retirement eligibility pursuant to Social Security rules, whichever is sooner. The approval of early retirement shall be treated as a voluntary termination and the teacher shall have no right to continue teaching in the District after that date.

4. Teachers hired after July 1, 2016, who choose to retire, are eligible for the following benefit:

Teachers who are at least 51 years of age on September 1 in the first year of early retirement and who are less than 63 years of age on September 1 in the first year of early retirement:

APPENDIX B: INSURANCE

A. The Board agrees to provide the HMO - AB \$20 copay plan with Rx R\$10/25/40 M\$10/40/70 (or equivalent) as a medical insurance option for eligible employees during the term of this agreement. This plan shall be the driver plan. The board agrees to provide at least two other plan options, to be chosen at the District's discretion, with employer contributions toward premiums toward such plans based on the driver plan. The Board agrees to contribute up to the percent amounts specified below as its contribution to the benefits set forth in this Appendix B as follows:

School Year	Plan Option	Single	Two-Person	Family
Full time Employees	HMO-AB 20 w/ Rx R10/25/40 M10/40/70 (Driver)	80% of single plan	80% of two person plan	80% of family plan
	Other health insurance plans	80% of driver single plan	80% of driver two person plan	80% driver family plan
.75+ FTE Employees	HMO-AB \$20 w/ Rx R10/25/40 M10/40/70 (Driver)	80% of driver single plan	80% of driver single plan	80% of driver single plan
	Other health insurance plans	80% of driver single plan	80% of driver single plan	80% of driver single plan

Employees may choose any of the plans offered by the District, however, any additional costs between the driver plan at the District's specified percentages of coverage and an alternative plan becomes the financial responsibility of the employee as an out of pocket expense.

Teachers may select single, two-person or family coverage and shall have the option to change plans annually at the open enrollment period designated by the District by completing and submitting to Human Resources election and insurance application forms prior to the end of the open enrollment period. A teacher who is not full time but is contracted for .75FTE or greater will be eligible to receive district contributions of 80% of a single plan only of the driver. Two person or family coverage may be elected but the extra cost will be the responsibility of the employee.

Full time teachers or those contracted for .75 FTE or more, who decline

medical coverage will receive a payment of \$250.00 per month (\$3,000 per year) for each month that coverage is declined. Payments will be made through the employee's paycheck and will be subject to all applicable assessments and taxes. Teachers who were eligible to participate in the opt out immediately prior to July 1, 2016 will be grandfathered and eligible to receive \$333.34 per month (\$4,000 per year) for each month that coverage is declined. To receive this payment, an employee must provide proof of alternative insurance, for the employee and others for whom the employee expects to claim a personal exemption deduction, from another source that provides minimum essential coverage (other than in the individual market) and must not participate in the insurance offered by the District. Should any federal or state legislation become effective during the term of this Agreement mandating benefits or benefit vouchers, this payment will serve as the mandate. Insurance through the District can be resumed at open enrollment or on the first of any month following a qualifying event, at which time the payments will cease. Excise tax (Cadillac tax) under the Affordable Care Act shall be paid by the employee if it is caused by the employee choosing a more expensive plan than the driver. The excise tax (Cadillac tax) shall be split 50/50 by the employee and the district if the driver plan exceeds the ACA excise tax threshold.

B. Full-time teachers will receive the Fall Mountain Dental Plan (Coverage A, B and C) with no employee contribution. Teachers may select single, two person or family coverage.

C. Teachers who are contracted for .5FTE or more under the teachers CBA will receive a long term disability insurance policy with no employee contribution. Coverage shall be 60% of the employee's contracted salary until age 65, or normal retirement age as determined by the social security administration if longer, and shall have a waiting period of 90 calendar days.

D. A \$10,000 district paid death benefit will be provided to all teachers. Teachers must name one or more beneficiaries on the district form provided. A death certificate must be presented to the school Business Office to effect payment of this benefit.

E. The parties agree that the Board shall have the exclusive right to

determine the carrier used to provide the benefits set forth in this Appendix B, including the right to self-insure; however, the Board shall not have the right to diminish any benefits provided herein. The Board will provide the Association with the guaranteed maximum rate for health insurance promptly after the Board receives it.

F. The difference between the Board's contribution for health insurance, and the cost to provide said coverage, will be by payroll deduction from the affected teacher's salary and will be coordinated with an IRS approved Section 125 plan.
